Thoughts from your District Governor ...

Hello Fellow Lions,

Here we are going into March already. Where has the time gone?? Most of the clubs have been visited but we still have a few to go.

The Bob Dowden Memorial Dinner and Mid-Winter Conference are on the books now and

I'm proud to say that both were successful.

We only have 4 months to put the District on the + plus side in membership.

It's really not hard, just ASK.

I know you hear it over and over but without growth you wither and die.

Look at some of the clubs that I won't name, but they have been around a long, long time. This is a perfect example of how important a ZONE Chair is to the District. Their job is to keep in touch with their clubs and know their strengths or weaknesses and then let the District know so that if help is needed we will be

informed and can assist before it is too late. Out of the eleven Zone Chairs we have this year, I have received reports from only 3. It's really hard to know what is going on all around the District without this assistance.

Sometimes you don't see eye to eye with one another but you can't let that get in the way of the whole big picture. You make the effort to get along and support the District because every person has different feelings and ideas. Leaders come and they go, but I hope the District and Lionism is here to stay!

It's hard to believe the Lions will be celebrating 100 years in 2017. I look forward to that day and I want District 2-S2 to be there in all its glory.

Yours in faithful Lionism,

2-S2'S NEW ROAR: "WE CAN DO IT"

DG EDDIE RISHA

Eddie Risha
District Governor 2013-2014

"We can do it!"

Thoughts from the 1st Vice District Governor ...

I'm not sure about you, but the weather getting warmer has been noticeable to me lately. I'm starting to see birds migrate back through Liberty on their trek north. Short sleeved shirts are even starting to be taken out of the closet and worn again. I'm sure another cold snap will hit sometime soon, if for no other reason than to remind us that Texas weather is still in effect. Hopefully this warm weather will last for a while before the hot weather gets here. If you are looking for a fun way to enjoy the weather and do the work of Lions, consider helping out

with one of the work weekend coming up at the Texas Lions Camp. The work weekends are used to help get the camp in shape for the upcoming summer camp season. The work weekends this year are March 1, April 5 and May 3. A registration form is available at www.lionscamp.com. Work will be available for all skill levels and group sizes. A trip to a work weekend is a fun outing for a Lions Club.

Another way we can help the camp, is by sponsoring children and getting them there. We can get them there on our district bus.

Our district's bus is going to be running for sessions 4 and 5 of the camp (June 29- July 5, 2014 and July 6- July 12, 2014). The cost of the bus for 4 trips to Kerrville is quite large and any money

you club can raise to get the campers there will be put to good use. So please talk to your club and see if there is any money that can be earmarked for the bus. Other than money, you can also help out with the bus by signing up to be a chaperone on one of the trips. If you would like to help out on the bus, please talk with one of our Elected Camp Directors.

Other than the camp and the bus, there are most likely many ways you and your club can help your community this year. Talk to community leaders, talk to other service clubs, consider using the Lions Community Needs Assessment and continue to do the good work that Lions do. We Serve.

Thoughts from the 2nd Vice District Governor ...

Snippets from 2nd VDG Noah Speer: a snippet, by my definition, is a bit of information. So tonight, from Whitefish, Montana I send you snippets. Last week Prairie View A&M University Lions Club inducted new members. DG Eddie inducted 3 new members and a passel (more than one) of recent semi-inducted members. PDG Chuck Martin wanted them to experience a genuine DG new member induction. Impressive club. Our Lions Club International Annual Convention this year is in Toronto, Canada. Of note

is that we, the Lions of Texas, have a candidate running for the office of 2nd VP of Lions Club International. His name is PID Mike Butler, a very knowledgeable lion. My club, Huntsville Lions Club, has a Butler Backer patch for when he was running for International Director many years ago. If you are inclined to go to the International Convention, you get the opportunity to vote for Mike. It would be great to have a good turnout. You 'all come. I will be there. On-line registration for Texas Lions Camp campers is now open. Camper families can go to the website – lionscamp.

com – and begin the process. As of Feb 1, over 400 applications had been made with 79 being assigned. Talking about campers – our district will have a bus to deliver campers (and return them to Houston) for the 4th and 5th sessions (June 29 – July 5, July 6 – July 12). Easy way to get campers to camp. Did you know that last month out of 1,489 emails announcing the February PawPrints, in the first 48 hours only 344 persons opened the PawPrints? That is 23%. Sobering. March 1-2 is the Texas Lions Leadership Forum in Austin, TX. I hope that every club has a member in attendance.

