What a year this has been!! And a fast one!! Thank you Lions of District 2-S2 for your support over the last two years. With your help and dedication, it will be a pleasure to report to the State Convention this week in Amarillo, what you have done in 2-S2. Of the two goals set by PCC Dick Robinson CSFII – have at least 5 model clubs and \$200,000 in pledges – our district surpassed that goal. Goal of four (4) new clubs – we have established (3) as of this date, but we have at least one more and perhaps two more to be established by the end of June 2008. We will also have a Branch Club by the end of this month. One of the new clubs was a first for our district and that is a Campus Club at Sam Houston State University. These goals could not have been reached without your help.

Our district convention held on May 2-3 was a great success. Thanks to PDG Tony Braddick and his crew for a wonderful weekend. Friday nights entertainment was outstanding and very informative. Bob Heinonen portraying William Barret Travis was quite a history lesson. Saturday mornings “eye opener breakfast” was equally outstanding. PDG Bill Driscoll, Jr. kept us memorized with his tales of his secret service activities protecting our Presidents of the United States. If you did not make either event, you really missed out. However, at last count over 170 where in attendance over the weekend with 89 delegates signed up to vote and 89 delegates voting.

Congratulations to DGE Barron Cagle, VDGE Charles “Chuck” Martin for their wins. We also elected the following directors to represent us at various charities: Lion Rick Reynolds – Lighthouse; Lion Ann Maxwell – HRF; Lion Paul Eads – Eye Bank; and Lion Betty Goetzman – Texas Lions Camp. Congratulations to all. We will have excellent representation. We will find out this weekend in Amarillo, who will represent the Lions of Texas as director of Lions Clubs International.

Four Lions were presented with the District Governors Appreciation Award for a job well done. Lions Glen Starr, Rick Reynolds, PDG Tony Braddick and PDG Ron Landers. These Lions went above and beyond the call of duty and I thank them from the bottom of my heart.

Four other Lions were presented with the International Presidents Appreciation Certificate – Lions Winnie Mae Eads; Paul Eads; Agnes Sullivan and Charles McDowell.

DGE Barron Cagle received the LCI Leadership Medal for his work in establishing the Houston NASA Lions Club. Congratulations to all. These awards were all well deserved.

Well, it’s time to end this message. This will be the last one from me. Judy Champion and Terry Landers will have to bug Barron and Chuck from now on to get it in on time. In closing I want to thank all of you for the privilege of serving the Lions of 2-S2 and the Lions of Texas. You have been outstanding in your support and I could not have done anything without you. It is a year I will always remember and cherish. I’ve met some wonderful people and my “family” of Lions has grown tremendously. Barron and Chuck, I wish you both a successful year and ask the Lions of 2-S2 to continue their support for both of these men so that the coming year will be even more successful than the past year.

Yours in Lionism

*District Governor Art Drouin*

## Thoughts from the VDG ....

Thank you for a most enjoyable and memorable District Convention Lion PDG Tony Braddick and Lions Rick Reynolds and Thomas Capers, our 2008 Convention Committee. The hotel was great, the programs were engaging, the food was superb, and the fellowship among our Lions was wonderful. Thanks to Past District Governor Bill Driscoll for giving us some up-close, and personal, insight to our government at work during the Nixon administration. (What a treat it was to have opportunity to observe first-hand a new hatch of Yellowed-crowned Night-Herons on the hotel grounds.)

District Governor Art Drouin, your leadership has inspired. You've brought new Clubs, new Lions, to our District. I've had opportunity to observe, first-hand, your diligence and your determination to help our District to grow, and to achieve the objectives adopted for 2007-2008. I applaud your effort and appreciate the many hours you've devoted to District 2-S2.

My personal thanks go out to Lions of District 2-S2 who have honored me with the opportunity to serve as your District Governor, 2008-2009. We have a group of Lions working hard to make the coming year one of positive growth and accomplishment in our District. Your enthusiasm, your energy, and your effort are what are needed to make it happen. I'm looking forward to celebrating **your** successes, **our** successes, throughout our year of service **together**.

