

LIONS DISTRICT 2-S2

Chambers - Harris - Liberty - Montgomery
San Jacinto - Walker - Waller

Thoughts from your District Governor

I truly appreciate the opportunity to have served District 2-S2 this Lions year. Thank you to all those that have served on the Cabinet this year – your contribution has been invaluable. I would also like to thank each of you that came to the District Convention. The band and dancing Friday evening was a lot of fun. I heard numerous comments regarding the excellent meals, programs, and hospitality experienced by all. It was the culmination of many hours spent planning by many Lions, particularly Convention Chair Lion Cathy Bleakley. I extend my sincere appreciation again to Lion Cathy and all those that contributed to our Convention.

Congratulations to District Governor Elect Rick Reynolds, 1st Vice Governor Elect Paul Eads, and 2nd Vice Governor Elect Eddie Risha. They will soon take the leadership reins of the District for next Lions year and lead us to even bigger and better service. Congratulations to all of the other candidates elected at the convention, too. As I write this article, there are 311 new Lions in the District this year (about 20% annual turn-over rate) that are probably uninformed about the charities you have volunteered to represent. So I encourage each of you to be proactive in getting out to all of the Lions Clubs in the District (i.e. don't wait to be asked) to share the mission and program objectives of the charity you represent.

There is still much work to do this Lions year. Let's keep focused on community service work and finish the year strong in terms of membership by asking someone to join our great Association between now and June 30. Thank you for all that you do.

Regards,
Glen Starr, District Governor 2010-2011

PAW PRINTS of 2-S2

Thought's from the First Vice District Governor:

BACK TO THE FUTURE

As I look BACK at the past year and gaze into the FUTURE for next year I cannot help but to get excited about having been given the chance to serve YOU as your District Governor. The last two years have been kind of a blur as Marla and I worked through my service as Second VDG and First VDG. I was able to study and learn from PDG Chuck and soon to be PDG Glen. I watched as they celebrated their successes and worked through their challenges along with them. I applaud DG Glen for his service to us and for all the countless hours and all the effort he has put into his time as District Governor. I watched as he worked tirelessly to bring the “Beacon of Hope” to District 2S2. I thank DG Glen for all the help and guidance he has given me in the past year (and for the even more help he will provide in the coming year!).

I can only hope that I will be able to provide the same kind of service in the coming year to First VDG Elect Paul Eads and Second VDG Elect Eddie Risha. I know that we have put together a great team that will be working together in the coming years to bring fellowship and service to the Lions of District 2S2 and to those whom We Serve. I have asked and will continue to ask all the Lions in our district and all of the many soon to be Lions in our District to “Climb Aboard” the train that is building up steam even as you read this and will be leaving the station in July and heading for new heights of service, fellowship and fun in District 2S2! We will “ride the rails” together and bring that good old Lions feeling back to the Lions of 2S2 and to those whom We Serve.

I promise to work hard to “Keep our Lions Family On Track” and to keep the train headed in the right direction as I serve as the train’s “Conductor”. FVDGE Paul and SVDGE Eddie are already on board and will serve as the “Assistant Conductors” as they are even now tooting the whistle and shouting out “All Aboard”. As our train passes through all of the stations in our seven county district we will be picking up Lions young and Lions old, we will be delivering that Service which Lions are so famous for throughout our area. We will “Grow Our Family” as we roll on down the tracks and the Lionhearted everywhere will clamor to climb aboard. They will see the fellowship and the fun that we Lions have as We Serve and they will see the results of that service as we help those who are in need. They will see right through us to our Lions Hearts as we hold out our hands to those who are a little less fortunate or who maybe just need a hand up or even just some Lion sized encouragement.

“If we build it, they will come” as the movie said. So let’s work together and build this station and build this train and show the world that it is possible for service to our fellow man to come from the heart and that the biggest hearts out there are the hearts of Lions! And the biggest Lions Hearts are in District 2S2! I am proud and honored that you have chosen me to serve you as your conductor in the coming year.

ALL ABOARD!!!!

We wish the best in Ricks recovery

**First Vice District Governor Richard “Rick” Reynolds
(Master of Procrastination)**

Thought's from the Second Vice District Governor:

Well it seems like the morning after the night before. Most everyone enjoyed the convention. That is everyone who was there. What happened to all you other folks? We **need** your participation!

NUF SAID.

Winnie Mae and I have been travelling around the district visiting several of the clubs. Our district is truly dynamic and very active. It's fun to see what other clubs do. It's also a good idea to bring information back to our club to consider.

When was the last time you visited another club (other than your own)? I bet it's been a long time...if ever! You know... our Heights lions are in possession of the ugly traveling gavel... and has had it for over a year! We thought SOMEONE would visit the club and claim the ugly thing... but not yet! The gavel has not been traveling for a loooooong time.