- Appoint an Ad Sales Chairman for your club and sell ads for the Convention Program Booklet. You can sell ads to members, neighbors, co-workers, business acquaintances, Lions, Non-Lions, campaign for district candidates. Anything that is legal...
- Each club is asked to sell or buy at lest one full page ad

**PSC President - Ken Harrison

If not, why not. Do you know what Lions does best? We develop leaders – in industry, community organizations and families. We do it through fund raising and service projects. I have heard Lion Ken Harrison, President of our District's President and Secretary Council say more than once that being a Lions taught him how to make presentations and is the direct cause of his being where he is in business. Think about it. What does it take to put on either of the mentioned projects – a leader. Leaders are not born, they are developed. Work with the District Governor's Team – let's build leaders and tell the world about Lionism. All from the snowy north – stay warm

District and State Dues

The due date for 2nd-half dues is March 10, except for campus clubs which is April 15. Any dues not paid by the due date means the club is NOT in good standing and club members are ineligible to hold office until payment is resolved.

Note: Delinquent clubs might have to deal with the notorious Gavel Recovery & Collection Gang from the Cut and Shoot Family Lions Club - now deputized for dues collection, too. No tellin', a club could experience how the town of Cut and Shoot came to be named, so, best not be late y'all!

100% Charities

We ask that clubs send in their 100% charity donation as soon as possible, particularly the 100% contribution for the Texas Lions Camp. Thanks.