**WE SERVE.**

## *Around The District*

The **Alief Noon Lions Club** members are hard at work collecting used eye-glasses for recycling and paying for eye exams and glasses for needy children in the Alief Independent School District. They are planning to have an evening meeting soon so that those members who work outside their area can attend and be a part of planning their projects for the coming year.

**BINGO** is sponsored by **Conroe Noon Lions, Houston Aldine Lions, Houston Memorial Lions, Houston Sports Lions, Houston Spring Branch Lions** and **Humble Lions**. Find a game, enjoy the fun, help support these Clubs' activities. .

The **Brookshire-Pattison Club** will celebrate its 60th anniversary on June 3, 2008 at 7:00 PM. It will be held at the Pattison Volunteer Fire Dept. building at 2950 Fm 359 north in Pattison. All Lions are invited to join them for this event. RSVP to Bill Kitzman 281 934 1832 or [bkitzman@consolidated.net](mailto:bkitzman@consolidated.net)

The month of April was a busy one for the **Cut and Shoot Lions Club** members. They helped with an auction for Operation Graduation for the Caney Creek High School Seniors; they purchased a gong and gavel for the new **SHSU Campus Lions Club**; they held their Spring Auction of unique and treasures, which features something for everyone; they built a wheelchair ramp and a front porch for an elderly couple in their area; they helped their **Caney Creek Leos** with a garage sale; and volunteered their time at the **Conroe Noon Eye Glass Recycling/Manufacturing Center**. Several members devote every Tuesday to this project.

**Deer Park Lions** are continuously doing fund raisers - Casa Ole Gift Cards and Entertainment Books. They are also signing up campers for TLC, collecting used eye-glasses and paying for eye exams for students and seniors citizens.

**Houston Aldine Lions Club's** Lion Gloria Stansky and her merry band of helpers from her Club will be hosting a young lady from Finland as part of the Youth Exchange Program. The young lady will arrive on June 9<sup>th</sup>. If any clubs have some fun activities scheduled, please call Lion Gloria. She will bring the young lady to your event. In addition to their regular support of Boy's

and Girl's Country, these Lions will be helping with supplies for the large group of children recently placed with this facility.

The **Houston Cy-Fair Lions Club** is hard at work, as they are every year at this time. They are working at their concession stand, working at their concession stand, working at their concession stand! at their Lions Park at the corner of North Gessner and West Little York off of Hwy 290. Although this project qualifies as a community service, it also provides the needed funds for this Club's many service projects throughout the year.

The **Houston Downtown Lions** held its 30<sup>th</sup> Annual Golf Tournament on May 21<sup>st</sup>. Everyone had fun and a lot of money was raised.

The **Houston East End Lions** recently sponsored two children to the S.I.R.E. Equestrian Program. This program is an on-going program designed for severely handicapped children, where they are given the opportunity to ride horses while building much-needed muscular structure through the use of therapeutic saddles. .

Our brand-spankin' new **Houston NASA Lions Club** is already hard at work on one of their chosen community service projects. They will be assisting the Bay Area Turning Point, a shelter for battered women and children, with their Annual Food Drive on June 13 and 14. Their role will be to man a booth at an area Kroger's store, asking shoppers for donations.

The **Huffman Lions Club** hosted their Annual Kids Fish at Indian Shores Country Club. They also held a Lions Picnic at the YMCA Center. The whole community was invited.

The **Humble Noon Lions Club** sponsored its Magic Show on May 22<sup>nd</sup> at the Humble Civic Center. It was a real treat for the children in the community. This year's golf tournament has been cancelled due to stiff competition. This Club has sponsored three campers so far this year. **NEW MEETING INFORMATION:** 2<sup>nd</sup> and 4<sup>th</sup> Thursday at J.Christopher's on Atascocita Road.

Thanks to the wonderful support of their community, the **New Waverly Lions** had a very successful White Cane Day. Also, the New Waverly Public Library that this club worked so hard to bring about will be formally dedicated soon.

**Spring Houston Lions** now have a Club postage stamp, in both 41 and 42 cent denominations. For your postage needs, see one of these Lions to purchase your stamps.

