Thoughts from your District Governor

THANK YOU

To ALL LIONS in District 2-S2:

Thank you for allowing me to serve along with you for these past three years. I was told way back then that the years, especially the Governor Year, would fly by before I knew it and well.....I can't believe time has flown by so fast! Marla and I have been truly blessed to be able to make so many new friends, see old friends (no.....I don't mean you are OLD!), visit with our FAMILY of Lions all around our district, and truly have fun doing it. We have seen what Lions really do and learned so much about other Lions Clubs and what we do and how WE SERVE. We are thankful to all of the Lions and Lion Leaders around this district who truly BELIEVE and made our dream (along with President Tam's dream, of course) of "My Club, My Family" come to life! We have worked alongside you as we all labored to "Keep Our Lions Family On Track" this past year.

How BLESSED I AM! Can you believe that Marla and I had not even met when you asked me to serve as your *first* Second Vice District Governor? That is true! We met in July of 2009 and you elected me to serve in April 2009. What a blessing she has been in my life and what a blessing she has been to our Lions Family. Those of you who know an elementary school teacher know how hard they work and how precious their time is. But Marla has always found time to be there for me and for all of our Lions Family. We have been joking lately that we are not sure what to do now that our time is almost up because everything we have done since we met has been "Governor's Stuff"! So.....I guess we will just keep on doing what it is that we do! Well, I'm sure we will find something to keep us occupied.

We hope that you have enjoyed all the enthusiasm(ism) and excitement that we have worked so hard to bring to you, our Lions Family, these past few years. Everything from these fun and inspiring (I hope) newsletter articles to the treats and messages at the Presidents and Secretaries Council to the message we brought to every club in the District has come from our hearts and our souls and we hope that in some small way we have made a difference. We enjoyed every second of the last three years and especially the last year. The retreats at our home were truly special to us and I know that those who attended felt the same. Each and every club visit was extremely special and exciting. Our goal at the beginning of the year was simple, ".....To excite and enthuse the Lions of District 2-S2 to grow our clubs through Community Service and to re-dedicate themselves to that service that is in the hearts of all Lions everywhere. Let's have fun together and watch our Family Grow." I hope that we have excited and enthused each and every one of you!

I am reminded of a book that Marla gave me that tells about the power of the individual and how each and every one of us is important. I sit here and write about what I did and I would like to remind you that it is YOU who makes the difference in our Family. It is YOU who must stay enthused and excited when the "preaching's" done and YOU who must bring that enthusiasm(ism) to your clubs and your communities and most of all, to new members of our Family. 2012

The story I refer to is from “Teaching the Elephant to Dance” by Jim Belasco and is about Dr. Denton Cooley, the famous heart surgeon. I am paraphrasing it from the book, “How Many People Does it Take to Make a Difference”? Belasco was following Dr. Cooley on his rounds and as he was on his way to the operating room, observed the surgeon stop and talk to a man mopping the hallway. The two men talked for ten minutes before Dr. Cooley dashed into the operating room. Belasco was intrigued and went to the man with the mop and commented on what a long conversation he had just had with Dr. Cooley. The man told him that yes, he and Dr. Cooley talk quite often. Then Belasco asked, “What exactly do you do at the hospital?” The man replied, “*We Save Lives.*”

You see, in the best organizations, there is no “them and us”; no “I”; there is only “WE”.

All of us working together. Everyone has a role to fill and each of us has a piece of the puzzle, and everyone, especially YOU, makes a difference. And I BELIEVE that our organization, our district, our clubs, our LIONS, are the BEST! Thanks to YOU! Thanks to you we have meaning in our lives. Helen Keller said, “Life is either a daring adventure or nothing at all.” You have given Marla and me a chance at that adventure and we are forever grateful to you, to ALL THE LIONS OF DISTRICT 2-S2.

Remember, “The Start to a Better World is our BELIEF that it is Possible.”

-Believe in your dreams.

-Believe in Today.

-Believe that you are loved.

-BELIEVE THAT YOU MAKE A DIFFERENCE.

-Believe we can build a better world.

-Believe when others might not.

-Believe there IS a light at the end of the tunnel.

-Believe that YOU might be that light for someone else.

-Believe that the best is yet to be.

-Believe in each other.

