Thoughts from your District Governor

Celebrate Good Times

April 2011

It's great to be a Lion in District 2-S2. Let's get out on Monday evening March 28, 2011 for the Charter Banquet for the University of Houston Lions Club and support the future of our Association. The guest speaker will be PCC Joe Al Picone who is currently serving as MD-2 Campus Club Chair and is also an endorsed candidate for International Director to be elected this July in Seattle, Washington at the International Convention. The University of Houston Lions Club has been very active since their beginning as a branch club last year under IPDG Chuck Martin. Many thanks to the nurturing by IPDG Chuck to get this club formed.

The District Convention will be coming up soon (April 30, 2011) and I encourage you to get your registration in before Wednesday April 6, 2011 to take advantage of the early registration for the complete package (\$99 for all events). A first-class accommodation at the Hilton Houston North Hotel for \$89 per night plus tax is also a bargain. You can register through the district website soon or look for an e-mail announcing registration details.

Friday evening entertainment will be dinner and dancing with the Randy Meadows Band, a local Houston favorite country entertainer. Saturday will be a full day with something for everyone. Our breakfast speaker will be Ms. Lee Boncher, Director of the Macular Degeneration Foundation who also knows first-hand the challenges faced by those who are sight-impaired. The PDG Association lunch will have some very deserving Lions receiving the Distinguished Achievement Awards. Sessions have been added this year for New Member Orientation, plus training for newly elected club officers. At the Saturday evening banquet you will see some of the results of the work we do as Lions. Several individuals will share their stories of how their lives have been changed for the better as a result of Lions.

Thank you for allowing me to celebrate the good times with you as your District Governor this year.

Yours in Lionism,

Glen Starr

Let's have a great year!

Thought's from the First Vice District Governor:

KEEPING THE DREAM ALIVE

Isn't it hard to stay enthused sometimes? Don't you just want to say "I've had enough of this" some days? Do you find yourself getting a "bad attitude" now and then? Of course you do. WE ALL DO! I'll bet even old Melvin himself had a bad day now and then and maybe even thought about hanging it up once or twice (OK.... that's just conjecture on my part and has no basis on actual history, so please don't give me any grief over it!). Well, some days are like that for all of us! NO....I'm not having one right now! But I have had them. Admit it, you have too. We all get the blues now and again.

Many of you have heard me say during my Team Leader trainings that "you have to be enthused even when you don't feel enthused". You know....keep your game face on. And in Lions that means a happy and dedicated face! So, now you're asking yourself, "How do I do this? Just what is FVDG Rick talking about?" Trust me; I know firsthand how difficult it can be to stay focused on our Lions obligations and programs. Do you have any idea how hard it is to come up with a unique newsletter article every month? Now you are starting to chuckle! See how easy it is to change an attitude? I am going to offer a few suggestions on how to keep that smiley face on and how to "Keep the Dream Alive".

That's the first one right there! SMILE!!! We all know that it takes fewer muscles and less effort to smile than it does to frown. It is true. When you relax the muscles in your face you are smiling! Like the song says, "Smile! And the world smiles with you." You have to make your Lions life fun. When the going gets tough, the tough tell jokes! Keep it loose. You are a Lion, the Kings (and Queens) of the service organizations world wide. You are a part of the largest and greatest charitable organization in the history of the world. Now THAT'S something to smile about, isn't it? Make your service FUN. Even the work days are fun when you are with your Lions Family and experiencing the fellowship and camaraderie that comes with serving others.

That's the next suggestion. Remember what it is that we do. WE SERVE! This is our dream. We dream that everyone will someday become a part of this great organization or one like it and that our government and all governments will be able to get out of the welfare business. I believe that the private sector (that's us) should be allowed and be able to help ALL of those in need. I know that is a big dream but it is a dream nonetheless. Imagine the "thousand points of light" of service from the private sectors becoming a million points of light and even a billion points of light. Allow our governments to govern. Allow us TO SERVE! Remember the joy you get from your service as Lions and you WILL stay enthused.

