Thoughts from your District Governor ...

2-S2'S NEW ROAR: "WE CAN DO IT"

Another 2-S2 District Convention is under our belts and what a convention it was! There was no time to be bored, everybody was doing something both days. Many, many thanks to PDG Lion Rick and Lion Marla Reynolds & Lion Judy Champion for an excellent job.

Starting Friday night with the Willis High School Jazz Band that entertained us for about 1-1/2 hours. They had us all toe tapping and hand clapping. We gave them a standing ovation. While they played, some

Lions were looking for certain items for the scavenger hunt and may the best charity win. The winners were: 1st place went to the Lions Eye Bank Team, 2nd place went to the Houston Lighthouse Team, and 3rd place went to Texas Lions Camp Team. Of course, the Texas Lions Camp Team was the only team that did not cheat!!! Not really, they all did a great job and had lots of fun.

IPID Joe Al Picone did a great job as our guest speaker at the Governors Banquet Saturday night. He was very informative regarding what is going on and what we need to do to finish

our year in a plus. He said we have a great year going and now we just need to have a great finish. "We Can Do It"!

Start a new club, get clubs to add new members. Find services that are needed in each community which we serve. Start a Leo Club if you don't have one. IPID Joe Al talks with experience, he has 50 years perfect attendance.

He personally brought in 200 new members and started 11 new clubs. He has done so much for Lionism it would take a whole page to tell it all, plus his involvement in his community, schools, job, and family, that would take another page. So what I'm saying is when IPID Joe Al talks, everyone listens.

So Lions of District 2-S2, we have May and June to go to work!! We now stand at -47, that is minus 47. I ask all of you to please go out and recruit members. Let's end up in a plus. Be proud of your District. **MAKE THINGS HAPPEN!!!** Don't stand there and just watch things happen.

Yours in faithful Lionism,

DG EDDIE RISHA

Eddie Risha

District Governor 2013-2014

"We can do it!"

Thoughts from the 1st Vice District Governor ...

This year has gone by quick hasn't it? It seems like just last week we were getting ramped up for this Lion's year. Now this year is winding down and next year is about to start up. It is going to go by quickly too. I written about goals before, but this is a good time to write about them again since now is the time to plan out your next Lions year. Many times people don't achieve their goals, because they don't establish effective goals.

When setting goals, many times goals that are difficult to achieve and specific often result in better performance than goals that aren't. One of the methods that is taught in creating goals is to use the SMART method. SMART being an acronym for creating a Specific, M e a s u r e a b l e , Actionable, Realistic and Time-bound goal. Sometimes different variations of words are used to achieve the SMART acronym, but the ones listed are commonly used. When a goal is created using these criteria, it becomes easier to determine when it has been achieved successfully. It is also easier to create an action plan, so everyone knows

who is going to do what to achieve the goal.

So now is the time to create a set of goals for yourself and your club for the upcoming year. Seek the input of your club members to ensure there is buy-in from your club on the goals. If you need help creating goals, Lions Club International offers it at the Member Center and the Lions Learning Center. The Lions Learning Center actually offers an online course in Goal Setting along with a host of other leadership skills. This is an amazing benefit Lions have available to them. You will need to know your Lions membership number in order to log in to the Lions Learning Center. Your club secretary should be able to provide that to you. It is also available on the mailing label of your Lion Magazine.

See CHRIS, Page 6

Thoughts from the 2nd Vice District Governor ...

Well first, I want to thank you for allowing me to be 2nd VDG this year. I have traveled over 6,000 miles visiting clubs at either meetings or activities. I wish I had time for more such visits. Some of you I didn't get to see. I plan to visit more this year coming up. Listening to stories of club activities has been intriguing. I am reminded again and again how as we serve our different communities, Lions learn leadership. We are really in the business of developing leaders as we serve. In the coming months,

fellow Lions have the opportunity to learn more by attending the USA/Canada Leadership Forum in San Jose, Puerto Rico being held September 11-13. It is not too late to sign up. The website is www.usacanadalionsforum.org. This website will give you details and registration. Another opportunity closer to home is the President/Secretary Council for our District. Welcome Liesa Hackett as President. Liesa is with the Huntsville Lions Club. She needs your support and ideas to make the monthly meeting an opportunity to learn and share leadership techniques and

project ideas. To the District's club officers, I would recommend that you take advantage of this venue. My comments are short this month, but the year is not over yet, so I can still go a few places. God bless you.

On April 28th, Cut & Shoot Family Lions distributed dictionaries to two 3rd grade elementary schools in Conroe ISD, Austin Elementary and Ben Miliam Elementary, almost 400 dictionaries were distributed. The students (and teachers) were excited to get the dictionaries, some students sent thank you notes to our Club. This is a community project we plan to continue each year, maybe expanding to more than two elementary schools in our area.
