

LIONS DISTRICT 2-S2

Chambers - Harris - Liberty - Montgomery
San Jacinto - Walker - Waller

Thoughts from your District Governor

TIME KEEPS ON SLIPPING.....

Remember the Steve Miller Band's song, "Fly Like An Eagle"? "Time keeps on slippin', slippin', slippin'; Into the future; Time keeps on slippin', slippin', slippin'; Into the Future.....? (OK....you can blame me for that tune running amok inside of your head all day today.....LOL). I was thinking about how time really does fly by when you are having fun and I can assure you, that as your 2011-2012 District Governor, I AM having fun! Actually, WE are having fun. Marla and I have enjoyed every second of every minute of every hour of every day that we have served **along with you** this year. And I hope every Lion in District TooEssToo is having a fun and enjoyable year too.

So, as time continues to slip into the future, here we are in February already. The month of LOVE. Love transcends all things. As it says in Desiderata, "Neither be cynical about Love; for in the face of aridity and disenchantment it is as perennial as the grass." Love always comes back! Take a moment now (and everyday) to tell your loved ones that you love them. (Oh yeah...Guys....make SURE you get her a card for Valentine's Day!) But here in our Lions world as we travel with our Lions Family down the tracks into the future, love goes beyond just the bond between two human beings or even beyond the love for our families. The love you give from your LION'S HEART truly is enough to fill up a freight train!

The song goes on saying something about "flying like an eagle to the sea". How about "We continue to run like Lions because we see"? We see the need out there beyond the tracks that others do not see. We see the children that cannot see and we get glasses for them. We see those who cannot see with their eyes and we help them get training and guide dogs. We see handicapped children and we send them to our camp where they get a "can do" attitude. The song goes on with "Feed the Babies, Who don't have enough to eat; Shoe the children, With no shoes on their feet; House the people, Livin' in the street; Oh, oh there's a solution." As LIONS, we do all this and more. YOU do all this and more! With respect to Steve Miller, I say LIONS ARE THE SOLUTION!

So, as you continue to ROAR down the tracks through the month of February and on into March and April, remember what is in your heart. Remember the love you have not only for those closest to you, but keep a place in your heart for all of those who WE SERVE too. After all, you have THE HEART OF A LION!

I hope that many of you were at the Mid-Winter Conference and that you thought it worthwhile, educational and entertaining. And if you were not able to attend, I hope that the reports you received from those who did were also positive. We may be on the downhill side of our journey through our 2011-2012 Lions Train Ride, but remember that we still have a lot of opportunities to be involved and To Serve in the coming months. We will be taking a "TooEssToo Workforce" to the Camp in March (tentatively) to continue the Nature Trail Repair Project. White Cane Days are near. I know your club has some exciting fundraisers and service projects planned. And don't forget, we have a District Convention in April that will be the best ever! Spring is close than you think!

Rick Reynolds,
District Governor 2011-2012

PAW PRINTS of 2-S2

Thought's from the First Vice District Governor:

Hello again folks... I wanted to say a few things to encourage all of you to attend the Mid-Winter Conference... but it's too late. By the time you read this, the conference will be history. I know it was successful. I have seen the mid-winter for our district go from a simple cabinet meeting to a really superb educational experience. If you didn't attend it you really missed something good, so mark your calendars for next year and ATTEND. Nuf said.

Our year is now half over (actually a bit more) and it's time for EVERYONE to start thinking of ways to help our district. We all attend our Lions Clubs and participate in the club's community projects and fund raisers, BUT have you considered what more you can do? There are many opportunities available... For years, I have watched the same individuals do the same jobs in the district. There is ABSOLUTELY nothing wrong with that...particularly if the person enjoys the work and does a good job. Now I know that there are other people out there in our district who would like to expand their support, but don't know how to get the job their interested in. If you have never attended a P&S meeting, you may not know. If you have never spoken to the District Governor about your interest, you may never have an appointment. Well, it is time to "come out of the closet" and let someone know of your interest. For the year 2012-2013, yours truly will be the District's Governor and I want to hear from all of you who are interested in furthering Lionism by supporting our District. Drop me a line at Lion.Paul.Eads@comcast.net and let me know which job you would like to do. If you don't know all the jobs that are available, take a look at the District Directory...pages 38 to 45. There's a lot of them. By the way, the District Directory is available here on line...just click on "RESOURCES" then click on "2010-2011 District Directory" or you can also click on "Cabinet Job Descriptions". Some jobs are appointed and a few are elected positions. If you are interested in one of the elected positions, let me know and I'll fill you in on what is required to be on the ballot. If you're interested in one of the appointed positions, please let me know so you can be considered. I will be anxiously awaiting your emails.