-Believe in yourself.

-I BELIEVE IN YOU.

-Kobi Yamada

Marla and I have been TRULY BLESSED to be able to serve along with all of you!

THANK YOU TooEssToo!!! I BELIEVE IN YOU!!!

Thought's from the First Vice District Governor:

The 2012 MD-2 convention ended last night. We had over four hundred people registered. The people that worked on this convention to make it a huge SUCCESS deserve the loudest ABSOLUTELY that could be given. Every one that had any part should be given huge high fives. Those of you that were unable to be with us would be extremely proud of our District. For those who WERE there: There is no way to thank Yall except to say "Thanks for all you did." It was a fun convention that ran very smoothly and as someone said to a host: "If you saw something lacking, others did not see anything wrong. The speakers were inspiring, the programs were outstanding and there were so many Lions with the WE SERVE attitude. Everyone should pat themselves on their back. Congratulations to our new leaders Eddie and Chris. Our District will be in good hands. We are a team and everyone must do their part—as we always have.

The International Convention is very early this year. Winnie Mae and I will be home on the date that others were just leaving for last year's convention.

Hats off to our leader this year. DG Rick did an outstanding job—and will still be working as Governor until June 30. This district has really had the team spirit –this was given to us by our leader, DG Rick with many background hands helping him. Looking to the future we will have some changes and new ideas. Please accept these and give them a try.

It is great to meet with DGs, PDG's, IPDG's, ID's, PID's and grass roots Lions. We continue to have clubs folding and Lions dropping out. We just need to work hard on this problem. We Shall Overcome if we work together.

If you have questions, ideas or suggestions, please feel free to call me. I am always available to each of you. (I might not make much sense at 2am, but I will try. Big city clubs do not always have the enthusiasm that is there for small-town clubs, that is the nature of the game. We have other advantages by being a big-city club. I hope that clubs in the district will work together on community projects. However, please post your activities on the internet, ask for help and you might be surprised how many helpers you will get. Our Leo Clubs are to be commended, as well as their dedicated leaders. They are our future.

I appreciate the trust you have placed in me and I look forward to working with each and every one of you Lions.

FYI

To save the economy, on June 30, 2012, Congress has ordered the immigration department to start deporting retired people instead of illegals in order to lower Social Security and Medicare costs.

The reason????:

We are easier to catch, and can't remember how to get back home!

See you on the bus. I wonder where we're going?

First Vice District Governor Paul Eads

Thought's from the Second Vice District Governor:

“WE CAN DO IT”

The State Convention is over and it was very successful. Thanks to PDG Margaret and of course Lion Judy. Not to brag on my club up north, but the District Hospitality Room was GREAT. Thanks to Lion Tracy and Lion Connie!

Now to the real stuff. OUR district is down on membership, but the fat lady has not sang yet! We have until the end of June. To solve this problem. . . you ask “What can we do about it?” It is a very hard job, so listen to the directions I’m about to give you.

It’s a long time family secret, ready? “ASK SOMEONE.” Please don’t tell everyone I told you.

How about your 100% to the Camp? Are you one of those on the list?? Has all your new officers been turned in to International and the district?? Your MMR’s up to date for the closing of the year?

I sure liked being the “Tail Twister”. Who talked me into this job?

Just remember, someday I could be the Tail Twister again. I don’t get mad, I get even.

This is the last letter you will get from me as 2nd VDG. If I offended anyone, please let me say, I DON’T CARE!

See you at the Cabinet Meeting on June 6th.

Yours in Lionism,

Second Vice District Governor Eddie Risha

Please bring your used eyeglasses to the PSC meetings. Have a count of the number you are turning in; the total will be announced at the meeting and in Paw Prints.

We only count complete pairs of glasses. We need a total count of the glasses from the person that brings them to the PCS monthly meetings. No special packing needed, save all cases, we sort through the containers at the recycling center for the final sort (those that can be cleaned, adjusted, and washed). Do not count loosed lenses into the totals collected. Each month, or whenever you choose to do so, we can supply the totals collected the previous month to the other members.

Thanks for your help.

