**The First Cabinet Meeting was held July 26, 2003. Hosted by the Houston Fil-Am Lions Club with over 70 Lions in attendance. Many thanks to the officers and members of the Houston Fil-Am Lions Club (my home club) for being an outstanding host. I am very proud of all of you. I want to encourage all Club Presidents and Secretaries to attend Cabinet meetings to increase your knowledge about district functions and activities and to know your district officers. The Conroe Noon Lions Club will host the next Cabinet meeting on October 4, 2003. Mark it in your calendar and please attend.**

**We had some excitement during our First PSC meeting provided by a lovely couple from England and also the changes made in the venue. More changes are in the wind so come and attend the PSC meeting. President Ann Maxwell and Secretary Tim Bradshaw are on a roll to make it your worthwhile to attend the PSC meeting.**

**Last weekend Lion Romito and I had the pleasure to visit the Leader Dogs for the Blind in Rochester Michigan. I learned of another Lions sponsored program that gives a tremendous impact to blind people's life. As I was walking with a leader dog blindfolded I was reminded by the speech of Tom Sullivan at the International Convention. He spoke about how Lions and Leader Dog changed his life.**

**Please make plans for the official Governor's club visitation. Call Lion Betty Goetzman or myself for a schedule. I'd like to make all clubs' visit the first half of this Lion year.**

**Our International President's theme this year is Innovation Gateway to our future. Innovation challenges us to use imagination and creativity to achieve success in our endeavors to serve our communities. Innovation requires vision and attainable goals and for my personal theme I deemed it necessary that we must have diversity in our service, in our membership, in our ways of thinking and doing things. My personal theme is "Innovation, diversity and Empowerment Gateway to Leadership and Better Service".**

**There is a leadership seminar to be conducted October 19 Open to all Lions in good standing and the purpose is to give information about leadership role and opportunities in the District and State. Details will be announced at a later date thru the newsletter and website. Visit [www.Lions2s2.org](http://www.Lions2s2.org) and [www.GoLions.us](http://www.GoLions.us)**

**Thank you for all you do as Lions.**

## Vice District Governor Fred Wuensche

**Hello, Lion Partners:**

**In the busy pace that it seems we all keep, sometimes the words “Thank You” get overlooked. Please allow me this opportunity to thank you for all you do for the world around us. Stop, please, and think for a moment about the tremendous impact our organization has had all over the globe, in addition to our local communities. Let’s band together to grow and strengthen Lions Clubs, in support of Governor Melba’s objectives for this year.**

**Remember MERL? That’s the Membership, Extension, Retention and Leadership Team. District specialists are available to work with you on all of these issues. The District Directory has contact information for each specialist**

**This month, let’s focus briefly on increasing membership to get our clubs on the “grow.” MERL Membership Chairman Art Drouin has a proven, easy to implement, plan for membership growth in your club. Call Art at 936-890-8840 or email [adrouin@txucom.net](mailto:adrouin@txucom.net) to arrange for him to present his plan to your club.**

**Watch for announcements regarding MERL miniworkshops to be presented as part of upcoming PSC meetings in the next few months.**

**In August, our District Humanitarian Relief Fund board approved a matching grant to the Huntsville Lions Club for a project there. Talk with any HRF board member about opportunities for your club to participate, and then secure an application from Cabinet Secretary Betty Goetzman. Your club can have 50% matching on a qualifying project up to \$2500.**

# LION LEADERSHIP SCHOOL

Dear Lions:

“For ten days I attended the Lions International Convention and District Governor-Elect Seminar. It was a very good Convention. Lion Romito and I enjoyed it immensely as we were reintroduced to the “wonderful world” of Lionism. It is refreshing to observe Lions all over the world bonded in simple the good-hearted, spontaneous spirit of generosity in great respect for humanity.” This inspired me to develop a school for Lions to prepare for leadership positions at all levels.

This important leadership school is to inform and encourage Lions who aspire or should aspire to hold District, State or International offices.