OK, now is the time for me to try to educate all of you on things that are usually unimportant or totally useless. Oh, by the way, if you spell anxiously "ankshuwasly", don't rely on spell check to correct it, but it will ask if you would like to add it to your dictionary. We have a man in our club whose name is Andy Traviño..(notice the ñ?) That's not an "en", it's an "enya" and you don't pronounce his name "Traveeno". It's pronounced "Traveenyo". You might wonder how you create the "ñ" when using your word processor. It's easy... instead of typing the "n", hold down the "ALT" key and type 164 on the keypad and up pops ñ !!! Not everyone knows that you have a plethora of special characters available. You can even type goofy characters like ° or ☼ or Ω. Pretty neat? If you're really interested, you can see ALL the available characters at the web site www.asciitable.com. Ok, I'm through for now.

Ask someone to become a LION!!

Seeya nextime

Lion Paul

First Vice District Governor Paul Eads

“WE CAN DO IT”

Elvis Presley: - - - Now why in the world would I bring up this man??? Well, many, many years ago I got to visit his place in Memphis. Went through his home, cars, planes and things. Every place we went there was T.C.B., even a ring he had made had T.C.B. I had to ask what that stood for. “TAKING CARE OF BUSINESS” was the answer. He definitely took care of business.

What in the world has this got to do with District 2-S2 or Lions Clubs? Well I think we are like a business, we deal in community service, we deal in eye sight, we serve the less fortunate – these are our products. We don't charge for our product, we give it to those in need. We get paid every time they say “thank you” Lions for what you do. That's how we keep the company going. That's why we have to grow the company. We need employees, “members”, just like any business. We need to expand “new clubs” so we can service more communities. **Are you and your club T.C.B.?**

By this time Mid Winter is over and the third Council of Governors Meeting is gone – but there is something else in February. “Valentines Day”. Can't forget the important stuff. Get the wife, girlfriend, or whatever your relationship, flowers or candy. After all where would we be with out them???

Yours in Lionism,
Eddie Risha

Second Vice District Governor Eddie Risha

Remember to save your spare change for the
Texas Lions Camp Bus Fund.

District 2-S2 Humanitarian Relief Fund

Here are a few questions you should ask yourself. How can my club help families in my community that finds themselves in need of a wheelchair ramp? Or, how can the district help my club fund a project to assist my neighbors? Or, does the district have a program that we could use to help get our new members involved?

One answer to these questions is the District 2-S2 Humanitarian Relief Fund. Your H.R. fund is more than just another committee. It's a fund set aside to supplement your clubs community service projects. The H.R.F. is available to give your club another opportunity to get its members involved by helping out your neighbors and a chance to get your new members started off on the right foot. It allows each club to take on larger projects and increases Lions visibility in your community.

Funds are available to every club in the district. ([Download Request Form](#))

Please bring your used eyeglasses to the PSC meetings. Have a count of the number you are turning in; the total will be announced at the meeting and in Paw Prints.

We only count complete pairs of glasses. We need a total count of the glasses from the person that brings them to the PCS monthly meetings. No special packing needed, save all cases, we sort through the containers at the recycling center for the final sort (those that can be cleaned, adjusted, and washed). Do not count loosed lenses into the totals collected. Each month, or whenever you choose to do so, we can supply the totals collected the previous month to the other members.

Thanks for your help.

PAST DISTRICT GOVERNORS DISTRICT 2-S2
Distinguished Achievement Award Application

PURPOSE

The purpose of the Past District Governors District 2-S2 Association Distinguished Achievement Award is to “bestow honor upon those Lions in District 2-S2 who have shown outstanding leadership and service achievement to their Club, Community and District.”

QUALIFICATIONS

Minimum qualifications for the Past District Governors District 2-S2 Distinguished Achievement Award are:

- (a) An active member with at least seven (7) years of service. This award is for living Lions only, unless the honoree passes away after being nominated.
- (b) Outstanding leadership and dedicated service to Club, Community and district.
- (c) Special achievements in, or contributions to, humanitarian service for those less fortunate.
- (d) At the time of the presentation of the award, must NOT be a District Governor or Past District Governor of any Lions Clubs International District.

NOMINATIONS

The completed application form(s), will be provided to the Chairman of the District Governor’s Honorary Committee. Said application may be made by any Lion in the District that is in good standing. The application(s) are required to be received by February 15th of each year and will be valid for that year only. If an applicant is not selected for that year, a new application must be submitted again to be considered for this award. There is no requirement to induct someone each and every year.

DISTRICT 2-S2 2012 CONVENTION PROGRAM BOOKLET

To help defray the cost of the District Convention we sell advertising in the Program Booklet. The Convention Fund is low, the meal and hotel cost are going up each year. Last year we sold just over \$5000 and we need to increase that amount this year to \$6000.

Clubs are asked to do two things to help us meet this level of ad sales.