### **CSFII NEARS ITS CAMPAIGN END.....**

The SightFirst II campaign is nearing its end....June 30, 2008....and we have surpassed our \$150 million minimum goal world-wide. The last published figures for MD-2 Texas showed that District 2-S2 led the other districts in our State.in contributions to CSFII. "If we are no longer 'leading the pack' we are near the top," reports Lion Billy Chiasson, our SightFirst II Coordinator for the past three years.

As you are all aware, Lions Clubs International Foundation (LCIF) worked hand-in-hand with the SightFirst II crew by designating any \$1000 donation to CSFII to be eligible for a Melvin Jones Award.

It is not too late.....you still have 1-1/2 months to purchase that Melvin Jones award for that special Lion in your club that you have wanted to honor for a long time. And, we have a great day set aside for you to do it. Any day you choose between May 11 and May 17 has been designated Campaign SightFirst II Day. Information about this special day is available on the Campaign SightFirst II web page. Log on to lionsclubs.org and follow the prompts.

This is a once-in-a-lifetime opportunity to put your money to work paying for eye research and eye care for people around the world.

## 21st Annual Lions International Peace Poster Contest

# Peace Begins With Me

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

### How the Contest Works

Lions clubs sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2008. Participating students are asked to create posters visually depicting the contest theme, "Peace Begins With Me."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

### Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to the award ceremony at Lions Day with the United Nations in New York City, New York, USA (subject to change). At the ceremony he/she will receive a cash award of US\$2,500 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony. The award ceremony is scheduled for March 2009.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.

## Honoring Our Flag in June

With June 14<sup>th</sup> long established as Flag Day in the United States, it is important to honor the significance of our flag and to remember a few facts about the flag's origin and evolution.

Elizabeth Griscom Ross, a seamstress from Philadelphia, is said to have been the first person to make an American Flag. According to legend, a special committee of the Continental Congress visited her at her home in May 1776. They commissioned her to make a new flag for the Continental Army. Betsy Ross, as she came to be known, had made flags for ships in the upholstery business that she and her husband started. George Washington preferred a six-pointed star, but Betsy Ross convinced the Committee that five-pointed stars were more easily made. The circular motif in the blue canton was meant to show that not one of the new states was more important than another.

The 15-Star / 15-Stripe flag was adopted in May 1795 after the states of Vermont and Kentucky were admitted to the Union. It was this type of flag that flew over Fort McHenry in Baltimore that inspired Francis Scott Key to write the "Star Spangled Banner."

On April 4, 1818, President James Monroe signed a law stating that the flag would have only thirteen stripes and a star for every state. Tennessee, Ohio, Louisiana, Indiana and Mississippi had been added to the Union by 1818, bringing the number of states – and stars – to twenty. The law also said that new stars would be added to the flag on the Fourth of July following the admission of the new state.

On December 12, 1860, South Carolina seceded from the Union. By the end of January 1861, seven states had seceded, beginning what we know as the Civil War. By the end of 1861, eleven states composed the Confederate States of America: South Carolina, Mississippi, Florida, Alabama, Georgia, Louisiana, Texas, Virginia, Arkansas, North Carolina and Tennessee.

President Abraham Lincoln and the United States government did not recognize the Confederate States of America as a new nation. Instead, their secession was considered an insurrection within the Union. Because of this belief, President Lincoln refused to remove stars from the Union flag. At the beginning of 1861, the Stars and Stripes had thirty-three stars. Kansas joined the Union in 1861, West Virginia in 1863, and Nevada in 1864, although its star was not added to the flag until after the Confederacy surrendered.

On June 24, 1912, an executive order signed by President William Howard Taft standardized the proportions of the flag, the fly (length) and hoist (width) of the blue canton of stars, and the configuration of stars in six rows of eight with one point of each star pointing upward. At that time, forty-eight states made up the Union.

Robert G. Heft – a high school student, designed the current flag of the United States of America in 1958. Inspired by the news of Alaska and Hawaii becoming states, Heft spent a weekend arranging fifty stars on the blue field of the flag for a school project.