The school is a first and results from suggestions and requests by budding Lions. The District Conventions Committee designed it well to meet the expressed needs. Attending Lions need not focus solely on the May 2004 elections. They may look to later years or encourage and support other capable Lions. Every current and past club president may harvest and reseed their leadership experiences by offering to serve in higher offices and committees.

The School is open to every Lion, (supportive) spouse) and campaign manager. It can empower candidates to hold District, state and international offices. It is my wish that every Lion attend. Bring Lions you want to be leaders.

The School is **October 19, 2004**. The location is beautiful: New China Buffet, 90 FM 1960 West, Houston 77090. For Directions Go to The class is held from 2:30 p.m. until 4:30 p.m. It is not too early for candidates to announce for the various District offices for the year 2004-2005. Each club can proudly sponsor candidates each year. Sponsoring can foster friendly, spirited contests as great leaders emerge. It stimulates club members' participation.

District officers to be filled in July 2004 are Vice District Governor and directors for: The Texas Lions League for Children, Lions Eye Bank of Texas, The Lighthouse for The Blind, and Humanitarian Relief Fund. In addition the District Governor appoints cabinet members and special committees to help conduct District business. Leaders should prepare early to assume the responsibilities.

Each year, there are appointed offices at the Multiple District level for important regional and statewide responsibilities. The school intends to introduce Lions to those positions and discuss their responsibilities.

Please accept this invitation to attend the Candidates School and be empowered to lead your club, district, community, family, and church. Your resume will can grow.

Yours in Lionism,

*Melba Buado*

## Lions District 2-S2

August 6<sup>th</sup> President & Secretaries Council meeting:

The meeting started a few minutes after 7 PM. We had a muttered rendition of “*When you are smiling,*” and a robust, patriotic, energetic “*God Bless America!*” Thank you Lion Ladoris Cates – you have a wonderful voice.

First, I want to thank everyone that attended – for his or her cooperation and patience. The room was not set-up as soon as you walked in and the room’s air conditioning was not working fully. Tonight we changed the physical set-up of the room. The next two meetings you will see an agenda format change. We invite your open-mindedness and welcome your comments. Change is not always easy. There has been an overwhelming cry for changing the PSC meeting – this is a change, however it may not be the change that suits the PSC, PLEASE let us know your ideas and thoughts. Please bear with us. This is our meeting ... not just mine or just yours, it is ours. We want make it worth your time, we want to provide a value to you – if you have an idea on how we can do that, please do not hesitate to let us know.

Wow! What attendance -... 48 Clubs out of 64 represented. 122 attended, 32 Presidents, 35 Secretaries and 55 Guests and District representatives. If you attended the meeting and I missed your sign-in – please let me know – I think this was a first in a long time! The clubs not represented or missed sign-in at tonight’s meeting were: Anahuac, Bay Area, Brookshire/Pattison, Channelview, Coldspring Area, Dayton Noon, Deer Park, Hempstead, Houston-Korean, Houston-Oak Forest, Houston-Vietnam, Humble-Noon, Lake Conroe, Tomball, Tri-City Family and Twin City, again, if you missed the sign-up, please call me. Only 16 clubs missed the meeting – there were a lot of firsts for some clubs ... we are glad you showed. We intend to make it worth your trip!

Special Guests: State Membership Chair Lion Joan Houser; Entertainment Coupon Book Fundraiser, Karen Sharpe; and Lion visitors: Len Honey and Judy Honey of the Corydon Lions Club, Corydon, England, about 12 miles outside of London, England – they presented their club flag to the DG and provided a bottle of Scotch for auction.

My apologies to Klein Lions Club – I missed spelled their club’s name.

Points of information for Sign-in. I will put the sign-up sheets out as soon as possible before the meeting. If your club’s name is for example: Houston-Southwest, please look under the “H” Houston section, which is between the Hempstead and Huffman. There is a sign-up notebook for each of the following: Presidents, Secretaries, Guests, Club Announcements and Parade of Checks. District Announcements should be pre-approved by the President of the PSC. If your name is mis-spelled or incorrect – please make the correction in the book – CLEARLY PRINT. Thank you.

