Thoughts from your District Governor

Hello Everyone....

Well, Winnie Mae and I earned our "TUIT" yesterday. We began canvassing in Oak Forest in order to re-populate the Oak Forest Lions Club. You know, the Lions Clubs may be the largest service organization in the world, but it is certainly the world's best kept secret. I am amazed at how few people know anything about the Lions. We were both satisfied with our morning. It looks like we will be able to have a "first meeting" in about a week.

Have you ever had a friend who served on a jury? You have to hear all of the details that took place in the court room. It really gets somewhat tiring. The friend will go on for what seems like hours telling all about the trial. Well, it is the same way when you have a friend who, for the first time, has gone out canvassing for new Lions. He or she will want to tell you ALL about each and every interview.

Guess what? I'm not going to do that!

HOWEVER.....

When we stopped to eat at Doyle's Restaurant, a fellow across the room noticed my council tie that I was wearing and motioned for me to come to his table. He said "Hey I really like your tie! You must be a died-in-the-wool Texan!... Where can I get a tie just like that?" I said "If you will join the Oak Forest Lions Club...I'll give you this one!...Do you know about Lions?" He said "I just might do that...I know a Lion by the name of Barron Cagle...do you know him?" It's a small world isn't it?

If you want to get "stirred up" about Lionism, go out and canvas for new lions and you too will want to tell everyone all about your experiences.

Hey everyone.... we have the Bob Dowden Dinner coming up.. don't forget! This year it's going to be held up off highway 1960 at Shirley's Acres so it's easy for EVERYONE to get to. Be sure to bring something to go in the silent auction... or in the loud auction! Remember all proceeds go to our TLC (Texas Lion Camp)

You may not know...

The Texas Council of Governors have endorsed PID Mike Butler from Kerrville Texas to be our International Second Vice President. You will get to vote on this soon. So let's get another Texan in as International President. PID Mike is certainly up for the job and will make a great IP. Let's put him to work! By the way,... PID Mike came to the International Convention and pulled MY "elect ribbon: when we were sworn in. I personally have a great deal of respect for PID Mike.

Wow! Did you attend the club officer training that was held by our GLT (Global Leadership Team) chair? Lion Mark Roth had more folks there than we had at the first cabinet meeting. But why shouldn't he? His meeting is always more interesting than the 'ole cabinet meeting.

AND.....

2012

Lion Mark will be holding another Leadership Training at the Liberty City Hall on Saturday, September 15, 2012. It will be the first of the “regional” training sessions he will be providing throughout the year..... so plan to be there!

Boy! I think that I haven’t had a bowling ball in my hands for at least 30 years....but I’m going to this coming year! The Lions Eye Bank of Texas is going to have a “bowl-a-thon”!!! It will be on February 23rd next year. Now, for it to be a success, there will have to be teams formed and sponsored by either businesses or Lions Clubs. Look for announcements regarding the Bowl-a-thon and get out there and get some teams sponsored.

Here’s another “you may not know”... Have you heard that the Houston Downtown Lions Club is planning to change its name? At their last meeting, Lion Steve Simmons brought the original club charter and presented it to the club. They are the second Lions Club in history. According to Lion Steve, the first is in Chicago and the second is our own Houston Downtown Club. The members of the club wish to change the club’s name to reflect that history. The new name (when approved by LCI) will be the Houston Founder’s Lions Club (or something to that effect) The charter is dated 1917 and is signed by Lion Melvin Jones himself! Here’s a picture of the proud Lions of Houston Downtown with the original charter..

REMEMBER.....
Eight NEW Clubs.....450 NEW Members.

Thought’s from the First Vice District Governor:

“WE CAN DO IT”

Well the first Cabinet Meeting is over. The first PSC meeting is over and our first Council of Governors weekend is over. What does all that mean? It means we are off, and I hope, RUNNING. New members, new clubs, new and exciting fundraisers. New and old community service work.

Now that I am First VDG, I get a lot of monthly reports from International as well as the district. You think you know what is going on, but you find out you really don’t!!

I had a rude awakening this past weekend at the Council of Governors. In one session, the trainer asked us to “grade”, not “rate”, but “grade” our district. Me, I stuck my chest out and put down a “B” for 2-S2, we’re all ok. After we put our grade down, he came around and gave us our report from International. Was I ever shocked – we were maybe a “D+”. We had 285 new members – dropped 329 members – started 2 new clubs – lost 3 clubs. We have 18 clubs with less than 15 members and out of those 18 clubs, 11 have less than 10 members. Now I’m not saying this is bad, I’ll leave it up to you. If you are satisfied - - well, after all they are you’re clubs.

