District 2-S2 • February 2014

Thoughts from your District Governor ...

2-S2'S NEW ROAR: "WE CAN DO IT"

Well District 2-S2, it's time to start a new book. The pages are blank. We can start the story for 2014 by putting words like "We Serve", or maybe "Follow Your Dream". We call the book "Opportunity" and the first chapter started New Year's Day.

We can fill the pages with: "What you feel it means to be a Lion, - - -. What do you think as a Lion, you should do, - - -. When you become a Lion, what do you want to accomplish - - -?"

Do you have a dream, a vision or goal, how about what does your club expect from you? Do you eat and then leave and never volunteer?

Put all these answers in your book then share the book with family and friends and all others who will listen. If you can tell your story, then it's easy to get new members, just "ASK". You know the story of LCI or at least I hope you do. If not then it's just another reason to be at the Mid-Winter Conference on Saturday, January 25. You can register on line!!

I feel that we are the luckiest people on the face of this globe. But sometimes when you may be

lonely or scared or tired, or even depressed, and I'm sure we all get that way from time to time, it's hard to remember that there are others who suffer so much more and that is where Lions come in.

When a child gets poor grades because he can't see to read or do homework – that is where a Lion comes in. A senior's home needs repair, that is where a Lion comes in. A ramp is needed for a wheel chair bound person to get in his home, that is where a Lion comes in.

Plant a tree, clean up a neighborhood, it goes on and on. Are you proud to be a Lion?

Make something happen!!

"WE CAN DO IT"

GOD BLESS THE MEMBERS OF DISTRICT S-S2,

DG EDDIE RISHA

**Eddie Risha
District Governor 2013-2014**

" We can do it! "

Thoughts from the 1st Vice District Governor ...

I used to travel a lot globally for my job. I was able to get to most of South America, a lot of Africa and some of Asia and Europe. Mostly to small oil towns, but sometimes a nice destination got mixed in. The language barrier was always there, since on my best day I can order a drink in Spanish but that is about the limit of my language skills. So many times I'd find myself answering a question asked to me in Malay, French, Portuguese or some

other language I didn't understand with "No sé" or something similar in Spanish. As if I expected this Malaysian person to understand Spanish if he didn't understand English.

It was under these circumstances that I was eating dinner with some work colleagues at a beach restaurant in Luanda, Angola. The people I were with were travelling with me from the states and were like me and couldn't speak Portuguese. We

had ordered our drinks, luckily the Portuguese word for beer is similar enough to the Spanish word, and were waiting for some people from

the office to join us and help us order the main course. We were just enjoying the sea breeze and the view of the transport ships and rigs in the bay. I happened to be wearing a Lions baseball cap, which was the first hat I saw when I was heading out of the door on the way to the airport when leaving home. While we were just sitting there enjoying the scene, a waiter in a different section stared our way and then made a beeline to our table. He started speaking to us rapid fire, which we naturally couldn't understand. After a short time, what seemed like an eternity, he walked off quickly leaving me and my friends to try and figure out what happened. We were discussing it for a few minutes and then he came back. This time bringing back a girl who looked to be about 12 or so. She asked me a one word question,

See CHRIS, Page 7

Thoughts from the 2nd Vice District Governor ...

I was listening to Nat King Cole singing this morning. One line in the song is "Where can I go without you?" Taking that line and expanding it to Lions, the question could be "Where can Lions go without you?"

At January's President and Secretary Council meeting we heard a former TLC camper tell us how important the camp was to her. I hope you have heard other campers, either current or former, say the same thing.

I boarded a shuttle to Bush International Airport early one morning. I was wearing a warm vest with the Texas Lions Camp logo. A rider looked at me and asked if I were a Lion. When I replied "Yes", he informed me that his daughter, a diabetic, had attended.

He stated, "Your camp helped save her life because of the education she received on living with diabetes".

Without Lions.... (you fill it in).
Without members, clubs can not

serve their community. Without Lions, our District offices cannot be filled. Without Lions, our clubs can not assist in service to others in our nation and world. To do all this we need members and leaders in our clubs and our District.

I hope that we (District 2-S2) have a great turnout at Mid-Winter Leadership Conference on the 25th.