A motion was made and approved: To form a committee to identify possible new locations for the PSC Meetings. Volunteers are to contact PSC President Lion Ann Maxwell.

Protocol and By-Laws are to be published in the next District Newsletter, so that at the next PSC meeting we can review, amend and approve them.

Mack McInvale will be the Guest Speaker at the September 3<sup>rd</sup> PSC Meeting.

Meeting adjourned a little after 8:30 PM and we had a MEOW more than we had a ROAR!

**The Pin**

Don't overlook me, Lions.  
I'm the Lions pin.

Right up here in front. Put the spotlight on me because I'm proud to play a part in the lives of the men and women who wear me as the symbol of service to the community.

I've witnessed excitement, sadness, and happiness. I have been with my wearer as eyes of deceased Lions were removed for deposit in the eye bank.

I was there, too when I watched as the hungry were Fed and the destitute cared for.

I've seen the Leader Dogs instill in a blind person a new kind of confidence as they move about their sightless world.

I heard the hearts of the retarded pounding with joy when Lions visited them. I've seen and heard the laughter of children in playgrounds enjoying recreational facilities and leadership provided by Lions.

Yes, I've traveled all over the world and can recall thousands of incidents diverted from sadness to gladness because those who wear me made it so.

I am a symbol of service to the world.

If I could really talk, I'd be too filled with emotional pride to say more than

"Thank you and may God Bless You and protect you."

## Candidate for Lions International Second Vice President

### Jimmy Ross' Campaign Fundraisers

The Lions of Texas are an integral and vital part of the **Texas Team** to get Lion Jimmy elected. As you know any campaign designed to elect a candidate needs money to financially support and showcase that candidate. The campaign on the way to Detroit during 2003-04 costs money as does any campaign. Also, in a campaign to become an International Officer, costs are extensive. Hence, any funds raised this year will augment the Promote Texas funds. Lions who wish to make a donation to the campaign can do so by clicking on the [Contact Page](#) of the Jimmy Ross website or simply by mailing a contribution to: The Jimmy Ross Campaign c/o PDG Beverly Stebbins, Campaign Manager, 4623 Wooded Acres, Arlington, Texas 76016, or to the the contact specified in the fundraiser promotion. Checks should be made payable to Jimmy Ross Campaign Fund.

The Jimmy Ross Campaign Fundraiser's page lists all the current fundraisers supporting the campaign. Visit the page at: <http://jimmyross.org/rossfundraisers.html>. Flyers for each fundraiser can also be downloaded from this page.

Lion District 2-S2 Youth Exchange  
Chair Lion Gloria Stansky

Hosting Youth from around the world is great fun and a cultural experience, but it wouldn't be half the fun without invitations from 2-S2 Lion Clubs and my daughter, Dr. June Stansky.

Invitations to activities and meetings help with expenses for both the youth and me. The rodeo was fun for the girls and me.

Mai—Britt, from Norway and Merilin from Estonia, experienced their first rodeo thanks to an invitation from Lion Chuck Martin and the Cy Fair Lions Club.

The Bellaire Fourth of July Parade was a real experience for Mai—Britt, Merilin and two young ladies from Finland, Sara and Inkeri. A special thank you to Lion Betty Ezell for hosting them. Thanks to the Bellaire Lions Club for the invitation to the visitors to ride on the Lions float.

Our cultural exchange girls had an added adventure assisting the Lions decorating the float and after the parade taking all decorations off the float.

The Conroe Noon Lions and Spring Houston invitations to their meetings was also an enjoyable experience for the girls.

Dr. June Stansky chaperoned our four visitors at Astroworld. This really was a great help to Betty and me.

The Houston Aldine Club always support the Youth Exchange program and I sincerely appreciate their help.

