This year has about drawn to a close. The convention is behind us and now we can look forward to the State Convention in Corpus in a few days. That is those of us who are going.

A BIG TEXAS 2 S2 THANKS to Lion TONY & his staff who did a marvelous job with the convention, not only starting everything on time but it ran so smooth that we were always finished early.

Thanks to the generosity of some of the greatest LIONS anywhere we will have every club 100% at the CAMP & I think this is the 15th year in a row. By the time all is said and we will have contributed over 60 thousand to the camp this year.

The next Cabinet meeting is being sponsored by the Bellaire LIONS Club on June 8th. The 100% presidents & secretary awards plus a few other will be given there.

This has been a rewarding but fast year.

See you June 8th.

Lions we had a great convention, now that the officers have been picked for the cabinet. I ask all Lions to get behind them and help to make this another good year. Our number one project for the coming year should be old man MERL, he has been around for quiet a while and if we don't follow leadership we will fall behind.

(Membership, Extension, Retention. Leadership)

With out Mr. MERL we can not exist. Getting new members is easy to do. Let's all pitch in and get a new member for Governor Otice so he will be a plus this year. I promise I will get another one before the year is over. I have enjoyed visiting all the clubs this year and look forward to visiting them again this coming year. I want to thank all the clubs that got for the kids out to fish. There were seven clubs that showed up and over 50 kids, so we had a great day and there were some fish caught. I want to thank all the Leo's for there help and hope to see them next year. Everyone enjoyed the hot dogs, chips and cool drinks. Thanks to all the Lions that helped to make this possible for all the kids to have a great day. And Big thanks to all the clubs that aided the Houston Korean Lions Club with their 100% donations this year, shows that Lions help Lions as well.

The May PSC meeting was held on May 1, 2002 at the Furr's Cafeteria 10950 North Freeway, Houston, Texas. The meeting was called to order at 6:55 p.m. by Lion President Chuck Martin who decided to start the meeting a little early due to the long sign-up list of announcements. Lion President Chuck Martin announced that before you can come into the room you must pay your meal ticket and have the cashier stamp your ticket paid or the Tail Twister will find you. He reminded us that you must give your receipt to the cashier upon leaving the cafeteria.

Lion David Bazinet (Tomball Rising Stars Lions Club) gave the Invocation.

Lion Art Drouin (Conroe Noon Lions Club) led the group in the Pledge to the Flag.

Lion Bob Otto made the motion to suspend with the song since Lion Ladoris Cates was absent.

The motion was approved unanimously.

Lion President Chuck Martin appointed a secret, stalwart Lion to be the Tail Twister for this meeting, and he warned us to be good because the Tail Twister would be working under cover until a Lion was fined. The suspense was short-lived as Lion Eddie Risha surfaced as the Tail Twister working under cover. Lion President Chuck Martin announced that he has several candidates for the office of P&S Council

President and one possible candidate for the office of P&S Council secretary. We will hold the election of new officers of the P&S Council at our June meeting.

Lion President Chuck Martin introduced Lion Larry Morgan, who is the Executive Director of

The Lions World Services for the Blind which is located in Little Rock, Arkansas. Lion Morgan will tell us about their program tonight. He started off with three good jokes. He told us that their program teaches people how to live without sight. The Lions of Arkansas Founded Lions World Services for the Blind in 1947. From that early beginning, LWSB has become the largest and most comprehensive training center for blind adults in the world. Over the last 54 years, over 8300 blind adults have come to LWSB in Little Rock, Arkansas from all over the World. They have trained blind adults from all 50 states and 56 other countries. LWSB gives credit and they're Thanks to Lions of the World for their growth and success. Last year they had 261 blind adult trainees. Only about 25 % of the trainees come from Arkansas. LWSB offers 30 personal adjustment to the Blindness training programs. They offer 16 vocational rehabilitation programs. Personal adjustment to Blindness means to teach blind adults to do what sighted people take for granted, such as picking the color of your clothes to wear today. To do the everyday things that sighted people have to do in their everyday living. They teach both the new blinded, as well as long-term blinded adults to live independently in their own home, and train them for careers in blue and white collar jobs that allows them to keep their self-respect. LWSB teaches courses in everything from small engine repair,

Training blind adults for jobs with the IRS, and computer technology. LWSB is the only training facility that qualifies blind adults to be Certified Microsoft system Engineers. LWSB wants you to stop by for a visit. When you are in Little Rock. LWSB thanks all the Lions in District 2-S2 for their support over the years.

