PAW PRINTS of 2-S2

Thoughts from your District Governor

Have you ever made a New Year's resolution – and kept it? Years ago, I would make a resolution every year that I would quit smoking. I probably made that resolution 15 or 20 times and kept it every time. Yes, I quit that many times. Well it's that time again and, I can thank the good Lord that I don't have to make that same resolution again – I quit in 1987.

OK... now here are my resolutions for 2013:

- I will be a better Lion.
- I will attend all P&S meetings.
- I will go to the Mid-Winter Lions Leadership Conference.
- I will attend the Texas Leadership forum in Austin.
- I will start new clubs.
- I will help any club with membership drives.
- And lastly, I will write a new speech to give at governor's visits.

I don't know if you remember, but before I took office, I said we should have 8 new clubs and 450 more members. Well, that was before I became blind. So, this is my official call for help. We need volunteers! I'm not saying that I won't be there; I'm saying that I need folks to help accomplish that goal.

Earlier this month, I had the honor of participating with our elected directors and area Leos in the annual "Lions Day at the Mall". I will always remember seeing all the smiles running around the mall as I observed our young Leos learning, first-hand the joy of service to others. Kudos to our Leos leaders! They managed to round up 71 Leos who volunteered to help the blind folks from the Lighthouse of Houston buy gifts for their loved ones. If you haven't participated in this event in the past, I highly recommend volunteering next year!

We are SO close to recruiting enough new Lions to charter a Club in the Kingwood area. We just need a couple more service-minded individuals and we will be set! Remember we need volunteers to canvas in Baytown for their membership campaign. Let me know if you can help!

Don't forget that we have mid-winter conference coming and need folks to come! There will be training for everyone. Lion Sam Thomas will be returning to us and give his AWESOME Orientation to Lionism. That program is great for the new, as well as, seasoned Lion. If you have a new member, be sure to send them to Lion Sam's class. Other programming will include training on various offices in Lions, as well as, club promotions. Guiding Lion training and the Mentoring program will be offered in addition to the fundamentals of Extension and Club-building. We will offer the first two sessions on the Club Excellence Program. Leos leaders will present programs for Leos and Leo leaders, too.

District Governor 2012-2013

2013

It warms my heart as I recall how our Clubs remember that, as Lions, "we serve". Our Clubs continue to provide good service in all corners of the District. A number of Clubs are active serving their local food pantries and collecting used eye glasses. Several Clubs reported this month to holding barbeques, cook-offs and other food service fundraisers for charity. The Conroe Noon Lions participated in their local "Challenge Air" event for special needs children. Speaking of the Conroe Noon Lions, they were really quite busy last month. They also held a club mixer and a membership drive they provided almost 30 prospects. Our District Lions Clubs held rummage sales in Klein, a Winterfest in Katy and a radio auction fundraiser in Dayton. Our projects and fundraisers are as diverse as our Clubs.

If your Club hasn't held a community service project in a while, please remember the season and don't forget to get a "Round Tuit".

Hello everyone,

In order to create 8 new clubs in our district, we will need to have a group of dedicated individuals to canvas the various areas.

I am also offering help to any club in our district that wants to have a membership drive. I visualize that help being assistance in canvassing their area for new members.

No one will work alone. Our team members will work in pairs... one carrying notepad and applications and the other doing most of the talking.

I know this works because this was done to create the Crosby, Nasa and La Porte clubs.

I know not everyone will be able to assist each time, so I am asking that a pool of individuals be made available that we can call on for each project.

As is stands now, we have three clubs that need us... the Oak Forest Club, the Montgomery Club and the Riverside Club. All need a membership drive.

For you to be a member of the "Pool", just send me an email with a "yes" reply. I thank each an everyone of you for your service.

Thought's from the First Vice District Governor:

WE CAN DO IT

Well the holidays have come and gone and a New Year is here. Let's start this new year with a renewed comment. When I install new members, I like to ask them Why - - - Why they want to join the Lions Club, but not to tell me, but just keep it to themselves.

We should all revisit our reasons for becoming a Lion. If you are truly committed to serving your community and helping those less fortunate – then that is all that matters.

We all promote Lionism in our own way. Some are cut out to be leaders and others work to make those leaders look good. Right now, our district is ranked 8th out of 16 districts in Texas. Some folks may be satisfied with that, I'm not! District 2-S2 should be first and I hope that you all agree.

The upcoming Mid-Winter Conference is scheduled for January 19, 2013. A whole team of folks have worked hard to put it together. There will be sessions from leadership to membership, as well as something for the Leo's. There will be interesting and educational categories for everyone. Let's make this the largest Mid-Winter Conference ever.

Till next time

Thought's from the Second Vice District Governor:

The calendar year is coming to a close, meaning the Lion year is almost halfway done. It has been great visiting clubs and hearing the good things the different clubs are doing for their communities. I'm always struck by the different approaches clubs have to deal with similar problems. How has the first half of the year been for you and your club? Hopefully it has been a productive and memorable start. Also, I hope it has been a fun year in Lionism for you.

If the first half of the Lion year hasn't been fun, what can be done to close out the year on a more upbeat note? Are the club meetings being run efficiently? Lions International has publication (PRC3) "For Keeping Your Meetings on Track". Are new members being recruited to help out with all the things your club does? Again, Lions International has a publication (MK97) with "30 Marketing Ideas" for inviting new members and promoting your club. If you prefer in-person training, did you attend one of the great training sessions the District put on earlier this year? If not, the District Mid-Winter Lions Leadership Conference is on January 19. It will have a host of different workshop sessions focusing on different aspects of being a Lion. It is going to be a great opportunity to learn something new and exchange ideas with Lions from across the District.

I hope you have a Merry Christmas, a Happy and prosperous New Year and I hope to see you at the Mid-Winter. It is going to be a great start to the second half of our Lion year.