The PSC meeting was great. Lion Pat Mann started on time and ended on time and everything was done. Club & district reports were all taken care of. Way to go Lion Pat!

D.G. Lion Paul would like to start 8 new clubs and increase membership by 450 members this year. Is that possible?? Sure it is. Do the math: 63 clubs, only 8 clubs need to start a new club, which one’s will it be?? Same with membership: 63 clubs – 450 new members = 7 new members per club. How many clubs would not like to have 7 new members at the end of the year????

First VDG signing off till next time.
Yours in Lionism,

First Vice District Governor Eddie Risha

Thought's from the Second Vice District Governor:

While at the District's recent Lion Leadership Training, a question was brought up that many Lion leaders seem to have. The question was raised on what to do when faced with a Lion who seems to be negative about everything. In this negative Lion's mind any new fundraiser, service project, event, etc is bound to fail because of some or many reasons (including the old stand-by "We always do it this way" or "We tried that once and it didn't work). Many suggestions were brought up by the attendees and trainers including having a one on one meeting with the Lion and trying to explain your point of view along with several other ideas. While all of the ideas on dealing with a negative person were good and could possibly work, it reminded me of a training session I went through several years for my church (Yes, I know discussing religion at many Lion's functions is fine-worthy but I am going to press on).

While serving on the vestry for my church, I attended a Vestry Training Day that was put on by the diocese. One of the sessions I attended dealt with individual church's financial committees. The session was presided over by a retired priest whose name escapes me. I'll refer to him as Father Joe. During this session a vestry member from another church asked Father Joe how to deal with a situation he was facing. At his church, to try and make it easier for members to make donations an automated bank draft was set up. Participation was voluntary and it was well received by some members of the parish. Some other members of the parish however felt that it was undignified and that they should abandon the practice immediately. Father Joe asked him if he felt he was doing the right thing for their church and the person responded he thought so. Father Joe thought for a minute and said, "Anytime you do something for a group of people, no matter what you decide to do there is going to be some of them who disagree with you. Even when you are trying to do something that will benefit all of them. In those cases, there is only one thing you can tell yourself." I perked up at this point along with several others anticipating the profound knowledge that was about to be passed our way. "There is only one thing to tell yourself." He continued, "To Hell with them! That's right, tell yourself 'To Hell with them!' Of course I said tell yourself that, don't tell them that. Just thank them for their input in a nice way and continue down the road you are taking."

So new Lion leaders when faced with someone who is continually being negative to your new ideas and wants to resist change at all costs, even when you are convinced that you are trying to do something that will help your club or your community. Remember the lesson I learned from Father Joe and say to yourself "To Hell with them!" Remembering what Father Joe said and to only say this to yourself. Never out loud.

Second Vice District Governor Chris Moorman

Please bring your used eyeglasses to the PSC meetings. Have a count of the number you are turning in; the total will be announced at the meeting and in Paw Prints.

We only count complete pairs of glasses. We need a total count of the glasses from the person that brings them to the PCS monthly meetings. No special packing needed, save all cases, we sort through the containers at the recycling center for the final sort (those that can be cleaned, adjusted, and washed). Do not count loose lenses into the totals collected.

Each month, or whenever you choose to do so, we can supply the totals collected the previous month to the other members.

Thanks for your help.

The Benefits of recycling

Hot Investment during this financial turmoil:

A little humor which we could all use these days...

If you had purchased \$1,000 of shares one year ago in:

1. Delta Airlines, you will have \$49.00 today.
2. AIG, you will have \$33.00 today.
3. Lehman Brothers, you will have \$0.00 today.

But, if you had purchased \$1,000 worth of beer one year ago, drank all the beer, then turned in the aluminum cans for recycling refund, you will have received \$214.00

Based on the above, the best current investment plan is to drink heavily & recycle. It is called the 401-Keg.

A recent study found that the average American walks about 900 miles a year. Another study found that Americans drink, on average, 22 gallons of alcohol a year. That means that, on average, Americans get about 41 miles to the gallon!

Makes you proud to be an American!