Lion President Chuck Martin announced that several clubs had signed the parade of checks list. He reminded them that they could not present their check unless Lion Judy Champion had stamped their hand.

District Announcements:

PDG Tony Wenzel announced that his InFocus team is going to return to Nicaragua in July to continue their training workshop. He is available to present a program to your club about this vital program. He is still in need of several hundred dollars to fund this trip.

Lion Judy Ball announced that she has received a donation of Lion pins to replenish her supply. Her supply of the new district pins is down to four, so get yours tonight.

PDG Tony Braddick announced that we had a great convention, with very good attendance. The food was great, with good speakers and good entertainers, and all the scheduled events were started on time.

There were 136 delegates at the convention. PDG Tony urged us all to help PDG Lenny Holzband with working and planning next year's convention. The best convention will not be the best if you do not attend. He thanked all the clubs that sponsored the different events and all the Lions for their hard work.

Lion Ronald Landers reported that he had extra copies of the convention books available

If you need them for your club or advertisers. Please send in the money for the ad sales. He announced that he needs to receive PU-101 forms from 14 clubs now. He needs this information from the club secretaries to finish the district directory for the new Lion year.

Lion Terry Landers announced that the newsletter deadline is May 18th. He reminded us To let him know how you want to receive your newsletter. You can receive it by e-mail, Or download it from the web page, or by regular mail. You can save the district money by Electing to use e-mail or downloading. Please fill out form on page 14 of May issue.

Lion Bob Otto announced that he is very disappointed in the sale of the tickets for the Lions Club Night Out at the Astro Ball Park on May 14th. The deadline for ticket orders

Is May 3rd. You only have 2 more days to order your tickets. So far only 280 tickets have Been ordered. He wants to see you at the game. DG Otice Parker needs 1000 Tickets to be Sold in order to throw out the ball.

PDG Harry Goetzman announced that PID Jimmy Ross had asked him to thank everybody That voted for him at the convention. PDG Harry can sell you a PID Jimmy Ross hat for ten Dollars. You can not wear it until He is elected at the State Convention in Corpus Christi. PID Jimmy is a candidate for the office of Second Vice President of Lions International.

Lion Barron Cagle, who is a director of our Lions Camp, announced that the Korean Lions Club Does not have the money to pay their 100% Charity Fund contribution this year. Lion Barron asked Clubs for Pledge donations to fund the 100% contribution to the Lions camp.

Hardin Lions Club Honors Hardin Firemen

HARDIN, **May 14, 2002** - Tuesday evening the Hardin Lions Club Honored the Hardin Fire Department with a dinner at the Loins Club Building in Hardin.

From Left to Right... Harry & Glenda Ullery, Sean Webb, Rachel Simmons, Jasper Stanely, Ed Webb, Debbi Janssen, Laura Powell & Craig Powell,, Wanda & Morris Nelms and Chris LeNormand

Hardin Fire Chief Sean Webb reported on the Shattered Dreams project recently conducted at Hardin High School and how improving the fire department can lower the cost of property insurance for home owners in the district. Chief Webb expressed his appreciation for fire hydrants in Hardin but encouraged everyone to support efforts to improve the water system that provides the water to fight fires.

Christel Smith presenting Chief Sean Webb with \$150.00 Donation to the Fire Department from the Hardin Lions Club.

The Hardin Fire Department's District is the second largest in the county serving the community with 1972 Model Fire Trucks. Hopes are high that this will change and latter model equipment will be available to the department soon. The department has 17 Fire Department Members.

The Hardin Lions Club donated \$150.00 to the Hardin Fire Department and presented a check to Chief Sean Webb at Tuesday's appreciation dinner.