It would be great if we had more host families in District 2-S2. Please call me if your club needs a program.

Hopefully, the Lion who called my home asking for a program reads this letter and calls me. Merilin speaks english, but her understanding to write information isn't all that great.

## LIONS CLUBS INTERNATIONAL

### WOMEN FOR MEMBERSHIP

International President Tae-Sup Lee is spearheading a bold new initiative to reach out to potential women members. Today there are 196,000 Women Lions which is 14% of Lions membership. District 2-S2 women membership is 577 or 28.47%. Women have been involved in Lions for many years, first as members of Lioness clubs and since 1987, as full fledged lions.

However, this is the first time there has been such a large scale effort to target this largely untapped source directly for membership. The time is now!

I have been appointed by District Governor Melba Buado to join the MERL team as chair of Women Membership and Participation. Lions International has given a goal of 25 net new women members by March 31, 2004. This is a very makeable goal and one we can triple with the joint effort of our club membership chairs, presidents and members.

Club Presidents will receive five copies of the new brochure, for recruitment of women members, "I Am A Lion" ME37 by September 1 This publication targets the concerns of women and highlights the abundance of opportunities available to women through membership in a Lions club.

Women bring in depth community involvement to Lions, along with attention to detail and new ideas for programs and projects. Clubs can have immediate membership growth by bringing in wives, daughters, sisters, mothers and friends. The goal of 25 net new women members could be met by December 31, 2003. By meeting the goal on this date we have the rest of the lion year to triple the goal. Let's get to work!

Lion Kay Burke

## Fun and More, 2004

This is directed mainly to Club officers –But everybody may read and be involved In the MwLLC and convention.

As the Club Calendar of events for the year is built, be sure to include District events as part of your LIONS Membership, Extension, Retention, Leadership “MERL” Goals.

As leader, you must announce your goals early, then immediately recruit, motivated, and train people to implement your goals. May I suggest your MERL goal include a high percentage of club members attending the MwLLC and District Convention.

Following advice given at the MD-2 Convention, MwLLC and Convention are constructed with informative programs and events “*More Fun*” and “*Younger*” —for Families with Children at Home.

We ask you to send LIONS and LEOs (And potential LIONS and LEOs) eMail addresses so we can keep them posted about LIONS happenings (*eMail addresses will be held in confidence and used as occasional notices of District Events*). Encourage suggestions to the Convention Committee for interesting events and subjects to consider. Ask members to volunteer to work on Convention Committees.

### Use Technology Rather Than Geography

Go to < [www.GoLions.us](http://www.GoLions.us) > —a website for continuing information about District (LIONS and LEOs) events. The site is intended as a quick reference for: who, when, where, where, dress, how much, etc. so busies families may attend and be involved District events.

Ask Club Webmasters and Bulletin Editors to link to the site and add articles about the MwLLC and District Convention. Especially be sure LEO members are included.

### Motivation

mo-ti-vate **vt.** To provide with, or affect as, a motive; incite (*Webster’s New World Dictionary and Thesaurus*)

As Club leader, there are many duties. It is important to be effective in all of them —namely, executory, ceremonial and motivational, the leader’s vehicles to success. Which bring us to District activities —MOTIVATION.

Motivation is continuous action, not a speech or a writing. Effective actions proposed are informing, gathering, and carrying people to meetings until familiarity is formed. Sometimes, it is Club financial assistance making attendance possible -or child care. As orientation and retention, newly inducted members should be at the MwLLC and Convention. Motivators find ways.

### The Alamo —the replica

Yes, the MwLLC is in the Alamo January 17, 2004. But this one is a reproduction. It is the same size and shape — and made from stone from the same quarry. It is located in west Houston just off SR 290 (See This one is in District 2S2 and within easy driving distance. Plenty of parking, sites to see, and fun to be in and near. “Go western.” The ambiance is “Old West” including a reproduction of “Sam’s Place” and other antiquities of the era.

The keynoter is PID Pat “Patricia” Shurley -more information later.

