## Thoughts from your District Governor ....

**Chris Moorman**

Well, this past month passed by quickly didn't it? Hopefully you and your Lions Club is on the way to a successful year and will be doing projects that meet your community's needs. If you aren't sure what your community needs are, Lions Clubs International has the tools to help you find out. I've written about the Club Excellence Process before, but it is worth repeating since not enough of our clubs are taking advantage of it. According to LCI, the Club Excellence Process (CEP) is "a fun, interactive process that brings members together to look at what your club is today and what it will be tomorrow. It gives you the tools to strengthen your service, improve club effectiveness and enhance your membership experience. CEP is the perfect resource for any club that wants to achieve excellence!"

Sounds like a great program! Where do we sign up? <http://www.lionsclubs.org/EN/member-center/membership-and-new-clubs/strengthen-membership/club-excellence-process/> is the website for the Club Excellence Process. There are two versions available CEP Pro, where a trained Lions facilitator is used to guide your club and the CEP Lite for clubs who prefer to have a club member lead the process. Both versions involve the same steps:

- Assessing your club and your community
- Making an Excellent Club
- Determining Club Needs
- Settings Goals for the Future

While the steps might seem simple, the process will help your club identify unmet community needs and reach out to the community to see help determine how your club can met these needs. Meeting needs doesn't always mean back-breaking work or a lot of money, it could mean things would be relatively easily achieved by your club. Part of the process will also involve rating your club and helping to make your club more effective. While many of us might be a little scared in rating our club, it is the type of action that needs to happen if you want to attract people to join and do the work in the community you've identified for action.

So please read more about CEP at the website above and talk to your club about going through the process. Hats off to the district clubs who have gone through the CEP program and hats off to the district clubs who are considering it. If you have any questions or would like more information, please let me know.

## **Thought's from the First Vice District Governor ...**

**Noah Speer**

This past weekend, I had the privilege of visiting the Leader Dogs of the Blind facilities in Rochester Hills, Michigan. If you remember one of my articles last year, I made the comment that one of the characteristics of Lions is that we build leaders. Not just leaders within in the individual clubs, but in the communities and work places of Lions. A second characteristic of Lions is that we change lives. Think about it for a few minutes. How has being a member of \_\_\_\_\_ Lions Club changed you. How has being a Lion changed others - some individuals or organizations that you may have not directly contacted. Lives were changed when we provided a pair of glasses for the child to see the blackboard in school. Lives were changed in the children we sent to camp. Lives were changed for the handicapped for whom we build wheel chair ramps. Lives were changed by the Leader Dog we provided for the blind. Lives were changed by the measles inoculation we provided for the child in Africa. Lives were changed by learning to lead clubs, club projects, and Districts. Lives were changed by ..... (you provide the rest of the line). We, as Lions, use clubs, club projects and national and international programs to effect these changes. We look for new members to 1) continue that service and 2) to increase our service so that we can continue to develop leaders and change lives. So building membership is not just an exercise to add numbers but a effort to add members to that we can continue to build leaders and change lives. WELCOME TO LIONS!

## **Thought's from the Second Vice District Governor ...**

**Mark Roth**

### **Advice for the Zone Chairperson**

**NO! I hope you never catch me offering another Lion "advice".** *On that subject, let me simply say "Never offer a Lion something they can't pin on their vest". With that general understanding, I would hope that you plan to enter your year as Zone Chairperson with two simple goals in mind – to have fun, and make new friends! With that attitude, you just cannot fail.*

*After a brief description of the Zone Chair "fundamentals", I will share some of the ideas that I've seen used by really effective Zone Chairs. The primary functions of the Zone Chair include communicating information between the Clubs in the Zone and the District, providing coaching support when Clubs experience challenges and motivating and supporting club officers. To accomplish these objectives, the Zone Chair will organize and plan the quarterly Zone meetings. This is where District news and events will be shared with the Clubs, and Clubs' news and events can be shared with each other.*

*Club visitations are the fun part. It is while attending these that the Zone Chair connects with his or her Clubs. By participating and taking notes, the Zone Chair will gather information about Club activities that can be included in the Zone Reports offered at the Cabinet meetings. If done well – meaning gathering timely information about upcoming events – the Club activities can be publicized enough in advance to get support from other Lions across the District. The Zone Chair should be able to monitor the Clubs' effectiveness by participating and making general observations at the Club meetings they attend, too.*

*The on-line resource "MyLCI" is a great tool for the Zone Chair, as well. If you have not taken advantage of this resource, please contact one of your District officers for assistance. From the Zone Chair features on MyLCI, you can gather member information and develop a really handy list of membership data that will make generating mailing lists fairly simple.*

*I've seen really successful Zone Chairpersons in the past who had the best times and made great friends while serving their year as Zone Chair. The common elements I saw were "organization" and "planning". One Zone Chair whom I recall had a mastery of the job had his Zone activities planned out for the entire year well before the year even got started. This doesn't mean it's too late to start planning today. Before his first Zone meeting, this great Lion created a nice manual with important Club officer information detailed, resources noted and a calendar with Zone meeting dates listed for the entire year.*

*At the first Zone meeting, he met with his Zone's Club officers and set up a plan for visiting all the Clubs in his Zone throughout the year. I know that I enjoy attending Club meetings, but for some reason "planning" them has always*