I would like to see all of our clubs visiting each other, and doubling up to help with fund raisers and community activities. It's fun. You make good friends. Both clubs benefit.

If your club is having a fund raiser or some community project, be sure to get it announced and in front of all of us. Send information to Terry so it can get in our district news or on our district calendar that's found on the internet. If you don't, the only people who will know of it will be your own club. **LET US ALL KNOW.**

We all use the P&S council meeting (well almost all of us) to announce our club activities, BUT I, for one, can't remember everything. For the life of me, I can't remember what was to happen today (May 10th). I do remember that something was announced at the meeting but I'm having senior moments. I do remember that May 11th is the dedication of a Lion drinking fountain by the Barbers Hill Lions and May 12th is the Baytown Fish Fry.

Holly Cow! I just realized this month has a Friday the 13th. (be very careful). And by the way... get a calendar and look at July 2011. You will note that the month has 5 Fridays....5 Saturdays..... AND....5 Sundays!!!! No one in your family will live to see this happen again. It will be more than 800 years before ANY month has 5 Fridays, Saturdays and Sundays again.

I've run out of stuff to say, so I'll stop.

Second Vice District Governor Paul Eads

Lions ALERT Teams

This year saw a new program enter our Lions organization in the name of “Lions ALERT Team”. The purpose of this program is to have our Lions clubs ready in the case of natural and man-made disasters. The Lions are set-up to be a first line of service for each of their respective communities and as such they need to have a (DRT) Disaster Relief Team in place ready to hit the ground running. As a club they know their community and its needs and can muster the clubs around them to get the citizens back on their feet and working to help in getting back to some normalcy.

One of the goals of the Lions ALERT Team is to set-up areas of their cities or surrounding areas to house those in need, to move the elderly and to know where we have people bedridden or on oxygen and in other needs we can handle. We can be the extra hands when paperwork is needed to be filled out so someone can find a loved one after the storm. There are so many areas we can and should fill when disaster hits. It only makes sense that the Lions be the ones to fill these jobs. After all our motto is “WE SERVE” and what better way to live this motto?

As the Zone Chair of L-3 this past year, I wasn’t sure what to expect when I went into my first Zone meeting in September. One club plus mine showed up. We had PDG Art Drouin there for LCIF. I was a little embarrassed. After the meeting I reached all the clubs that weren’t there and found they just don’t like meetings. I kept them in the loop through email and when I saw them at the different meetings I attended.

As I have been asked to remain this year’s Zone Chair of L-3, I plan to make a visit to each of my perspective clubs. I will try to make sure the programs of the district are known.

In the Lions service,

Lion Ron Chene, Tomball Lions

PSC Meeting

Presidents and Secretaries Council meeting

June 1, 2011,

No meeting in July, We Resume in August for new Lions Year

Come early to eat, Meeting starts at 7:00 pm

CHINA BEAR RESTAURANT

located at 15000 I-45 North

On the northbound feeder road.

Dear Lion Friends;

Basically I am a "look to the future person". However, I want to talk about last Saturday, May 7, 2011 Aeros and Autos. It is a memory for 2011, BUT it will happen again May 12, 2012. Lions organizing the event, Lions WORKING TOGETHER FOR THE CAMP, Lions helping Lions by driving those carts, picking up people and helping them get to other places, etc. There is a lot of work done. Believe me, we need many Lions for this event. There is something to do for all ages of Lions. The bottom line is to have fun and serve others. Please plan to help May 12, 2012. You will be glad you did! To those who helped this year THANK YOU, WE SERVE.

June 1, 2011, election of officers for next year will be held. Qualifications require candidates to have served as President of your club or Secretary of your club to hold that office on the P & S Council. If you need my help you just need to ask me.

P & S has been a fabulous journey this year for myself as President and our Secretary, Minette Chiu has been "the best" to work with. We worked as a team and got the job done. We appreciate all your kind words, complements and support.

By the time you read this article the Barbers Hill Club will have dedicated their Lion Water Fountain and the Baytown Fish Fry will be getting ready for the Fish Fry next year.

Thank you, Thank you, Thank you. We Can, We Will, We Serve. Lions Roar.

Lion Winnie Mae Eads

Barbers Hill Lions Club

May 11, 2011

City Park of Mont Belvieu

Dedication of the new Lion Drinking Fountain

Lions/Volunteers All:

Thank you! Thank you! ... for your generous contribution of time and talent leading up to, and on, May 7, 2011. Aeros & Autos at Ellington Airport was again a **GREAT SUCCESS** because Lions, and friends, accepted, and met, the challenge to make the event an occasion to remember.

Our "sign in" sheets indicate support from seventy-two individuals representing twenty-one Lions/Campus/Leo Clubs. Aeros & Autos at Ellington Airport would not have been the success it was absent such strong support from Lions and friends.