LIONS service is fulfilling and it should be fun too. Let’s have more fun, greater excitement and larger service as LIONS and LEOS.

### The Woodlands

The District convention is at The Woodlands April 30 thru May 2, 2004. You love The Woodlands Waterway Marriott Hotel and Convention Center —Beautiful, luxurious, scenic-views, convenience, and fun. What a way to inform yourself in better humanitarian services! More information on . The location is 1601 Lake Robbins Drive, The Woodlands, TX 77380 USA; Phone: 1 281-367-9797

# RECYCLING AT ITS BEST

Sign a donor card and

**G**ive my sight to the man who has never seen a sunrise,  
a baby's face or love in the eyes of a woman.

**G**ive my heart to a person whose own heart has caused  
nothing but endless days of pain.

**G**ive my blood to the teen-ager who was pulled from the  
wreckage of his car, so that he might live to see his  
grandchildren play.

**G**ive my kidneys to one who depends on a machine to  
exist from week to week.

**T**ake my bones, every muscle, every fiber and nerve in  
my body and find a way to make a crippled child walk.

**E**xplore every corner of my brain. Take my cells, if  
necessary, and let them grow so that, someday, a  
speechless boy will shout at the crack of a bat and a  
deaf girl will hear the sound of rain against her  
window.

## 2003 - 2004

# The Lions Year of International Understanding and Cooperation

To emphasize the extreme importance of international understanding and cooperation. Lionism has silently stated as its first object "To create and foster a spirit of understanding among the people of the world." As an irreplaceable asset not only of his community and his Nation, a Lion as a citizen of the world. symbolizes one of the most important sources of hope and joy for the whole of mankind.

More than anybody else. a Lion is fully aware of the mutual interdependence among members of the human family.

Recognizing the fundamental reality of our age that freedom and prosperity can only thrive on a lasting basis in a favorable and friendly environment, Lions put forth their best efforts to promote better mutual understanding and closer cooperation among peoples all over the world.

To make the first object of Lionism a reality, to increase awareness of world interdependence. Let all the clubs of District 2-S2 appoint an International Understanding and Cooperation Chair to work with the District Chair to carry out the following projects:

1. **International Club Twinning**  
To prepare a History of each club and exchange it with the twinning club  
To exchange club bulletins, banners, pictures, newspapers and membership lists.  
It is earnestly hoped that at least each zone in District 2-S2 will be able to twin with one club overseas and get a twinning recognition award from Lions Club International.
2. **International Hosting**  
To offer hospitality in some way to visiting Lions from overseas.  
To visit Lions Clubs overseas whenever occasions arise.
3. **Lions Interclub Program**  
To work together on projects on health, community development, food production, education, school supplies, particularly in developing countries in Asia, Africa, Middle East, South and Central America, and the Pacific Area.
4. **Adult Exchange**  
To utilize adults' skill for educational purposes.
5. **Vitamin A deficiency blindness**
6. **Literacy: What we can do?**  
To start an international pen pal project to encourage reading and writing.  
Sponsor a reading seminar about life in other countries.  
Sponsor an art contest for book cover designs.  
Start a "Give a Book Program"
7. **International School Twinning.**
8. **Stamp Collecting and exchanges;**
9. **International Medical Assistance Program**
10. **Seminar on International subjects.**
11. **International Art Exhibit.**
12. **International Relations Month On World Lions Service Day on Oct. 8 and United Nations Day Oct. 24.**

**Nguyen Cao Thanh**  
**International Understanding and Cooperation**

**We Serve**

***LIONS Code of Ethics***

- TO SHOW** *My faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.*
- TO SEEK** *Success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.*
- TO REMEMBER** *That in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.*
- WHENEVER** *A doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.*
- TO HOLD** *Friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.*
- ALWAYS** *To bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor. and means.*
- TO AID** *Others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.*
- TO BE CAREFUL** *With my criticism and liberal with my praise; to build up and not destroy.*