LOL!!!!

On a more serious note

We are at the start of the district 2-S2 year our mission is to create a better environment through projects.

But what project can I do?

When we do not have the time

When we have so limited cash

When I'm not able to mobilized a group from my club to do the work

When there are no easy projects that can be done within that time frame.

Let's not wait.

Nor procrastinate,

Putting it off for another date.

The time is now

So let us start the campaign to reuse, reduce and recycle.

Should you need our assistance in starting a project please give us a call or email us at bun874@gmail.com

Douglas, Stedman. H. - Environmental Chair

Hello everyone,
In order to create 8 new clubs in our district, we will need to have a group of dedicated individuals to canvas the various areas.

I am also offering help to any club in our district that wants to have a membership drive. I visualize that help being assistance in canvassing their area for new members.

No one will work alone. Our team members will work in pairs... one carrying notepad and applications and the other doing most of the talking.

I know this works because this was done to create the Crosby, Nasa and La Porte clubs.

I know not everyone will be able to assist each time, so I am asking that a pool of individuals be made available that we can call on for each project.

As it stands now, we have three clubs that need us... the Oak Forest Club, the Montgomery Club and the Riverside Club. All need a membership drive.

For you to be a member of the "Pool", just send me an email with a "yes" reply.
I thank each and everyone of you for your service.

The Lions Eye Bank of Texas to Turn 60 in 2013

The Lions Eye Bank of Texas at Baylor College of Medicine (LEBT), located within the Texas Medical Center, was founded in 1953 by Baylor and the Lions Clubs of the Texas Gulf Coast. LEBT procures nearly 2,000 eye donations every year to support the surgical demands of physicians across the Texas Gulf Coast and beyond.

The Lions Eye Bank of Texas is a very special organization – even in the community of “Lions Eye Banks”. LEBT is a partnership of two key resources committed to sight enhancement and improvement. The Department of Ophthalmology at Baylor provides the clinical resources of corneal specialists and others to assist in the oversight, training and quality management of eye banking and corneal transplants. Honoring the challenge of Helen Keller to be Knights for the Blind, the Lions Clubs have demonstrated nearly a century of commitment to fighting for the correction and rehabilitation of sight-threatening conditions. These combined resources create one of the leading eye banks in the United States.

The Lions have adapted well over the years to help meet the ever-changing needs of the eye bank. In the early days, Lions assisted with the procurement of tissue at the VA Hospital. When seed money was needed to establish an eye institute at Baylor in the late 1950’s, the Lions held two telethons and raised over \$400,000. With the Cycle-for-Sight in the 1980’s and the on-going White Cane Days, the Lions provided the resources to promote awareness in the community of the need for a steady supply of corneas to meet the growing demand.

As part of the 60th Anniversary year celebrations, the Lions Eye Bank of Texas will host a Bowl-a-thon in District 2-S2 on February 23, 2013. The theme for the bowl-a-thon will be a “Return to the 50’s”. Participants will be encouraged to dress for the era. While the Lions of District 2-S4 have held successful bowl-a-thons for years, this will be 2S2’s very first such event.

With the two year old Texas Donor Registry, it is important that our Lions are out in front promoting donor registration. Funds raised will support the mission of the Lions Eye Bank of Texas of promoting educational programming. Look for more information about putting a team together in the coming months.

25th Annual Lions International Peace Poster Contest

Imagine Peace

Sponsor a Lions International Peace Poster Contest and join clubs worldwide in sharing children's visions of peace with your community.

How the Contest Works

Lions clubs sponsor the contest in a local school or organized youth group. The contest is open to students 11-13 on November 15, 2012. Participating students are asked to create posters visually depicting the contest theme, "Imagine Peace."

One winner for each contest sponsored by a club is chosen to advance to the district governor for judging. On the district level, one winner is selected to go on to the multiple district competition and from there one winner is forwarded to International Headquarters for the final judging. Entries are judged at all levels on originality, artistic merit and portrayal of theme.

During the final judging, 23 merit award winners and one grand prize winner are chosen to represent the many entries submitted from around the world.

Awards

Artists of posters advancing to the final international judging are recognized as follows:

- **International Grand Prize Winner** receives a trip to the award ceremony at Lions Day with the United Nations (subject to change). At the ceremony he/she will receive a cash award of US\$5,000 (or local equivalent) and an engraved plaque.