- Appoint an Ad Sales Chairman for your club and sell ads for the Convention Program Booklet. You can sell ads to members, neighbors, co-workers, business acquaintances, Lions, Non-Lions, campaign for district candidates. Anything that is legal...
- Each club is asked to sell or buy at least one full page ad

Ad Sizes and Cost:

Full page:	\$100.	
Half page:	\$75.	
Quarter page:	\$50	
Last inside page	\$125.	– Already reserved - First Vice District Governor Candidant
Inside front cover:	\$150.	– Already reserved - District Governor Candidant
Inside back cover:	\$150.	– Already reserved - Second Vice District Governor Candidant
Outside back cover:	\$200.	– Already reserved

The Importance of Trees

The greenhouse gases that are emitted by automobiles and power plants also carbon dioxide which trap heat resulting in warmer surface temperatures but trees play a critical role in counteracting these effects.

A tree contribute to the Earth by providing oxygen, improving the quality of air, helps in water conservation, soil conservation and also provides a habitat for wildlife. It is seen as the most efficient sink for carbon, during photosynthesis process trees are able to convert carbon dioxide into oxygen which humans use. Trees act as filter for the air by removing the dust and absorbing pollutants such as carbon monoxide, sulfur dioxide and nitrogen dioxide.

Dave Nowak, a researcher at the U.S. Forest Service's Northern Research Station in Syracuse, New York has studied the use of trees for carbon sequestration in urban settings across the United States. A 2002 study lists the Common Horse-chestnut, Black Walnut, American Sweetgum, Ponderosa Pine, Red Pine, White Pine, London Plane, Hispaniolan Pine, Douglas Fir, Scarlet Oak, Red Oak, Virginia Live Oak and Bald Cypress as examples of trees especially good at absorbing and storing CO₂.

We as Lions play an important role in planting trees in our own homes and communities. Please let us increase the effort by finding ways to plant more trees in our communities.

The Long and the Short of It

Lions know how to cook. Lions know how to deliver food boxes or sell raffle tickets. Lions know how to put on a talent show, or paint someone's house, or build a park. Lions know how to organize a trip to Kerrville to deliver children to camp and how to collect glasses (etc. etc. etc.). That's why we can always get a group of Lions together to make all of these wonderful service and fund raising projects happen.

However, although we are Knights of the Blind, most Lions know very little about vision and refractive optometry. That's one major reason why so few clubs or districts are willing to set up regular adult or child eye screenings in their Districts, or set up a sorting and reading (of used glasses) program, or go on a mission to help the Lions Clubs in developing nations set up eye programs. The long and the short of it is that most people don't get involved in something because they fear the unknown. In this case, the long and the short of it is **they don't know the long and the short of it!**

I'll explain that in just a minute.

Not knowing much about how the eye works and, therefore, not understanding refractive optics and the tools/machines used by professionals to determine the refractive status of the eye always caused me a little trepidation about helping someone find a used pair of glasses that was near to their actual need. That's why TLERC offers its monthly "Visual Screening Course" (Starts the Thursday before the 3rd Saturday each month in Midland at TLERC). You need to call ahead to get a reservation for the class, but once you and a few of your fellow Lions go through this, you can bring a wonderful service to the poor adults in your community or District.

The course takes you from the basic anatomy and physiology of the eye, to the clinical system used to set up an adult eye screening, to how to use all of the equipment in the screening "lane", to finding a pair that most nearly fits the person's need. The class ends on Saturday with a practical clinical exercise (i.e. the students help TLERC and the Midland area Lions Clubs with their monthly adult clinic on Saturday morning before they head back home). Once I understood how the eye works and what goes wrong that makes things "fuzzy", it was pretty easy for me to understand the refractive optics used in glasses. For example, a camera and the eye are very similar. The light through the lens has to focus on a specific spot or the picture is fuzzy. With the camera when objects are too fuzzy, we can mechanically adjust the focal length of the lens so it focuses on the film. We can't really do much to change the focal length in our eyes, especially as we get older. So if the light coming through our lens falls in front of the retina (called nearsightedness or myopia) or focuses behind the retina (called farsightedness or hyperopia) things are out of focus. This may happen because the eyeball is too **long** (nearsighted) or too **short** (farsighted). So by using different shapes and thicknesses of lenses, a pair of glasses redirects the light so that it focuses further back (correcting nearsightedness) or closer (correcting farsightedness).

This may be oversimplified and not 100% technically accurate, but it sure helps me understand what I am trying to do when pulling glasses, or getting a reading on a lensometer, focometer or autorefractor. If you come to TLERC's classes it will help you "to serve".....**and that's the Long and the Short of it!**

Tom Blase, VDG 2-A1
TLERC Promotions Director

Around The District Revived

Once long ago we had this great section in the newsletter that told of the great things and Events that our local clubs were doing. Each month the clubs would submit a report telling of their great deeds, and projects.

Pictures and stories of helping ours, Upcoming details of fundraisers, and anything the Clubs wanted to tell the world and their fellow Lions.

Well Lion Judy and PDG Margaret have decided to unite and decipher your reports once again.

All such information must be submitted to Lion Judy Champion by the 10th of the month. jwalley@flash.net or calling 281 442 9707
