YOU HAVE THE HEART OF A LION

The Heart of the Lion

If someone does something nice to help you, (i.e., you are working on a committee together and someone goes an extra mile to make something happen and you didn't expect it) then you should send me an e-mail; tell me what was done; who did it; and what club they belong to. They do not have to belong to the your club.

They will be given a "Heart of the Lion Award" at the P & S or the Cabinet meeting. It must be something that stands out and is thought of as extra special not just picking up a hanky for someone or giving someone a ride.

Again, it is an unexpected act that goes above and beyond the necessary duties of a Lion. It can be a random act of kindness that shows concern and care for the Lion Family.

Let's show the true "Heart of the Lion" for one another throughout this year.

Lion Betty
2017-2018 District Governor

Merry Christmas and Happy New Year to the District 2S-2 Lion Family!

Everyone is so busy getting ready for Christmas so don't forget to take some time out for yourselves. You know some times we get so busy we forget what the season is all about. It might be nice to sit down with a nice cup of coffee and just think about what Christmas means to you. As the years pass, my expectations change. Hurricane Harvey has shown me so much pain and hurt in this world and especially at Christmas time. So many people have so much but so many have so little. It breaks my heart when I think of people sleeping in tents and not even having a warm blanket for a cover. Let's hope and pray that the Lions get blankets for everyone who needs one this Christmas.

Well, we have our Cabinet Meeting on January 20, 2018, and our Mid-Winter Conference on February 17, 2018. Hope to see all of you at both meetings and at the P & S meetings. You are such an important part of our District and we miss you when you are not there. Thanks to all the clubs who adopted a family for the Family Holiday Spirit Program. I know you made their Christmas much brighter. That is what Lions do. They Serve! That is why I am proud to say I am a Lion. I am sure you all feel the same way or you wouldn't be here.

We are so happy to welcome our newest club into the District and that is Montgomery Lake Conroe LC. They have just added two more new members. Thank you PDG Art Drouin for all your hard work. In the next few days we will have our second club approved. Houston Metroplex Veterans. We welcome them to District 2-S2. Thank you IPDG Lion Mark Roth and Lion Liza Garza for all your hard work. We need to work on retaining our membership. We have new members coming in the front door but other members going out the back door. So let's try to find out why our members are leaving and work on retaining members.

Darleane Warren and I went to visit PDG Lion Daddy Eddy Munger on Saturday, 12/16. We had a good visit with him for about three hours. He really seemed to enjoy our visit and he talked up a storm. We stayed through his lunch time and they said he ate more than they had ever seen him eat in a long time. He has lost a lot of weight. So if possible, go visit him around lunch time and sit and talk with him while he eats. I think he enjoys the company while eating.

Thank you for all you do for our District in the name of Lionism.

Your District Governor Lion Betty

I hope that you have all enjoyed the the Holiday season with your family and friends and know that many of you have been reaching to help those in need. Thank you for your kindness!

As soon as we are past the holidays it will be only a few weeks until our Mid-Winter Conference on Saturday February 17th at the Hilton Hotel North in Greenspoint. Please submit your application before the end of the year so that we can get an estimate of the attendance. You can do that by going to the District website <http://www.lions2s2.org> and following the link.

At the conference you will have the opportunity to participate in discussions about some of the important matters affecting our District and your Club – we need your opinions as we begin moving towards the new Lions structure and organization. I firmly believe that these new – and possibly intimidating – ideas will give all of us a renewed excitement at being members of the largest service organization in the world.

There will be 4 sessions:

District Charitable Contributions

We will briefly explain the object and activities of each of the charities supported by the 100% contribution.

Diabetes Takes Center Stage in Service

Diabetes is our new global service focus and a key addition to the Centennial Service Challenge. Consider hosting awareness campaigns, screening programs and helping expand treatment to stop this devastating disease. Your club has one more year to serve in honor of the Lions Centennial. Make a difference in your community by planning a diabetes project today. You will learn how to implement a Diabetes Awareness initiative in your club.

We Innovate Through Service

Technology is changing how we live. And how we serve. The MyLion mobile app puts the tools to plan, connect and serve right in your hands. Where they should be. Download the app to be part of the next generation of innovative volunteering. If you bring your smartphone and we will help you download and use the app.