Humanitarian Relief Fund Serves District 2S2

By Lion Pat Mann, HRF Elected Director

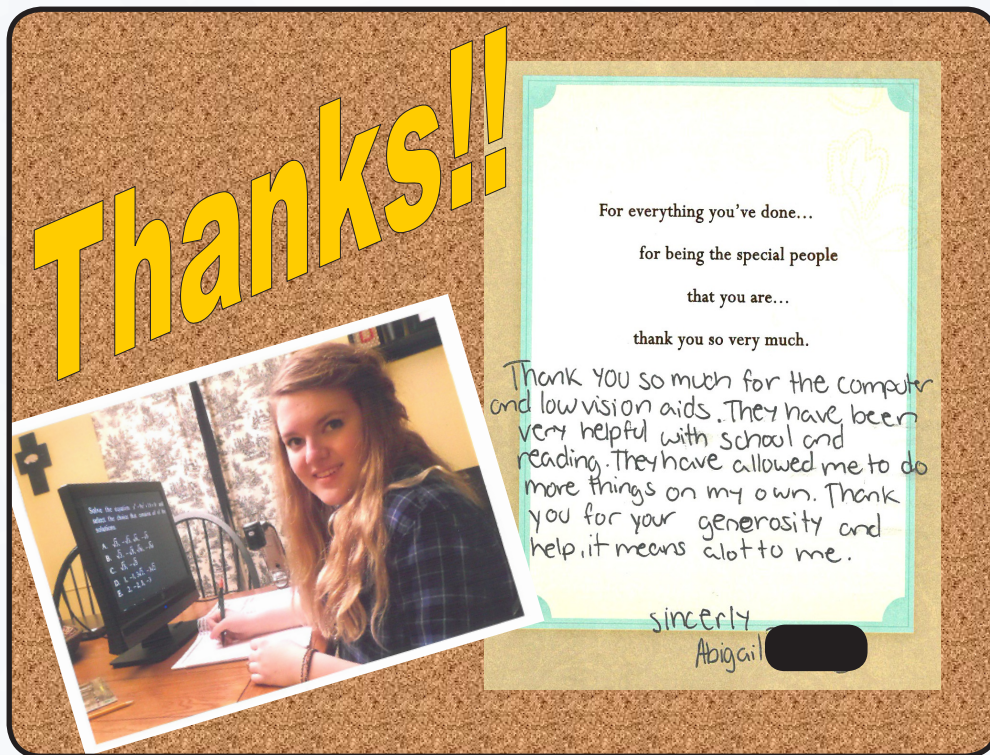

A little used service of District 2S2 is the Humanitarian Relief Fund (HRF). The low utilization of this resource is because many of our members are not aware of its existence. Up until several years ago, contributions to HRF were required as part of the 100% charities in order to receive a matching grant. As a result of its low utilization, the fund had built up a considerable balance and charitable contributions are not currently required to receive a matching grant. Even now, despite several years with no charitable contributions, the fund balance still stands at \$26,000. Last year District clubs made only **FOUR** requests for matching grants from the Fund, totaling \$4,858.

This Fund is available to all the Clubs in the district, regardless of the size of the Club's membership. Recent grants have gone to the Tomball Lions Club, the Cut and Shoot Family Lions Club, and the Houston Cy-Fair Lions Club. A joint application from the Houston Sports Lions Club and the Houston Heights Lions Club was also approved. The maximum amount from HRF is \$1,250.00 and must be matched 100% by the requesting Club.

Here is how the process works: A Lions Club has agreed to support a project which is beyond their ability to fund; for the purpose of this explanation we'll assume they need the maximum amount that can be funded through this process - \$2,500.00. A Grant Application Form can be found through the District's Web-site. It is self-explanatory. The primary requirement is that the Club must have an invoice submitted for the total

amount that they wish to spend. The Club submits their application, along with a check for \$1,250.00, payable to District 2S2, and the invoice to the Cabinet Secretary. To expedite the process, the application can be submitted by email, with the telephone assurance that the invoice and the check are in the mail.

The Cabinet Secretary then forwards the application by email to the HRF Committee members for their review. Often their approval is obtained within a day or so. When the application has been approved, the Cabinet Treasurer will issue a check in an amount matching half the submitted invoice cost. The check will be made payable to the entity issuing the invoice.

The Conroe Noon Lions Club with matching HRF funds joined together with the Conroe Firefighter's Association in Dec 2013 to provide a special computer and other low vision aids for local student.

While the example above is for the maximum amount, some recent grants have been as low as several hundreds of dollars. We need to remember that what seems like a small expenditure to a large club may represent a major part of a Club's annual budget for a small Club. A HRF grant may make the difference in a smaller Club's

ability to undertake the small works of charity for which Lions are noted.

The Humanitarian Relief Fund is administered by an elected committee consisting of Pat Mann, Winnie Mae Eads, and Betty Williamson, chaired by First Vice District Governor, Chris Moorman. District Governor Eddie Risha, Immediate Past District Governor Paul Eads, Cabinet Secretary Minette Chiu, and District Treasurer Glen Starr are ex-officio members of the committee.

Who Do You Know to Ask to Join Your Lions Club?

District 2-S2 Membership History

Membership Recruitment

Every club needs members in order to achieve its service goals for their community. Just as important, new members provide clubs with fresh ideas, new projects, and additional ways to make a difference in the community. Every club should name a club membership chairperson to organize membership growth efforts and ensure the goals are being met.

Just Ask! New Member Recruiting Guide for Clubs

This step-by-step guide is designed to direct your club through the process of recruiting new members and effectively managing club growth.

The concept is really that simple - Just Ask! - and the guide will help your club prepare an effective outreach plan through a four-step process for recruiting new members;

1. Preparing your club
2. Creating your club's growth plan
3. Implementing your club's growth plan
4. Welcoming and involving your new members

Membership Recruiting Strategies

- Open House/Lions Pride Night
- Booth at Special Event
- PSAs on radio and cable
- Provide info to new homeowners
- Group presentations (PTA, etc)
- Personal contact
- Membership drive/contest
- Letter writing
- Relatives of charter members

These are just a few ideas that can be initiated throughout the year to continually work on your club's membership. Let's reverse the trend in the membership graph above in District 2-S2. Invite others to share your Lions pride and to share in the joys and rewards we know through community service. Don't keep your service a secret!