Keep an open mind. Thomas Dewar said "Minds are like parachutes --- they only function when open". Allow your fellow Lions to promote their ideas and notions. There are no bad ideas, only untried ones. Give new suggestions a chance. This is a great way to get other members of your Lions family involved and that will keep them enthused and will help you to stay enthused also. You can spread the light two ways, "be the candle that gives the light or the mirror that reflects it" (Edith Wharton). Either way, you will be spreading the light of Lionism and Service to those who are in need. THAT will keep you enthused!

Keep your club (and yourself) busy! I know from personal experience and I am sure you do too that "the more you give the more you receive". A busy Lion is a happy Lion. We all need to feel like a part of a family and our Lions clubs are an extension of our families. Jane Howard said "Call it a clan, call it a network, call it a tribe, call it a family. Whatever you call it, whoever you are, you need one". I call it a LIONS CLUB! Remember that your club (and life) is like an escalator, you can move forward or backward....you cannot remain still. Your club and your club's enthusiasm and your own enthusiasm will grow if you are out practicing what it is that we do..... SERVING!

You have the heart of a LION....that heart beats an average of 100,000 times per day. MAKE THOSE BEATS COUNT! You will be enthused!

(Master of Procrastination)**

Thought's from the Second Vice District Governor:

Let's all spend a few moments of prayer for the victims of Christchurch New Zealand and especially Sendei Miyagi. The disaster in Japan is unbelievable. The earthquake was bad in itself, but the tsunami was worse. Hundreds of people were swept away. In one coastal city, 9500 people are missing. The tsunami created problems at the nuclear power stations by damaging the standby generators that would allow cooling the power rods. Then the possibility of nuclear melt down has occurred. If this wasn't enough, a volcano erupted. The Lions are to be congratulated for sending help to both countries. The Lions on the ground in Japan are providing water and food for the victims. Lions Clubs International Foundation is providing over U.S. \$1.25 million, or 100 million Japanese Yen, for immediate relief from the devastation of earthquake and tsunami in Japan. This includes major catastrophe and emergency grant funds as well as designated donations from Lions around the world. The Foundation has established a designated fund to directly support this disaster. LCIF is also monitoring the impact to other Pacific Ocean nations. Lions in Japan are coordinating their relief efforts via social media and are using the Japan Lions Office in Tokyo as emergency relief headquarters. Donate online at www.lcif.org/donate. Select Disaster and include "Japan Earthquake/Tsunami" in the comments section.

This is one of the biggest reasons I became a Lion. When I was about 25 years old, I traveled to Guayaquil Ecuador. We flew into Guayaquil on a modern jet airplane and walked through a modern glass and steel airport and got into a taxi to be taken across town to the hotel. We traveled through a poor section of town where the streets were crowded with people. The taxi literally pushed people away in order to continue. In order to avoid looking at a possible accident, I turned away and looked out the side window. I observed a small naked child in the gutter of the street fighting with a large sewer rat for a scrap of food. You can imagine how a young father would be affected by such a scene. I was devastated by a feeling of hopelessness. The depression was overwhelming. There was absolutely nothing that I could do to alleviate the situation. The problem was too big for an individual to accomplish anything. Later while in New Delhi India, I saw people stacking bodies on push carts early in the morning. I was told that poor people sleep in the doorways of shops and die in the night, so this activity was common. In parts of Mumbai, hundreds of children will surround the taxi begging for money when they see a foreigner. This is truly unbearable.

Later that same year, while driving across Venezuela, I crested a hill and saw a beautiful small school building that just sparkled in the sun. As I passed it, there was a sign out front that said the school was built by the local Lions Club. I remembered that my father-in-law was in the Lions Club and decided that once I stopped traveling around so much that I should consider joining the Lions.

After I joined the Lions, I learned that it is a world wide organization that wasn't afraid to tackle big world problems such as river blindness.

So now **YOU** know why **I** became a Lion.