LCI Forward

Our vision is to be the global leader in community and humanitarian service. You will learn about the 4 initiatives supporting the vision:

1. Enhancing Service Impact and Focus
2. Reshape Public Opinion and Improve Visibility
3. Pursue Club, District and Organizational Excellence
4. Improve Membership Value and Reach New Markets

There will be two tracks so I hope that you can arrange for at least two members of your club to attend so that you can benefit from all of them. We will do our best to keep you interested and entertained while we learn from each other.

Again, please remember to reserve your slot by going to our District website <http://www.lions2s2.org> and please do it today!

Tony Austin

Merry Christmas and Happy New Year!

I hope that this has been your best Christmas ever. However, I know that many are still reeling over "Harvey". Our prayers go out to you. I cannot say thank you enough, for those who have sacrificed their Christmas this year for those who are in need.

This past month has gone fast, Jane and I arrived back in the US after a 4 week visit to New Zealand and Australia. We had good time.

Jane and I have traveled with DG Betty to various clubs, gone to a couple of parties, and worked on several Lions service projects. This Saturday we will rent a truck, and head to the Harvey warehouse to transport a load to Montgomery county. There are, believe it or not, people still living in tents, or without heat in their gutted homes. Where you ask? Unfortunately all over... Liberty County, Harris County, Montgomery County.. etc, etc.. from Louisiana to Corpus Christi. And Lions will be there serving them, one at a time, making a difference.

Have you made your reservations?... Mid-Winter Conference is coming up, and I want to see you there. I am looking for next years leaders, are you one of them?

Blessings to all for all you do
Karl Johnson 1st VDG

As it was for everyone, December too was a busy month at The Lighthouse of Houston! The annual **Craft Sale** on December 7th, was busy with buyers making purchases for themselves as well as others. There was an array of beautiful ceramic items to choose from - elegant white angels, Christmas ornaments to adorn your tree, Christmas tree cookie jars, Santa's sleigh, candy dishes, penguins, and much much more! Thank you to those who shopped and helped make their sale a success! Your purchases helped fund the art activities for the multi-care clients for the coming year. If you were not able to make it by this year, there will always be next December!

December 14th found a couple of Lions busy partying with the multi-care clients at their annual **Christmas Party**. More Lions had planned to join in the fun, but nasty illnesses and doctor's appointments got in the way. We played some rousing games of BINGO (complete with braille BINGO cards), iced and decorated Christmas cookies, and enjoyed a visit from Santa who handed out overflowing bags of goodies to the clients. Beautiful entertainment for the party was provided by an employee of The Lighthouse. He played many songs for us on his bagpipes! A fun time was had by all!

I really appreciate all of you Lions who purchased door prize chances at the December PSC meeting at China Bear. All the monies collected from the ticket sales went to The Lighthouse. A check for \$68 was sent to them. I hope that all of you winners enjoyed using your Christmas ceramics from The Lighthouse during the holiday season.

I would like to thank all of the Lions who joined together with me in 2017 to help out at The Lighthouse functions. Your time and energies were appreciated! We definitely had fun at the Halloween Carnival and Christmas Party! Much more fun awaits us in 2018. As soon as I know the details about upcoming events, parties, Easter egg hunts, etc, I will relay that information to you through our PAWPRINTS newsletter and PSC meetings. I look forward to more Lions joining together with me this year!

Lion Marla Reynolds

Director of The Lighthouse

The District has found two communities of people who are living in their skeleton of a home, no walls, no doors, just a shell of a home. They have been given a tent to protect them from the weather. There are approximately 3500 people. We need to collect 3000 winter blankets as soon as possible. They should be new or gently used, no holes or torn places, please. Many of these people are young children and elderly. Fema won't help because the area has flooded before. The Red Cross and Salvage Army has left and now some churches are coming in to help and we are going in to help.

You can drop the blankets off at District Governor Betty's house, 7627 Allegro Dr., Houston, TX 77040 or call 713-849-0490 and someone will come pick them up. Another alternative is to bring them to the P & S meeting in January. In January also please bring non perishable food (bulk size).

Where there is a need there is a Lion!
Thank you for all you do for Lionism,

District Governor Lion Betty