6th ANNUAL LIONS FISHING WITH KIDS

Kids fishing – 52 ~~~ Lions volunteers – 28

Representing 8 different District 2-S2 Lions Clubs Hardin Leo Club – 8 members

Lions District 2-S2 held its 6th annual Lions Fishing with Kids on Saturday, May 4, 2002. All our volunteers gathered for an early start on the docks of Lake Houston Marina on the shore of Lake Houston, right outside beautiful downtown Huffman, Texas. By 9:00 a.m., our crowd of kids started to arrive, and by 9:15 a.m., our first fish was in the bucket. The look on that child's face made all the weeks of preparation and early drive to the lake more than worthwhile.

I need to give a special Lions thank you to the great Leos from Hardin, and the Hardin Lions who brought them by bus in order to help "our kids" fish. These Leos were fantastic! What a future Lions will have if we can attract such wonderful young people willing to involve themselves in our community service.

This year represented the largest turnout of kids to our fishing tournament. There were 52 of them! We were packed tight at the marina and the camaraderie between the kids and volunteers was a pleasure to see. Many of the parents got information on the Texas lions Camp and took applications. Some parents told us their children were already signed up for camp and looking forward to their sessions.

I know this had to be our most successful "Fishing with Kids" because by 1:00, we were almost out of hot dogs, our drink coolers were almost empty, and the kids were lining up for their hats, certificates, and trophies. To see these faces as they received their recognition was a beautiful experience. It has often been said that there is no bigger paycheck that a Lion can receive than to see the expression on a child's face after an event like "Fishing with Kids."

Thanks to all the volunteers, and all the people who donated their time, food, services, etc. to this wonderful annual event. Without your help, this event would not have happened. Hope to see you next year.....same time, same place, and hopefully, more fish!

TEXAS LIONS FOUNDATION ADOPTS JUVENILE DIABETES PROJECT

The Texas Lions Foundation is an organization owned and operated by all of the Lions of Texas through a board of Trustees representing the sixteen Lions Club Districts in Texas. The foundation was established in 1984 as a public, no-profit, tax-exempt corporation, and its purpose is to promote human welfare by careful application of contributed funds.

Your foundation has adopted Juvenile Diabetes as an ongoing project. The latest endeavor is the preparation by Dr. Steve Ponder of an 18 minute video entitled "Taking Diabetes to School". This professionally produced film in color is directed toward the classroom teacher in order to better inform them about diabetic students in their classes. This first year we are concentrating on Class 1-A and Class 2-A schools in Texas. Lions Club members have been requested to deliver these videos to the School Administrators in their neighborhood. We will now start concentrating on the Class 3-A schools where there are 225 districts and a total of 851 campuses.

Also this year, the Texas Lions Foundation has issued four emergency grants. These include \$2000 after a flood in Skidmore-Tynan area (District 2-S4); \$2000 following a flood in Stockdale (District 2-A2); \$2000 after a tornado in Hondo (District 2-A2); and \$2000 following a tornado in Decatur (District 2-E2). Emergency grants are limited to \$2000 and can be issued immediately upon receipt of a Grant Application form from the District Governor or Trustee to Executive Director PID Edwin H. Flood.

As this Lions year comes to a close, please remember a good way to recognize the efforts of your outgoing officers is with the Texas Lions Fellow award for \$500 or a Sustaining Member Awards for \$125. All of the monies received for these awards goes in the corpus fund of the foundation and only the income received from these investments is used for grants.

A program regarding the Texas Lions Foundation is available for presentation to a Lions Club, Zone or District meeting. Arrangements may be made by contacting your District Trustee whose name is listed in your District Directory.

15th Annual Lions International Peace Poster Contest

Dream of Peace

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

How the Contest Works

Lions clubs sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2002. Participating students are asked to draw, sketch or paint their interpretation of the contest theme, "Dream of Peace."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to the award ceremony at Lions Day with the United Nations in New York City, New York, USA (subject to change). At the ceremony he/she will receive a cash award of US\$2,500 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony. The award ceremony will be held in February or March 2003.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.

2002-03 Lions International Peace Poster Contest

Contest

“Dream of Peace” is the theme of the 2002-03 Peace Poster Contest. Lions clubs can sponsor the contest in their community for children in local schools or organized, sponsored youth groups. Students, ages 11, 12 or 13 on November 15, 2002, are eligible to participate. Students select a medium as outlined in the contest rules to draw, paint or sketch their interpretation of the contest’s theme.