Hope to see you all there.

Mid-Winter Wonderland

By PDG Rick Reynolds, Convention Chair

Brrrrrr!!! It's cold outside. I'm betting that it will still be pretty chilly on January 25th too. (Although.....this is southeast Texas and it could very well be a scorcher that day too) How's that saying go, "Hey, if you don't like the weather here in District 2-S2 now, just wait 30 minutes.....it'll change!"

So, since JANUARY 25 is our MID-WINTER LIONS LEADERSHIP FORUM and since it IS mid winter, I'm betting on the chilly part.

So, what are you gonna do on January 25, 2014 in that cold weather? Come on out to the LONE STAR CONVENTION CENTER in Conroe (that's just outside of Cut and Shoot if you're not sure where Conroe is) and enjoy the warmth and fellowship of your fellow Lions from all parts of our Family. It is really easy to get to, just travel east on FM 3083 off of I-45 (the exit is between N. Loop 336 and League Line Road), go about three miles and you will see the Lone Star Convention Center on your left.

It is on the corner of FM 3083 and Airport Rd. For those of you coming from the East Side of our Family, just come out on Hwy 105 and turn right on Loop 336 and right on FM 3083. Any way you come, it's easy, so COME ON OUT!!!

We are going to start registration and Continental Breakfast at 8:00 am and continue that until 8:45. At 8:45 we will have the Opening Ceremonies and introductions and an explanation of the proceedings. Our District Leadership Guru, Lion Mark Roth, has arranged for several exciting and motivating seminars throughout the morning and into the afternoon (but not too long into the afternoon!) centering on leadership, membership and motivation for Lions new and well, not so new.

Notice that the program this year is a little different from our Forums the past several years. All of the seminars are in general session and there are no

"break-out" sessions at the Mid-Winter Conference this year. Also note that all of the presenters are members or past members of your District and members of your Family. The presenters are working hard to bring you the best programs possible and make this years Conference "the best ever"!

Leos and Leo advisors are also invited to come and Leo Chair Lion Emece has an exciting day planned for all. So make sure that your Leo Clubs are aware of the exciting day of fellowship and fun on January 25.

There is a registration page in this newsletter so read no further and go and get registered NOW!!! I am looking forward to seeing all of the Lions of District 2-S2 on Saturday, January 25 at the Lone Star Convention Center in Conroe (a suburb of Cut and Shoot).

SEE YA THERE!!!

Environmental

By Stedman Douglas

A new calendar year has begun; I would like to express heartfelt thanks to all persons who assisted in any way possible to make the environment a safe place. Plans and projects that did not materialize, I hope will come to fruition during this period.

The maintenance of the environment is our responsibility. We need to work towards accomplishing these goals. There is a symbiotic relationship between man and the environment and so it is imperative we know our role and strive to make our contribution

count. Let us continue to support environmental sustainability and be encouraged by the words of Marian Wright Edelman "Service is the rent we pay to be living. It is the very purpose of life and not something you do in your spare time".

Stay Conscious!!

District and State Dues

Invoices for the 2nd-half District, State, and Texas Lions Camp dues have now been sent to club Treasurers. This invoice is based upon the number of members shown on the club's MMR as of December 31, 2013 --- unfortunately there were 37 clubs that did not file a December 2013 MMR by Dec 31. Oh well. Just remember, any drops after December 31 are NOT pro-rated by the District and State and the clubs are expected to pay the dues based upon membership as recorded by Lions Clubs International on December 31. The due date for 2nd-half dues is March 10, except for campus clubs which is April 15. Any dues not paid by the due date means the club is NOT in good standing and club members are ineligible to hold office until payment is resolved.

Note: Delinquent clubs might have to deal with the notorious Gavel Recovery & Collection Gang from the Cut and Shoot Family Lions Club - now deputized for dues collection, too. No tellin', a club could experience how the town of Cut and Shoot came to be named, so, best not be late y'all!