We look forward to having you all join us again next year on Saturday, May 12, 2012 for the next Aeros & Autos at Ellington Airport.

Barron Cagle

Lions District 2-S2 2011 Convention

LOCAL LIONS CLUB, THAT SERVED THE COMMUNITY, DIES AT 88

by Lion Jim Weed, MD2 Public Relations

The Local Lions Club, a community service organization that built parks, cleaned the highway and helped the blind, died last night. It was 88.

The club died after a long, debilitating illness.

Local Lions Club was founded 88 years ago with the motto, "We Serve," and is remembered for its work in building "Town Park." Although the park is now over-ground with weeds there still remains a plaque with the Lions emblem dedicating the park for use by local citizens.

In its early years Local Lions Club raised the funds needed to purchase a fire engine for the volunteer fire department and provided a building for a fire station in the center of town. Less than a year after the fire engine was delivered, volunteer firemen were credited with saving the local hospital when it caught fire late one night. The fire station was located a block from City Hall on the now vacant lot next to the police department. The city has relied on Neighbor City, 25 miles away, for fire protection in recent years.

At one time Local Lions Club provided free eye screenings. They were famous for providing eye glasses and hearing aids for those who could not afford them. The Club's work helped thousands of people in its 88 years of existence, although that help diminished significantly in its last few years of life.

Local citizens old enough to remember can recall the spectacular July 4th events Local Lions Club presented each year. The club sponsored a July 4th parade and a band concert in "Town Park" followed by a magnificent fireworks display. There is still a small parade each year, but the concerts are no longer held and fireworks are banned because local fire protection is no longer available.

The autopsy report shows Local Lions Club died from complications of apathy after a long illness. The club fell into ill health a few years ago when members starting bickering over internal club politics. The club almost died when the members began to fight over interpretations of the club constitution and by-laws and it is reported that one member became so irritating that other members began to resign. Some members developed "IAMS" (It's About Me Syndrome) and lost their memory of the motto "We Serve." It became impossible to get enough members to continue community service projects.

After the upheaval it looked like Local Lions Club was recovering when a new membership campaign brought the club back from the brink of death. The new members, however, did not receive the proper orientation and were not made to feel welcome and valuable to the club. As a result the club developed an apathy infection.

Club members stopped attending region and district meetings and the district failed to recognize how ill the club had become. The autopsy shows that if the apathy infection had been diagnosed and treated earlier the club might have been saved.

As the apathy infection spread through the club, members no longer stepped up to take leading roles. It became difficult to find members to run for club offices and in the end no one ran at all. After being in a comma for the past six months the last 3 members decided to end life support and the club died quietly last night.

Local Lions Club is survived by a now run-down park and fleeting memories of older citizens. There will be no funeral or memorial service because there is no one left who cares. The plaque in "Town Park" has been changed to read: "Local Lions Club. They Used to Serve."

Man's role in the Conservation and Preservation of the Earth

We are almost at the end of District 2-S2 Lion's Club year. Let us take some time out to reflect on what we have accomplished as it relates to the preservation and conservation of our planet. Man's contribution to the environment is to positively impact the natural resources and make life better for those who inhabit the Earth. Ask ourselves this question what have we done lately to positively impact the earth?

Conservation refers to a more specific effort which may include supervision of rivers, forest and other natural resources in order to preserve and protect them through prudent management. The word preservation has a more general meaning – to keep alive, safe from harm and injury. Our actions can and has affected our planet Earth tremendously. Global warming for example is an example of "Local actions, global effects". Other major environmental damages which result in pollution and degradation of this faithful planet, includes overgrazing, deforestation, desertification, soil degradation even the introduction of invasive species.

At the start of the year the committee wrote several articles advising, and encouraging each club to get involve – to let your voices be heard in communities in relation to the preservation and conservation of the environment. My question today is – what are your contributions in the above mentioned task for the year 2010 – 2011? My colleagues do you see yourselves as just a member of a lions club or do you see yourselves as a lion of the jungle whose sole responsibility is to preserve and conserve your territory through leadership, community services, creating an awareness of environmental issues, and organizing and implementing environmental projects in your community? We are not interested in the grandiose ideas; we are more interested in activities that are less costly and easily implemented such as: Plant trees in the park, establish a flower garden at the town hall, cleanup a vacant lot, and or clean up a park.

The future and sustainability of the Earth is firmly in our hands and it is our actions of today that determines the world our children live in tomorrow. The fact is that Earth is dying and although there is no clear-cut solution to all the problems that face Earth it is obvious that everyone has to play a part in conservation and preservation of this planet.

Is this too difficult to achieve?

Finally let me on behalf of the environmental committee extend a big thank you to all the clubs that have worked so hard in the preservation and conservation of the Earth and to those who have not achieve this goal I am imploring you to change gear that we may create a better tomorrow for our children.