PSC Meeting

**Presidents and Secretaries Council meeting
December 1, 2010
Come early to eat, Meeting starts at 7:00 pm**

**CHINA BEAR RESTAURANT
located at 15000 I-45 North
On the northbound feeder road.**

Hello from the Presidents and Secretaries Council.

Our next meeting will be April 6, 2011 at the China Bear on I 45 at the Airtex Exit.
Your attendance and support is greatly appreciated.

If you have this by March 22 you can order your tickets on line for the Lions Night at the Rockets. The game is Wednesday March 23, 2011 at the Toyota Center at 7pm.
Go to Rockets.com/tickets/Promo code Lions. Tickets are \$20, \$40, and \$75 of which \$5 goes to the Eye Bank. If you have deep pockets you can purchase the \$150 Club Seats and \$25 will go to the Eye Bank. Paul and I will be there. There will be an eye glass collection table and 20 Lions will go out on the court to high-five the rockets. This will be a great chance for Lions to shine.

Our program for April 6 will be about a Community Service Project. You will hear about creative teachers talking about getting our children to think outside of the box. Because of the cost of out of school field trips these teachers have in-school field trips. There is still a cost, but because these teachers thought outside of the box, attended workshops, applied for and received a grant it made me wish I was at that middle school. It will be worth your time to come and listen to this presentation.

Convention is coming fast. The last night to register at the reduced rate will be at the P & S meeting April 6. Kathy Bleakley will have applications and you can give her your check at the meeting. After April 6 the prices for Convention (April 29 and 30) will go higher. Kathy and her committee have kept the prices at the usual rate from past years. Please come to the convention and support your District and Have Fun. This will be a double celebration completion of Gov. Glen's year and the advancement of our new Governor Rick Reynolds. Come and be a part of this event. You must make your own hotel reservations Rooms \$89 for a limited number.

One more thing, we will elect a new P & S President and P & S Secretary at the June meeting.

Project is to replace the current wood deck of the walkway with composite boards. This will require that all of the old decking be removed, hauled to the disposal area, and additional support boards be installed before the decking is attached. A skidloader on tracks will be available to move the old lumber to the trailer for transport and to relocate the new materials from the storage pile. There are four areas of the boardwalk that can be worked on simultaneously. New boards will need to be cut to the correct length and installed with screws. Power for the tools will be provided by generators.

The plan is to start Friday morning April 1, at sunrise, 7:27 am, and hope to finish by Saturday evening. This will require about 40-50 Lions with minimum skills to get the walkway finished as expected. Lions can save the camp about \$50,000 by doing this project.

1VDG Rick Reynolds will provide 4 of his carpenters, a dump trailer and miscellaneous equipment for cutting and installing the boards.

1VDG Anse Windham will provide meals for both lunches and maintain a coffee pot for the morning.

NEEDED: Lions as workers, Two-Three Lions from each district would be ideal.

CONTACT 1VDG Rick Reynolds at ricke2424@yahoo.com or 1VDG Anse windham anse@awindham.com to commit or for more info.

WORK FOR THE GOOD OF OUR ENVIRONMENT AND OUR COMMUNITIES FOR ITS PRESERVATION AND SAFETY.

If one was paying special attention to our articles that we have been writing on environment issues, one would have noticed our major concerns – degradation (harmful act) and restoration (productive act). Some people become so entrenched in the former activity that it becomes second nature in other words a way of life. Destroying our ecosystem and creating an imbalance in our environment is one of the most unsightly, destructive and inconsiderable action one could ever be a part of. Let us turn over a new page and begin to work more diligently and creatively for the good of our communities and the nation at large.

As the month of April is fast approaching; under the environmental preservation act, the theme for the month addresses the preservation of the life forms on earth. On that note please ensure that you have environmental related projects that you will be working on. If you need any suggestion you may refer to article number one in August 2010 newsletter where the committee highlight projects that will create a positive change in the communities or the previous news letter where our district governor speaks at length to these issues. Provided you need further assistance we are here to help you. Please let us not just consider April 22, 2011 (Earth day) as the only day that we will recognized under this theme but starting from today we will put into action how to preserve our environment thus making it a safer place to live.

