Fellow Lions of the GREATEST Lions District in MD-2 (Texas),

As a member of the MD-2 Long Range Planning Committee, I come to you with a service project that will be worked on by all Lions throughout the great state of Texas. At the September 2017 P & S C meeting, I am requesting each club to bring non-perishable food. This food will be collected, weighed, and distributed to various food banks throughout our District. I am also seeking your recommendations for food banks in your area that can receive this food. This is the "stuff a car" project that all Districts in the state will do in the month of September. Since my wife will not donate her Honda Insight, and I am not willing to donate my Mustang, we will just collect it, weigh it and then distribute it.

Zone Chairs, please appoint a Lion in your Zone to coordinate this project and they should be able to deliver the food for their local food bank. Please let me know who this Lion is no later than August 25 so I can arrange with them to take some of this food with them after the P & S C meeting. We cannot leave any food behind that evening.

I know our District is the second smallest in geography in MD-2, but I am counting on YOU to collect the most food in the entire state.

Looking forward to gathering all of the food on September 6, 2017, at China Bear.

Yours in Lionism,
PDG Chuck Martin

Food Drive for Hunger

Hello Lion Family,

It is so good to be back from Chicago! Don't get me wrong the DGE school and the LCI Convention was great. However, there is no place like TEXAS!!! It is also good to come home and get to the real work of Serving ALL of You!!

You will never know how "Proud" I was at our Cabinet meeting on Saturday. You all came and demonstrated how seriously you are taking your Cabinet positions. I thank each one of you for accepting the position you have taken. It would not be possible to run the District without one single one of you. Because of you we are going to see our District grow closer together as we realize we are a true family of Lions. We are also going to watch our Family of Lions (District 2-S2) grow in numbers.

Let me say once again, how grateful I am that you have given me this opportunity to "Serve You".

Don't forget to get up each morning and think about what you can do to be a "Future Difference Maker".

I want to thank IPDG Mark Roth for serving all of us Lions last year. He did a fantastic job in our District. Three "ROARS" for IPDG Mark Roth.

Yours In Lionism

Lion Betty Ezell
2017-2018 District Governor

**YOU HAVE
THE HEART
OF A LION**

The Heart of the Lion

If someone does something nice to help you, (i.e., you are working on a committee together and someone goes an extra mile to make something happen and you didn't expect it) then you should send me an e-mail; tell me what was done; who did it; and what club they belong to. They do not have to belong to the your club.

They will be given a "Heart of the Lion Award" at the P & S or the Cabinet meeting. It must be something that stands out and is thought of as extra special not just picking up a hanky for someone or giving someone a ride.

Again, it is an unexpected act that goes above and beyond the necessary duties of a Lion. It can be a random act of kindness that shows concern and care for the Lion Family.

Let's show the true "Heart of the Lion" for one another throughout this year.

Lion Betty
2017-2018 District Governor

Greetings fellow Lions,

Let me start off with Congratulations IPDG Mark on a great year. We had a net growth of 31 members last year under IPDG Mark, and we are headed up!

Climbing New Mountains,. last years "Theme" led us right into Betty's theme Future Decision Makers... I don't know how you feel, but I am excited about where District 2S2 is headed... the leadership in place is dynamic, and we all have the common goal... Serving!.

Since the last newsletter, "Saint Jane" (my wife) and I traveled around the United States in a fifth wheel trailer, (over 10,000 miles) visiting several Lions clubs as we went. We went to Rochester Hills MI and toured the Leader dog facilities. What an exciting place. They are doing great things.

This past month I had the honor of visiting the Brookshire Pattison club, and installing their officers. Betty's first cabinet meeting was a good one, if you missed it, there will be another one soon.

If you have ever thought about what you can do to serve beyond your club, consider helping at the District level. Ask me what you can do.

PSC meeting is coming up August 2nd. While I will not be able to attend because of a previous engagement.... Please plan to attend and support our District.

I am so looking forward to this coming year and serving with all of you!

Blessings to all for all you do

Karl Johnson
2017-2018 Second Vice District Governor

Lions Clubs Centennial Commemorative Coin

Commemorative Coins Are Now on Sale!

Now you can order this beautifully crafted Lions Clubs Centennial Commemorative Coin and support the life-changing work of Lions Clubs International Foundation (LCIF). These silver collectable coins make great gifts for Lions, family and friends. Own a piece of Lions history by purchasing your keepsake coins today!

For a limited time only, you can purchase this historic keepsake for the low, introductory price of US \$47.95 only through the U.S. Mint! But hurry...offer expires at 3:00 pm EST on February 21, 2017.

And so the journey begins. Thank you for your confidence in electing me to serve this year that is hopefully the first of 3 years of learning and new experiences for Cheryl and I.

