District Governor Fred Wuensche

Hello, Lion Family:

By the time you read this, we will be ready for our District Convention. I hope you have made arrangements to attend this important event. There are at least four reasons to attend. First, we are going to elect leaders for the 2005-2006 Lions Year. Second, there is important business for you to decide, that of State and District dues. Third, the Convention brings learning opportunities, both formal from our Leadership team, and also informal in meeting with representatives of our charities. Fourth, the Convention is the time we celebrate all the fine achievements you're accomplishing this year.

Saturday, May 14th is the celebration of the founding of our newest Lions Club in 2-S2, the Montgomery County Hispanic Lions Club, which will meet in Conroe. This is the first new Lions Club chartered in 2-S2 in three years. I know you will want to attend their Charter Banquet to help welcome them to Lions and 2-S2. PID Connie De La Garza from Harlingen will be the Keynote Speaker. You can find signup information for this event elsewhere in this newsletter.

A lot of hard work is being done on the Extension of Lions with new clubs this year. The Conroe Noon Lions made a club project out of formation of the Montgomery County Hispanic Club. Greg Smith, Wayne Mack, and company have a lot to be proud of. Two more clubs are on the way. Copperfield is almost finished, and Houston Northwest is well underway, thanks to Extension Chair PDG Cliff Burke and Lion Kay.

By now many of you know that I was called to Oak Brook, Illinois April 7-9, to attend a conference at Lions Headquarters. There I learned that I had been assigned to a team of 30 Lions from around the world who are tasked with implementing the goals of next year's President, Dr. Ashok Mehta. I was one of only two District Governors present; the rest were mostly Past International Directors. My task will involve being a resource to the Multiple Districts in Texas, Oklahoma, New Mexico, Arizona and Colorado.

Momentum of our Lions District is very much on my mind now that we are entering the final two months of our Lions Year. It's important that we have a strong finish to this year so that we can already be in motion when VDG Buzz comes back from Hong Kong as your next Governor.

Finally, thanks to all of you for your expressions of support and your prayers about Lion Judy's medical condition. Her surgery is scheduled for May 4th, and at this time we are not anticipating the need for either chemotherapy or radiation treatments.

Vice District Governor C.W. “Buzz” Goins

A point to ponder: Carpe Diem!

One more month has flashed by much too fast. Much has happened, and much is left to do.

A few words need to be said about the District Convention on 29, 30 April and 1 May at the Sheraton North Hotel on JFK Boulevard in route to Bush Airport. We need to clear up a couple of facts that seem not be well known. First, the convention belongs to all the Lions of District 2-S2, not the cabinet, not the region and zone chairs, and most of all, not the District Governor or the Vice District Governor. The aforementioned are your elected and selected servants, if you will, for the year. We are the representatives of the membership - nothing more. The membership pays for the convention; not all of the expenses, but certainly enough in spirit, to retain ownership.

The question of who goes to the convention should be a moot one, leaving the obvious, “Anyone Lion who wants to go.” Now to the cost, the convention is free – participation in the pageantry requires money. You, as Lions, can attend any of the training programs or visit the exhibits at no cost. It goes without say, that certified delegates can vote. If you are hungry, you may eat in the hotel restaurant or go elsewhere. If you choose to join us for breakfast, lunch, the banquets or the Friday night party, you will need a ticket. In **either case** you will need to register for the convention and get a badge (pass) that will identify you as a Lion or a guest of a Lion. The Agenda, Registration Form, etc. are available on the District Website or in this newsletter.

Speaking of training, we are offering New Club Officer, New Member Orientation, and LEO Club Officer Training in morning and afternoon sessions. Money is not a deciding factor in attending these programs. Therefore, each club has a duty to see that the new members and officers attend these programs as necessary. This duty is applicable to all clubs sponsoring LEO clubs.

Important Note As this was being written, I was contacted by the hotel for the list of rooms that we will require. Please register as soon as possible. The unused rooms must be released or we pay for them.

As advertised at the PS&C meeting, the room(s) raffle was a “flop” (mea culpa), and we have converted it to a \$5.00 per ticket 50-50 raffle. The winner gets half, and the convention gets half. All previously sold tickets will be refunded or converted on an equal dollar amount to the 50-50 raffle at \$5.00 per ticket. Now we can sell to the public as well as to ourselves. This could be a significant prize.

All Committee Chairpersons are reminded to bring their displays as per the MWLLC. Also, we want each club to bring their Banner.

