## Thoughts from your District Governor ....

### I BELIEVE

If you ever get the opportunity to visit Seattle, Washington and vicinity, do not turn it down! The people are friendly and the scenery is breathtaking! Of course, while Marla and I were there, there were also 15,000 or so Lions visiting that beautiful city! The ROAR was deafening! While we spent the first five days in District Governor training, along with 740 plus District Governor Elects from around the world, we still managed to visit many of Seattle's attractions and of course, restaurants. And after it was all over, we managed to squeeze in a couple of days to drive to Mt. Rainer and Mt. St. Helens. We were both overwhelmed by the beauty of the area and the friendliness of the residents. Even though we were miles and miles from District 2-S2, we felt right at home!

The International Convention was amazing! I would highly recommend that if you ever get a chance to attend a Lions Clubs International Convention...Go! You will not be disappointed! Everything from top notch entertainment, to world class speakers, to what has to be one of the best parades anywhere keeps you entertained, captivated and excited. It certainly re-ignites your enthusiasm and spirit and lets you see just how far reaching and significant our wonderful Association really is. Of course, I managed to let every one of them know just how great and awesome the Lions of District 2-S2 are!

One of the highlights for me was meeting and visiting with our new International President, Wing-Kun Tam from Hong Kong, China. Even though he is the leader of the largest service organization in the world, he makes you feel like you are part of his family and that you would be a welcome guest anytime. His theme this year, "I BELIEVE", is one that I can grasp wholeheartedly and I hope that you, the Lions of District 2-S2, will also climb aboard the train as we steam towards a brighter and even more fulfilling Lions future. I was thrilled to hear many of President Tam's beliefs and goals were extremely similar to my own. (It's as if he has been reading my newsletter articles and listening to me for the last several years!)

He believes, as you know I do, that our Lions Clubs are a FAMILY. He even has a program called "My Club, My Family". I have been saying that "WE ARE FAMILY" and that your Lions Club and yes, even your District, is part of your extended family. I BELIEVE that now more than ever. He believes children are an integral part of our Lions Family structure and has even instigated a "Lions Cub" program. We have had Lions Cubs in our club for years! We even have had little vests made for the kiddos. I am thrilled to see President Tam's enthusiasm for family and youth. He also believes, as do I, that children are our future and that "Leos are the future of our family" (his words). He is starting a Leo to Lion Program with incentives for continuing their service with our organization. (continued on page2)

I could continue on for page after page about how excited and enthused I am about the coming year, but I must leave room the rest of the newsletter! Please climb aboard my Family Lions Train as we work hand in hand in the coming year to bring service to where it is needed and strengthen our clubs through that service. I BELIEVE that community service is the key to the future of our clubs.

Most of all, I BELIEVE IN THE LIONS OF DISTRICT 2-S2.

Thank you for allowing me to serve along with you.

***Thought's from the First Vice District Governor:***

My father-in-law was asked to write an article on membership by the then District Governor about 30 years ago. It should be repeated:

=0=

“Lions of District 2-S2.... Your Governor asked that I write an article for the bulletin on membership and the first thing that came to my mind is an article written by a Past President of Lions International many years ago on the compensation of Lionism. I have used this article to induct new lions.

1. A Lion is a better citizen.
2. A Lion learns the value of group action.
3. An active Lion is a better professional or business man.
4. A good Lion has a broader outlook.
5. A member has the pride and prestige of belonging to an organization of international standing and being a vital part of a worldwide brotherhood devoted to serving the needs of humanity.

By the time you receive you next bulletin, three months of this year will be gone. Some things I can suggest to build club membership are:

1. Zone Chairmen: At your zone meetings discuss membership with each club president.
2. Club President: At each of your meetings, ask each member to look for good new members.

At each meeting, spend a few minutes on membership and ask your club to find ONE new member each month. Our district presently has 80 clubs. There are nine months remaining. IF we find that one new member, it will result in 720 new Lions in our district THIS YEAR. IT CAN BE DONE!!!”

=0=

Well, we now have a great deal fewer members here in 2-S2, but has the need diminished? When was the last time YOU asked someone to be a Lion? We now have only about 1800 members. If we each ask someone to become a Lion and only 30% join, we could have a growth of 540 members at the beginning of Governor Rick’s term. LET’S GIVE IT A TRY..

***First Vice District Governor Paul Eads***

**Thought's from the Second Vice District Governor:**

**WE CAN DO IT**

Congratulations and best wishes to our new D. G. Rick and all newly elected presidents and secretaries. I hope you have all your Goals set – I wish you much success in all your endeavors and look forward to working with you.

I'm going to leave all the hoopla to the Governor.

P.S. Oh! By the way did you invite a guest to join you at your clubs meeting???

“GROW YOUR MEMBERSHIP”

P.S.S. Back to “80” Clubs, District 2-S2 by 20-13-2014. We can do it.

# Children Know Peace

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

## How the Contest Works

Lions clubs sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2011. Participating students are asked to create posters visually depicting the contest theme, "Children Know Peace."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

## Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to the award ceremony at Lions Day with the United Nations (subject to change). At the ceremony he/she will receive a cash award of US\$5,000 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony. The award ceremony is scheduled for March 2012.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.

## How to Enter

Lions clubs must order a Peace Poster Contest kit from the Club Supplies Sales Department at International Headquarters. Available in all 11 official languages, it costs US\$9.95, plus shipping, handling and applicable taxes. Each kit contains everything your club needs to sponsor one\* school or organized, sponsored youth group:

- **Official Club Contest Guide & Rules**
- **Official School or Youth Group Contest Guide & Rules**
- **Participant Flyer** may be duplicated and given to each participating student to take home
- **Sticker** to place on back of winning poster
- **Certificates** for contest winner and school or youth group

\*Clubs can sponsor more than one contest in either the same or multiple school(s) and/or youth group(s) by purchasing more than one kit. Clubs will send one poster per each contest sponsored to the next level of judging.