LIONS DISTRICT 2-S2 CONSTITUTION AND BY-LAWS 2010-2011 PROPOSED AMENDMENT #1

To bring District 2-S2 Constitution more in line with the Lions Clubs International Constitution and By-laws, Lions Clubs International Election Guidelines and Robert Rules of Order we recommend the following changes.

Remove the areas with strikethroughs and renumber and re-letter Section 3

ARTICLE VII - DISTRICT ORGANIZATION

Section 3 District Governor

(b) Election

The election of a District Governor must conform to the Lions International Constitution and By-Laws. The following procedures and rules shall apply in lieu of more definitive provision in said International Constitution and By-Laws.

- ~~(1) There shall be no "write in" votes cast for the office of District Governor except as hereinafter provided.~~
- (2) Nominations for the office of District Governor shall not be made from the floor of the District Convention, except as hereinafter provided.
- ~~(3) In the event there is only one (1) candidate, the ballot shall provide for a "yes" and a "no" vote. A majority of "yes" votes shall be required to elect.~~
- ~~(4) In the event the majority of votes are "no" then and only then, can nominations be made from the floor of a duly notified Convention Assembly. Procedures as heretofore and hereinafter provided in all respects shall apply except that the nominees name need not appear on a printed ballot.~~
- (5) In the event the District Convention convenes with no pre-endorsed (pre-nominated) candidate, then nominations from the floor of a duly notified Convention Assembly shall be the order of the day. Each nominee for District Governor must satisfy all the requirements as stated in Lions International Constitution and By-Laws.
- ~~(6) In the event there are three (3) or more qualified candidates, a plurality shall elect.~~
- ~~(7) In the event of any tie votes, immediately after tie tabulation, a second (2nd) vote shall be taken, and if still ends in tie, the decision shall be determined by lot.~~

Add the following from the Standard Form District Constitution as recommended by Lions Clubs International.

(C) BALLOT. The election shall be by secret written ballot, with the candidate or candidates required to secure a majority of the votes cast by the delegates present and voting in order to be declared elected; for purpose of such election, a majority is defined as a number more than one-half of the total valid votes cast excluding blanks and abstentions. If, on the first ballot, and subsequent ballots, no candidate receives a majority, the candidate or tied candidates receiving the lowest number of votes shall be eliminated and balloting shall continue until one candidate receives a majority. In case of a tie on any ballot, balloting shall continue on the tied candidates until one is elected.

LIONS DISTRICT 2-S2 CONSTITUTION AND BY-LAWS 2010-2011 PROPOSED AMENDMENT #2

It is recommended that the number of cabinet members needed to constitute a quorum be changed. This change would ensure that business of the district can be conducted if there is a low turn out at cabinet meetings.

Article VIII, Section 2.

Authority: The Cabinet shall function within the limits of the International Constitution and By-Laws and this document. The Cabinet shall be the Executive Body of the District, and as such, all corporate powers of the District expressed or implied, are vested in the Cabinet. ~~A majority of the Cabinet members shall constitute a quorum.~~

The attendance of a majority of the officers of this district, as listed in Article V, shall constitute a quorum for any cabinet meeting.

~~When determining the number of cabinet members required to constitute a 2/3 (two-thirds) majority or a quorum, absent Past District Governors who are not Committee Chairmen or Co-chairmen shall not be included.~~

**LIONS DISTRICT 2-S2 CONSTITUTION AND BY-LAWS
2010-2011 PROPOSED AMENDMENT #3**

Add Immediate Past District Governor to the list of District Officers, to be more in line with the Standard Form District Constitution from Lions Clubs International.

ARTICLE V - DISTRICT OFFICERS

The officers of the District shall be the

- District Governor
- First Vice District Governor
- Second Vice District Governor
- Region Chairmen
- Zone Chairmen
- Cabinet Secretary
- Cabinet Treasurer
- Directors of the Texas Lions Camp, Inc.
- Trustees of the Lions Eye Bank of Texas