Attend your convention and celebrate 87 years of Lionism in District 2-S2.

Yours In Lionism

C. W. “ Buzz ” Goins

Helllloo Lions of District 2-S-2,

Well we had another smashing success of a meeting. It was a great pleasure to have the program given by Tammy Hunt with the Wonder Dog Diego. It is truly amazing what animals are capable of, and remember they will also be attending the conference coming up, and as our illustrious VDG Buzz say's "they will be on the main stage". It was also a great pleasure to present Tammy with \$135.00 for expense money. It really makes Governor Wuensche's motto "2-S2 we are proud of you" really stick! And Governor Wuensche's graciousness for volunteering to be the Representative of LPCCI makes me proud that **he** is currently leading **us**.

I want to give a warm welcome to Raul Ramos , President of the newest club "The Montgomery Hispanic Club"

At the next meeting, we will be given a presentation by Jerry Epstein on "The Conflict Between Science and Politics and the Failure of the Drug War." This program has been given to Newspapers and television programs and should be very interesting. (Do not worry it is only 20 minutes☺)

And last but not least I failed to announce☺ that Ann Maxwell(281-446-7512(tymewarp50s@hotmail.com)) is heading up the nominating committee for President's and Secretaries for the upcoming year(2005-2006) for the P&S Council. Please have all of your recommendations to her for the upcoming P&S meeting on May 4th so they may be nominated and the vote will be cast on the June 01,2005 meeting.

Thanks' again for the great attendance and support,
Larry T. Snider II
President of 2-S2 P&S council

PSC MINUTES FOR APRIL 2005

Call to order April 6,2005 @ 7:05 P.M.
Invocation – Lion Wayne Mack
Pledge – Lion Art Drouin

Guest Speaker: Mrs. Tammie Hart, presented us with her program titled "Exceptional Dogs for Exceptional People." This program is a Lions Project for Canine Companions for Independence. This program provides specially trained Service dogs to give independence to individuals with disabilities. These dogs are trained to provide assistance to people who use wheelchairs such as opening doors, turning light switches on and off, by retrieving things that fall, and carrying small objects. These service dogs enhance self-reliance and independence for people with mobility challenges. But most important they provide companionship with love to the people they serve.

In another program these dogs can be trained as Hearing dogs. This program is similar to the Lions Leader Dog For the Blind program. The Hearing Dogs enhance independence to people who are deaf or hard of hearing. These dogs are trained to alerting their leaders to sounds such as the telephone ringing, a knock at the door, fire and smoke alarms, and kitchen timers. Hearing dogs can increase their leaders feelings of security, confidence and companionship.

CCI's mission is to provide loyal canine partners for people with disabilities, helping them to achieve a greater independence in order to live a happier, more fulfilling life.

SUNROOMS DISSOLVE STRESS BY OFFERING RELAXING ENVIRONMENT

Ladoris may not be a ruler, but she is a great song leader for the District. PDG Cates (Doc) you will need that ruler again to build the sunroom for Ladoris, 6" at a time.

Stress is an unwanted and potentially harmful guest in our lives. Most Americans are looking for a relaxing retreat from the pressure. Sunrooms rejuvenate homeowners by offering an environment full of natural light, an open-air feeling, and a view of the outdoors.

According to Health Response Ability Systems, when stress is frequent it creates wear and tear on the mind and body. They report that the best strategy for avoiding the negative effects of stress is to learn how to relax by "tuning out your worries". It suggests noticing "sunrises and sunsets, the chirping of birds, the rustling of leaves and the colors of nature".

Sunrooms create a refreshing environment in the home for those looking for a retreat. In fact, relaxation is the No.1 reason homeowners add a sunroom.

Customers say that they never imagined how often they would use their sunrooms. They do everything from eating breakfast to paying bills in the enclosure because they feel that the stress is lifted off their shoulders the minute they enter the room.

The attraction to the sunroom environment can be explained due to the fact that natural light is essential to persons' mental well-being.

Studies show that sunlight can actually alter our moods, improve our health and increase our energy levels. Sunlight has proven to increase many people's energy levels as much as 24 percent according to Current Health magazine.

Sunrooms are an open and sunny retreat designed to put you in a good mood. People find that they are drawn to their sunroom because they feel happier and more energetic when they are in a glass room full of light.

Sunrooms are becoming one of the most popular additions to the home.

Fifty-one percent of today's home buyers identified a sunroom as a most desirable design element in the home.