**Kits are available January 15 – October 1, 2011.**  
Purchase your kit early to allow adequate time for shipment and contest planning.

To order the Peace Poster Contest kit (PPK-1) submit the form below, order through the online Lions Store (Item search: Peace Poster Kit) or call Club Supplies at (630) 571-5466 or (800) 710-7822 (U.S., Puerto Rico, U.S. Virgin Islands and Canada only).

# LIONS MILLION TREE Campaign Planning Guide

Join Lions from around the world in making an impact on our environment by planting a million trees this year! Whether it means planting a handful of trees at a local school or organizing a large-scale reforestation project, each and every Lion has an opportunity to make a big difference. So make tree planting part of your club's activities this year and help us show the impact of our global network.

## GETTING STARTED

Organizing a tree planting project for your club or district will require careful planning. The following are a few key steps you can take to plan a successful tree planting project in your area.

### STEP 1: CREATE A PLANNING COMMITTEE

This year's Tree Planting Campaign is an important opportunity for Lions to engage their communities in making a big difference for the environment. Creating a planning committee consisting of dedicated volunteers and community stakeholders will help drive the success of your tree planting project. Together, the committee can develop a plan of action, share the work, and help motivate others to join your efforts. You might want to consider asking local schools, businesses and environmental organizations to get involved, and designate a chair to lead the committee's efforts.

### STEP 2: DEVELOP A DETAILED PROJECT PLAN

To ensure the success of your project, you should develop a plan that outlines your tree planting goal and all the necessary preparations. As you work on your project plan, you should address the following questions:

#### WHERE will you plant the trees?

Decide on where trees are needed and how they will benefit your community. There may be a need to restore a degraded natural forest or wilderness area, provide additional protection to an area that is prone to landslides or avalanches, or beautify a residential area in an urban setting.

#### WHAT type of trees will you plant?

Decide on the type of tree you would like to plant. The tree that you choose should be native to your area (a non-invasive species) so that it can survive and benefit the local ecosystem. An endangered species that is particularly scarce in your area may be a good choice.

Once you decide on the type of tree you will plant, you will need to make a note of all the materials and resources you will need. Trees can be grown in many different ways. You may choose to:

- Plant a seed or cutting (pieces of a branch) directly into the ground;
- Plant seedlings grown in a nursery; or
- Transplant a wild seedling from another area.

The method you choose will depend on the type of trees you will be planting and what materials will be available to you. You will also need to consider what additional care (if any) will be needed once the trees are planted (e.g., watering, fertilization, protection from animals, etc.).

#### WHEN will you plant the trees?

The best time to plant a tree is during the rainy season in the tropics or during the dormant season (after leaves fall and before trees bud) in the temperate areas. How soon you begin your tree planting project also depends on the type of tree you will be planting and what materials are available to you. If you will need to start a nursery to grow your own seedlings, for example, it may take 3-4 months for seedlings to be big enough to plant.

#### WHO will plant the trees?

If you are planning a large reforestation project, you may need a large number of dedicated volunteers to accomplish your goal. You may choose to partner with local schools, community organizations, businesses, or other Lions and/or Leo clubs in your area. These partnerships will not only help you get the help and resources you need, but also give you an opportunity to further promote your project.

**NOTE:** As you begin making preparations for your tree planting project, be sure to contact your local authorities to learn about relevant regulations and available resources. A consultation with an arborist or local expert may also be helpful as you decide on the type of trees you would like to plant and when/where it would be best to plant them.

### **STEP 3: PUBLICIZE YOUR PROJECT**

Inform the local community about your tree planting project and encourage them to join you!

Consider:

- Posting flyers
- Contacting local radio or public access television stations
- Sending press releases to community newspapers before and after you implement your project
- Posting project information on your club or district's Web site or other social networking sites such as Facebook
- Inviting local media to cover your event

### **STEP 4: IMPLEMENT YOUR PROJECT**

Involve your club members! Invite family members, friends and co-workers to help which can also generate new membership interest.

On the day of the project, make sure someone is ready to answer questions from volunteers, elected officials, special guests, local media and other members of the community. Because your project will center on the environment, consider asking environmental leaders on your planning committee to serve as spokespersons for highlighting the project and its importance to the community.

### **STEP 5: TELL US ABOUT YOUR TREE PLANTING PROJECT**

Every month throughout the year, we will report the progress Lions are making in planting a million trees around the world. Be sure to tell us about your project and the number of trees your club has planted by completing the monthly Lions Club Service Activities Report. For more information go to [www.lionsclubs.org](http://www.lionsclubs.org) and keyword search tree planting.

### **STEP 6: CELEBRATE YOUR SUCCESS**

Remember to share your accomplishments with people who helped make the project a success. Distribute a news release to local media and send a newsletter to community members who supported your project. Be sure to send thank you letters to those who participated. You may also want to present certificates of appreciation. Hosting a volunteer and partner awards ceremony is also a nice way to recognize everyone's contributions. And, don't forget to share your success with your Lions family – post photos on the Lions Facebook Fan Pages.

#### **Resources**

A number of resources are available to assist you in completing a tree planting project. For materials and campaign updates go to [www.lionsclubs.org](http://www.lionsclubs.org) or contact the Service Activities Division at [programs@lionsclubs.org](mailto:programs@lionsclubs.org).