AEROS & AUTOS AT ELLINGTON AIRPORT

Saturday, May 12, 2012 became quite an eventful day! In addition to seven inches of rain between the hours approximately 2:00 AM and 7:30 AM, Seventy-Four District 2-S2 Lions joined at Ellington Airport to make the 2012 Aeros & Autos at Ellington Airport a success.

A SUCCESS it really was!! Even to the degree that a 2,000 horsepower twin turbo GT Ford set a new world speed record of 212.9 miles per hour from a standing start.

We had a full field of entries in the static judging of classy, and classic, cars and low-riders. Seventy-four Lions came and worked to make the event a success, from selling entry at the gates, to helping direct show cars to the appropriate parking spots, to selling tickets for prize drawings, to collecting and properly disposing of trash.

THANK YOU!! THANK YOU!!! THANK YOU all who gave your time and talent to make the event a success!!!! We've not, yet, been able to settle all accounts and define the amount that will be donated to Texas Lions Camp, but the amount will be significant.

Thanks also to Lion Trish Wilson, and husband David, who travelled from Kerrville specifically for the purpose of being ambassadors for TLC.

I've just come from a meeting with staff at Ellington Airport, and we ARE on track for the event in 2013, so make plans now to participate on the Saturday preceding Mothers' Day, May 11, 2013. We will be engaging more Lions in the planning process for next year, so don't be surprised when I "come a calling".

MD-2 Lions Club Environmental Photo Contest

Lion Luciano Guerra's winning photo was among entries from all over the State in the annual MD-2 Lions Club Environmental Photo Contest held February 2, 2012 during the Texas Council of Governors' meeting in Kerrville. Lion Luciano Guerra of the Mission Lions Club in District 2-A3 won the state Environmental Photo Contest with his "Animal Life" entry. His photo advances to the national competition.

Lions Club International sponsors the contest annually to emphasize the importance of environmental awareness around the world. The impartial judging of photos focused on originality, artistic merit, and portrayal of the environmental theme. The winning entry worldwide will be selected in July during the International Convention in Korea.

Lions Clubs International is the world's largest service club organization with 1.35 million members in more than 45,000 clubs in 207 countries.

Texas Council Chairperson Barron Cagle stated "Once again, Texas Lions made a great showing in this competition. We expect participation will continue to grow in the future and will foster an increased awareness of our surroundings."

MD-2 Convention 2012

If you did not attend the MD-2 Convention this weekend, you missed a great event, in my own mind, at least.

My Convention Co-Chairs, PDG Margaret Badeaux and Lion Judy Champion, and their supporting cast of countless Lions from District 2-S2, did a stellar job of planning and organizing programs, events and activities. The staff at the Sheraton North Houston Hotel at Bush Intercontinental Airport performed exceptionally, and the accommodations were well above average.

Sure, there was a hiccup, or two, and not all meals were suited to every Lion and/or person attending. The introductions became boring, but we did follow appropriate protocol, as prescribed by Lions Clubs International.

Programs were well received, and the Youth Contests really did show that our future, if left in the hands of those talented youngsters, will be bright. Thanks, Lion Jake Bentley and a number of other volunteers, for taking on that task.

I want to, especially, thank the 2011-2012 Council of Governors ... the FIRST Second Vice District Governors. It has been my privilege to serve with, and for you. Few had the opportunity to witness first hand the synergy, and the energy, you showed as a group of leaders. Karen and I will always have a special bond with you, and your partners.

Happy trails ...

Cut & Shoot Family Lions Club (Wheel Chair Ramp Building Club)

Once again, Cut & Shoot Family Lions provides a much needed service project, for not one, but two families, by building wheelchair ramps for them. The first ramp was installed on Friday afternoon for an elderly couple, the second was installed the following Saturday morning, this one benefitting a family of special needs adults. Many thanks to Mike Posey for pre-building the ramps in sections, making the installation go much easier and faster. Both client families were very thankful for the new ramps, providing them a safe, secure way to get in and out of their homes. WE SERVE

25th Annual Lions International Peace Poster Contest

Imagine Peace

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

How the Contest Works

Lions clubs sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2012. Participating students are asked to create posters visually depicting the contest theme, "Imagine Peace."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to the award ceremony at Lions Day with the United Nations (subject to change). At the ceremony he/she will receive a cash award of US\$5,000 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony. The award ceremony is scheduled for March 2013.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.