We have had the benefit of serving in several clubs and two countries and so we have seen first-hand how similar but how different Lions are and how the work they do impacts on their local communities. But, we have also witnessed the effect of their efforts on broader state, national and international communities and projects. When you read of the \$1-billion awarded by LCIF or the \$415-million raised by our SightFirst program remember that your contribution made that possible – pat yourself on the back and keep up the great work. I remember when SightFirst was first introduced and many thought that the targets were ambitious to say the least. Yet here we are making a difference around the world every day by giving people the precious gift of sight. I believe we have delivered on Helen Keller's plea for us to become the "Knights of the Blind".

A great benefit I get this year is the opportunity to meet so many of you personally at your meetings or other projects and events. All of the Lions we have met over the years have been the nicest people you could have wished for and I know that will be reinforced in the coming months.

Yours in Lionism

Lion Tony Austin
2017-2018 Second Vice District Governor

The Future of Peace

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

How the Contest Works

Only a Lions club can sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2017. Participating students are asked to create posters visually depicting the contest theme, "The Future of Peace."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to an award ceremony where he/she will receive a cash award of US\$5,000 (or local equivalent) and an engraved plaque. Two family members (one being the winner's parent or legal guardian) and the sponsoring Lions club president or a club member (as designated by the club president) will accompany the winner to the award ceremony.
- **23 Merit Award Winners** each receive a cash award of US\$500 (or local equivalent) and a certificate of achievement.

How to Enter

5 Measles Facts To Know

- 335 children die each day from measles or 14 deaths every hour
- Most measles deaths occur in unvaccinated children under the age of five
- 30 percent of survivors experience complications
- When one person has measles, 90 percent of those they come into contact with will become infected, if they have not been vaccinated or have not previously contracted the disease
- For less than US\$1, a child can be vaccinated against measles

ONE SHOT, ONE LIFE

THE LIONS MEASLES INITIATIVE

OUR PARTNERS

Lions are proud to partner with organizations that are leading the effort to end measles.

Together, we are making measles history.

"This new partnership will bring us another step closer to effectively tackling measles. Teaming up with the vast network of Lions Clubs worldwide will allow GAVI to immunize more children with the measles-rubella vaccine, ultimately reducing the number of measles deaths and cases of Congenital Rubella Syndrome."

– Dr. Seth Berkley, CEO, GAVI Alliance

"One of the challenges of the fight against measles, and of immunization in general, is that you've got to keep at it. You've got to be relentless, tireless... You don't vaccinate once. You do it year, after year, after year. As long as you do, children are safe. But when you stop, children die."

– William H. Gates Sr., Co-chair, Bill & Melinda Gates Foundation, speaking to Lions at the 2011 Lions Clubs International Convention

"The funds raised by Lions Members and matched by the UK will mean that millions of children will lead healthier and happier lives, able to better contribute to their communities."

– Justine Greening, UK's Secretary of State for International Development

THE PROBLEM

Measles is one of the most contagious yet easily prevented diseases in the world. It is still very much a deadly threat to people in areas that lack access to vaccinations. In fact, measles is a leading cause of vaccine-preventable deaths among children. The World Health Organization (WHO) estimates 122,000 deaths a year still occur due to measles.

For less than US\$1, a child can be immunized against measles for life, making the vaccine potentially the most cost-effective health intervention available. Ending measles can be a reality, but your help is needed. Lions have engaged in a long-term partnership with the GAVI Alliance, committing US\$30 million towards the fight against measles by our 100th anniversary in 2017.

THERE IS HOPE

In 2000, before the Measles Initiative was formed, more than 562,000 children died each year due to measles complications. Fortunately, between 2000 and 2012 increased access to vaccinations reduced measles deaths by 78 percent worldwide. In 2012, about 84 percent of children worldwide received a vaccination by their second birthday. But 335 children still die each day from measles.

Today, Lions, LCIF and our partners are hard at work, reaching those children who have not yet been vaccinated. Since becoming involved in the fight against measles in 2010, Lions and our partners have helped to vaccinate more than 200 million children. Through our newest partnership with the GAVI Alliance, millions more children will receive the vaccination.

A NEW CHALLENGE

Through the partnership with the GAVI Alliance, Lions will continue to provide financial support to deliver needed vaccinations, social mobilization and advocacy efforts in the fight against measles and rubella. When you donate to Lions Measles Initiative, your donation will be matched 1 to 1 by the GAVI Matching Fund, which is financially supported by the United Kingdom's Department for International Development (DFID) and the Bill & Melinda Gates Foundation. This matching program doubles the impact of your gift, bringing the total to US\$60 million. Through our joint efforts with GAVI and other partners, we will increase access to quality immunization services at every level – globally, nationally and locally – to benefit children around the world.