April Showers Bring May Flowers

There is nothing like the view of a Texas valley or hillside covered in Bluebonnets, Indian Paint Brush, or any of a number of other colorful wildflowers that appear in May after those wonderful April showers; but just like everything else that we HAVE, we take it for granted until we don't have it.

Well, out here at the Texas Lions Eyeglass Recycling Center (good old West Texas-Midland), we are certainly missing those May flowers, because we haven't had any April showers (nor March back to September showers for that matter). Even in the dry desert we take for granted the little bit of rain we know we will get in the early spring; which helps me draw an analogy to the plight of the visually impaired, that we as "Knights of the Blind" are trying to help at TLERC.

People take their sight for granted until things start getting blurry. Even with glasses, we take our sight for granted until we lose or break them, or until we can no longer see clearly out of them. The April showers for those in need are the recycled glasses they get at no cost from Lions recycling centers like ours. (By the end of this year we will have sent out another couple of hundred thousand pair of glasses to missions & Lions center in developing nations.) The April showers are the eye exams & new glasses we put on children. (This year we made over 800 new pair of glasses in our lab for about \$14-\$18/pair to the Lions Clubs that used our service.) The April showers are the thousands of man hours, Lions across the State put into collecting, sorting, and processing used glasses for those in need, and the April showers are the dollars TLERC gets from Lions Clubs for 100% (\$2/member) or Focus Club (\$3/member) donations, "Visionary Knights of the Blind", or honoring a special Lion with one of our 3 levels of fellowship. The May flower is the sight these showers bring to those, whom we help; those people, who can now see to do their school work, learn new skills, find a job or to do their current jobs.

We know this is the time of year when Clubs finish off their 100% (or greater) contributions or honor those special Lions in their Club with awards, such as TLERC's 3 fellowship awards. There are also, only 2 months left to become a CHARTER MEMBER to our "Visionary Knight of the Blind" monthly or annual giving program (June 30 deadline). You can find our enrollment forms on the State website.

For the sake of the visually impaired, please send some of those April showers to TLERC. Those showers may not bring any May flowers, but those you bless with the gift of sight won't care. They'll be happy to just clearly see a good old prickly pear.

If you have any questions about our giving programs, please call me at 325-315-7060.

Tom Blase, 2-A1 2nd VDG
TLERC Promotions Director

Children Know Peace

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

How the Contest Works

Lions clubs sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2011. Participating students are asked to create posters visually depicting the contest theme, "Children Know Peace."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to the award ceremony at Lions Day with the United Nations (subject to change). At the ceremony he/she will receive a cash award of US\$5,000 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony. The award ceremony is scheduled for March 2012.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.

Mail or fax your order to: LIONS CLUBS INTERNATIONAL
CLUB SUPPLIES SALES DEPARTMENT, 300 W 22ND ST.
OAK BROOK IL 60523-8842 USA; Fax 630-571-0964

Peace Poster Contest Kit (PPK-1) _____ Qty. @ US\$9.95/each \$ _____

How to Enter

Lions clubs must order a Peace Poster Contest kit from the Club Supplies Sales Department at International Headquarters. Available in all 11 official languages, it costs US\$9.95, plus shipping, handling and applicable taxes. Each kit contains everything your club needs to sponsor one* school or organized, sponsored youth group:

- **Official Club Contest Guide & Rules**
- **Official School or Youth Group Contest Guide & Rules**
- **Participant Flyer** may be duplicated and given to each participating student to take home
- **Sticker** to place on back of winning poster
- **Certificates** for contest winner and school or youth group

*Clubs can sponsor more than one contest in either the same or multiple school(s) and/or youth group(s) by purchasing more than one kit. Clubs will send one poster per each contest sponsored to the next level of judging.

Kits are available January 15 – October 1, 2011.
Purchase your kit early to allow adequate time for shipment and contest planning.

To order the Peace Poster Contest kit (PPK-1) submit the form below, order through the online Lions Store (Item search: Peace Poster Kit) or call Club Supplies at (630) 571-5466 or (800) 710-7822 (U.S., Puerto Rico, U.S. Virgin Islands and Canada only).

Visit www.lionsclubs.org for more contest information, deadlines, to send a Peace Poster e-card and view past finalists' posters.

WMMR Continues to Evolve

You may have already seen it with the new service activity report or the new district officer home page. Suggestions from club secretaries, district governors, international directors and even International President Sid L. Scruggs III are being incorporated into the WMMR and are helping us to make it a tool that's easier to use and more relevant to club and district officers around the world.

Here are highlights of the exciting new features coming in May 2011:

- ✓ Register for your own password (Figure 1)
- ✓ View statements and make payments online (Figure 2)

Figure 1

Club Statements