Lions clubs may purchase a contest kit through the Clubs Supplies Sales Department. A kit must be purchased for each school or youth group sponsored. (The contest must be sponsored by a Lions club.)

Judging

Each poster is judged on originality, artistic merit and expression of theme.

Posters advance through several judging levels: local, district, multiple district and international (semifinal and final judging). At the international level, a group of judges from the media, art, literary and youth community select 24 finalists. From those 24 posters a panel of judges select the grand prize winner. The remaining 23 posters are named merit award winners.

LIVING AIR CLEANERS

FACTS: Plants are Nature's Most Efficient Environmental Air Cleaner!

Studies by the National Aeronautics and Space Administration (NASA) prove that plants not only beautify indoor environments, they make them healthier to live in. NASA studied the benefits of plants for use in future space stations and closed environments. Properly designed indoor planting can provide an inexpensive, refreshingly low-tech means of removing pollutants from the air in offices and homes.

Indoor air is polluted from the various fibres (carpet, fabrics, wall coverings) and solvents (wallboard, paints, varnishes, furniture) we use to build and decorate our homes and offices. Two potted plants per 100 square feet of floor space will help to clean and refresh the air in the average home or office.

Virtually every tropical indoor plant and many flowering plants are powerful removers of indoor air pollutants. Even when you can't smell these volatile organic chemicals anymore they pollute the air enough to irritate your respiratory tract and cause headaches, sinus congestion and fatigue. Below is a chart of the plants in the NASA study that most effectively removed pollutants from the air.

<i>Pollutant</i>	<i>Source</i>	<i>Solutions</i>
Formaldehyde	foam insulation plywood particle board clothes carpeting furniture paper goods household cleaners water repellants	Azalea Dieffenbachia Philodendron Spider plant Golden pothos Bamboo palm Corn plant Chrysanthemum Mother-in-law's tongue Poinsettia
Benzene	tobacco smoke gasoline synthetic fibers plastics inks oils detergents	English ivy Marginata Janet Craig Chrysanthemum Gerbera daisy Warnecke Peace lily
Trichloroethylene	dry cleaning inks paints varnishes lacquers adhesives	Gerbera daisy Chrysanthemum Peace lily Warnecke Marginata

How do you want your Newsletter

With the costs of Printing rising and the Electronic age growing, we need to know if you wish to have your Newsletter mailed to you (hardcopy), or E-Mailed to you (soft copy). Also the newsletter is available for download from the web page. The newsletter printing is the most costly expense the district has. Every President, Secretary, Cabinet Chairperson, Director, and PDG's, even State Chairpersons and Lions International receive a free copy. Some clubs buy subscriptions for their members. Subscriptions will be \$25 a year next year. Ads are for sale in the newsletter and again will increase next year, \$75 for ad panel per year, \$15 for month. Full page Ads will be \$30 per month, District Projects and Resolutions are no charge.

South Montgomery County Lions Club

*****News Flash*****

On Saturday, 4 May 2002, Dr. Carrie Lahnstein and many other volunteers, from *The University of Houston, College of Optometry* provided over 50 vision screenings for contestants attending the Special Olympics Games. These games were held at Delmar Stadium, in Houston, Texas. Those contestants who needed glasses were able to have comprehensive eye examinations and go home with corrective lenses and sports frames. The glasses were provided, free of charge, through vendors. The lenses were donated by *Essilor*; while *Liberty Sports Frames* and *Luxottica* provided sports and traditional glasses frames.

The Lions Club International Foundation donated a \$3,280,000 grant, to Dr. Lahnstein for her three-year study, *"Opening Eyes"*. Among the Lions, District 2S2, non-technical volunteers were Lions: Danny Kainer, President, Kelly Marts, president-elect and Emil Farr, Secretary-elect for the South Montgomery County Lions Club. It was a rewarding day where Lions were able to directly observe and participate in our organization's primary mission in action.

The volunteers and Staff of *The University of Houston, College of Optometry*, with the overview of Dr. Lahnstein's, were most impressive. The next two years for *"Opening Eyes"* should be very rewarding and successful.