Your donation to One Shot, One Life: Lions Measles Initiative is matched dollar for dollar. To make a donation, visit www.lcif.org/donate.

2017 Texas Lions Camp Harry Wickersham Golf Tournament Hole Sponsorship Camper – Gabriella Kilbride

First time camper, Gabriella Kilbride rocked the third week of camp in 2016 with her winning personality and her “I can do ANYTHING” attitude. Known to all her friends as “Gaby”, her limitations do not define her or hold her back. Gaby tried everything she was presented with a smile, no matter how difficult. Gaby describes herself as determined and you will find absolutely everyone agrees. Though faced with hardships, she rises above her circumstance to find the fun in life.

Gaby has known challenges her whole life. Born with a partial right arm and partial left leg, Gaby sees herself as “special” in a positive way. Adopted into a loving family who see Gaby as their “gift from God,” her mother sums up Gaby in one simple sentence, “Gaby is the only one who didn’t know she was handicapped.” Gaby never assumes she can’t do something, she just accomplishes her goals in her own special way. She added, “Her positive outlook and finding ways to do things helps our family look at life differently also. We always say, ‘If Gaby can do it, so can we!!!’”

Gaby and her family live in Waco, where a YMCA worker introduced them to Texas Lions Camp and how to submit an application. After researching the camp, there was never any hesitation in sending Gaby to camp.

Gaby says, “TLC is AWESOME!!!!” She had the time of her life, making friends, learning new things, riding a horse, and her cabin wing went to Sea World. She loved the counselors and felt very safe and secure the whole week, even though it was her first time away from home. Gaby has already informed her mother that she WILL be going to camp every year, until she is too old to participate!

Gaby’s mother, Vicki gave her perspective on her daughter’s experience at TLC :

“I believe that Gaby gained more independence and confidence, that she could do even more things than SHE ever imagined possible ...like going down a zip line! TLC is a God-send because of the energetic and loving counselors, the wide variety of activities available and TLC believing (as I do) that even children with disabilities need great memories that they will never forget.”

Gaby’s favorite subject in school is music. That became very apparent, when at the opening ceremonies of camp, she recognized the theme song being presented and strolled up to the stage, stole the microphone and sang “Try Everything” from memory. She not only stole the microphone, but also the hearts of all in the crowd. She went on to repeat the performance during the closing award ceremony on Friday night.

Gaby and her family are excited about her being a part of this year’s Harry Wickersham Golf Tournament for Summer 2017. For more information on how you and your team can play in the Tournament, go to the Camp Website: www.lionscamp.com and look for the Harry Wickersham Golf Tournament Tab.

Texas Lions Camp is proud to have great kids, like Gaby, who attend our summer camping program and celebrate those who embody the TLC spirit of “Children Can...With TLC!”™

2. **HOOLIGAN:** One Hooligan per team. You may move your ball up to 20' from off the green onto the green, but no closer to the hole than one club length from the edge of the green.
3. **ON THE GREEN:** Place your ball at the designated spot on the green. This is your tee shot. One stroke. Two putt maximum. Guaranteed Birdie! This will speed up play.
4. **MONSTER DRIVE:** Place your drive at the designated spot on the par five fairway. Do not hit your drive. This is your tee shot. One stroke. This will speed up play.

CANCELLATIONS: Green Fees for cancellations after Friday, July 14, 2017 and “no shows” without a substitute will be donated to the Texas Lions Camp.

Do you have any suggestions to make the tournament more enjoyable? To make the play faster? For Prizes?

Reserve your copy of Texas Lions history!

(Limited number of copies available)

Don't miss your chance to own a piece of Texas Lions Centennial history! *Texas Lions: Celebrating 100 Years* has been painstakingly compiled into more than 400 pages by Lions Past International President Everett J. "Ebb" Grindstaff. His newest book covers the second 50 years of Lionism in Texas, and is a sequel to his first book, *Lion Crossing the Sinai*.

Texas Lions: Celebrating 100 Years includes in-depth history of all districts in Texas, along with Texas Lions Camp's humble beginnings, past (and current) International officers from our great state, amusing anecdotes as only PIP Grindstaff can share, and much more! You might even find *your* name inside!

Only a limited quantity of this once-in-a-lifetime historical record of Texas Lionism will be available. Reserve your copy by completing and returning the form below a.s.a.p!

Everett J. "Ebb" Grindstaff

All books ordered with this form will be autographed by PIP Grindstaff. Books purchased elsewhere will not have an autograph, so order your special copies now and help spread the word far and wide!