“Lion?” After I answered yes, they spoke to each other and he stuck out his hand out my direction. I shook his hand for what must have been five minutes while he continued speaking to me as if I could understand Portuguese. I could understand basically what he was trying to convey, a thank you. Through hand gestures with him and the girl, who turned out to be his sister, I understood that she had work done on her eyes. By their thanking me, it was clear that the work was done by Lions. Things finally settled down and my friends and I were back to sitting by ourselves with a fresh round that my new friend brought over. Eventually the people from the work office showed up and were able to translate for us. Apparently a Lions project came in to the area and helped provide vision care for the girl several years ago when she was severely vision impaired. Now she could see fine with corrective lenses.

It was a great night and my colleagues and I enjoyed

the benefit of work done by Lions who I’ve never met. I have a few other stories similar to this from my work travels and they all help fuel the fire of service. These stories aren’t even close to being isolated incidents. Every day Lions around the globe are doing great things and we all can take pride in those works since we are a part of them. Even if we aren’t directly involved, we help maintain the administrative side needed to do the work through our membership in our own Lions club. That is why it is so important for all of our clubs to grow, so that we are able to continue doing this work and so much more. If you haven’t invited a guest to join you at a meeting, please do so soon. They might decide to join and someday might have someone buy them a cerveja (Portuguese spelling) because they are a Lion.

Crosby Student is Texas Lions State Peace Poster Champion

Submitted By PDG Bert Baker and Lion Leah Baker

Karly Murray, a Crosby Middle School student, has submitted the winning peace poster selected to represent MD-2 Texas in the Lions International 2013-14 Peace Poster Contest. Karly's peace poster will now go to Lions International Headquarters in Oakbrook, IL for the international level of the competition. At the

international level of the competition, members of the art, education, media, peace and youth communities serve as judges to select the 23 merit award winners and one grand prize winner from numerous entries submitted from Lions Clubs around the world. The 23 merit award winners each receive a cash award of \$500 and the grand prize winner receives a \$5,000 cash award plus a trip to the award ceremony at Lions Day with the United Nations (subject to change).

The Peace Poster Contest at the Crosby Middle School was sponsored by the Crosby Lions Club. The Crosby Lions Club awarded Karly a \$100 savings bond as the winner of their local contest plus Lions District 2-S2 also provided a cash prize to Karly as the winner of the District Peace Poster Contest.

Past District Governor Albert Baker is the current President of the Crosby Lions Club. Baker commented, *"The Crosby Lions Club is a fairly new club, having only been chartered in 2007. We are very involved with the youth of our Community. As a Club, we are aware that a focus on the youth of our community will only bring benefit to the community. This is why we get involved with the Peace Poster contest and many other activities with our youth."*

Karly Murray's Visual Arts Teacher is Mrs. Alejandra Peña. When asked for comments about the Peace Poster Contest and the process the kids undertook for this contest, she

said, *"Crosby Middle School students compete annually in one of the most inspirational art contests available to them, the Lions International Peace Poster contest. This contest provides them with the opportunity to relate to world issues facing children their age on daily basis while encouraging them to reach out and make a difference in the world."*

In their journey with the art contest, Crosby Middle School art students watch a video about current world issues. The video shows images of war, hunger, poverty, and destruction caused by man. While the images are still fresh in their minds, students close their eyes and listen to **"We Are the World"** by Michael Jackson and others for further inspiration.

Karly's Peace Poster

Their focus is on how to make a difference through personal choices for the rest of their lives. From this process, artwork is created that illustrates the theme of the contest. The theme for the 2013-14 Peace Poster Contest was **"Our World Our Future."** Mrs. Peña goes on to state, *"Without the Lions Club, Crosby Middle School art students would not have this special opportunity to show how much they care about the future. We are proud to share this honor and represent the Lions Club of Crosby, Texas."*

When asked for her thoughts on her poster, Karly said, *"What world peace means to me are no more wars and no hatred. If the world was to become peaceful, the racism would have to stop and all the crimes would quit. My poster represents all of the countries of the world uniting together for a peaceful life for all mankind."*

The Peace Poster Contest was created by Lions Clubs International in 1988 to give young people the opportunity to creatively express their feelings for world peace and to share their visions with the world. Approximately 350,000 children from 75 countries participate in the contest annually. Lions clubs sponsor the contest, open to children ages 11 - 13, in local schools or other organized, sponsored youth groups.