*been the really hard part. Isn't it great when that part is done early in the year? It makes procrastinating obsolete! This great Zone Chair taught me that the fourth and last Zone meeting should be special. He made it so, too. Instead of the more formal "meeting" setting, he made it a party. We met at a restaurant and shared successes and focused on the Clubs' accomplishments for the year. He even encouraged the Club officers to include the newly elected officers who would be replacing them the next year. At this meeting, Lions who really worked hard over the year were recognized for their contributions.*

*So, if you make a personal commitment to have fun and make new friends when you sign on to serve as Zone Chair, I promise you that you'll NEVER feel like someone had to twist your arm to serve. Serving your fellow Lions is just one more way that WE SERVE.*

*For more information about being an effective Zone Chair, please log on the LCI's Leadership site and click on the **Zone Chairperson Training link:***

## **LIONS CLUBS** INTERNATIONAL

### **HUMANITARIAN RELIEF FUND**

Have you ever heard of this committee? This fund is at the root of the basic function of the Lions—Community Service. This is one way your club can help others (not Lions) in your community that have a special need. There is a form and rules that must be met; however, they are easy to follow.

First funds are limited to a total of \$2500—half from the District and half from the requesting Lions Club. The Club must submit a form requesting funds. No money is paid to the individual requesting the funds, nor can anyone who is a Lion be served by the HRF. Again, the total request cannot be more than \$2500—half to be paid by the District and half from the individual club.

The check from the club for half of the cost, as well as a statement of expenses and a statement of whether this is an emergency request must be submitted to the District Secretary. The District Secretary will submit the request to the HRF Committee and they will vote on the request.

Some of the previous requests have been for specialized medical equipment, special glasses or braces, home repairs or doctor or drug bills, etc..

If your club recognizes a need, you can call or e-mail anyone on the HRF Committee and they will answer questions for you.

Members of the HRF Committee are Lions Winnie Mae Eads, Betty Williamson and Jim Kerr, Directors.

Also DG Chris Moorman, IPDG Eddie Risha, 2VDG Mark Roth and the Director/Chairman 1VDG Noah Speer, as well as the District Secretary Betty Ezell and District Treasurer Greg Turner.

This can be a great service to a deserving person and the District and your club split the cost.

**LIONS DISTRICT 2-S2  
HUMANITARIAN RELIEF FUND  
MATCHING FUNDS REQUEST FORM**

HRF provides funds for local disaster relief and to aid Lions Clubs  
in humanitarian efforts that are beyond the resources of the individual club.  
HRF will match funds ( up to \$1,250 ) raised by clubs to aid in their projects.

Once the HRF Request has been approved, the Cabinet Treasurer will issue the check to the service provider

This is “whots-hap-nin”..... **HUMBLE** is busy firming up plans for their new fund-raiser....a Gumbo Cookoff. It will be held on January 24. Hmmmmm, Gumbo will taste good bout then.....

**HOUSTON SPRING BRANCH** and **HOUSTON MEMORIAL LONS** are joining forces and giving away free American flags in front of Kroger’s stores in their neighborhoods.

They are advertising their clubs while, at the same time, supporting the Wounded Warrior Project. Their next “give-away” date is Veterans Day in November.....**SAVE THE DATE!!!**

**HOUSTON ALDINE** will be celebrating their 60th birthday on October 16 at their regular meeting place---Rudy’s BarBQue on I-45 near 2920. Lions and friends are invited to attend to celebrate this wonderful occasion.

**DID YOU KNOW???? HOUSTON GREENSPOINT** collects over 300 pairs of glasses each month and donates them to the Conroe Recycling facility. Also, two of then members have just returned from Romania on an eyeglass mission trip.

One of our newest clubs, **KINGWOOD**, is planning a “White Cane Day” event to make connection with their community to service and membership.....

Here are some important dates to remember:

October 4th marks the 6th Annual Gala for the **HOUSTON ROYAL OAKS** Lions.....

On October 18th the Charter Night for the **HOUSTON LADY** Lions Club will be held.

All Lions are encouraged to remember, register and walk in the Vision Walk at Discovery Green on October 4th. Stay tuned for more information on these great events.

**REMEMBER**, if you want to spotlight your club in this column, contact your zone chairman or Terry Landers.

Texas Lions Camp's mission is: "To provide, without charge, a camp for physically disabled, vision/hearing impaired and diabetic children from the State of Texas." Established in 1949, it is a summer camping facility dedicated to serving children from the State of Texas with physical disabilities and Type I diabetes. The camp is located on over 500 acres of hills and woodlands in the beautiful Texas Hill Country. Programs at Texas Lions Camp offer campers a chance to try new activities and create life-long friendships, while developing greater self-esteem and independence.

The Bob Dowden Dinner is presented by District 2-S2 in an effort to raise funds that allow children to attend camp at no charge. The dinner is scheduled for October 1, 2014 at the Grand Palace in Spring. The event will bring together over 150 Lions and their guests!

Sponsoring the Bob Dowden Dinner is an ideal way to profile your organization and more importantly allows you to touch the families of over 1,500 children with special needs that attend our Texas Lions Camp. I fully realize the dangers of participating in a bicycle ride and fully assume the risk associated with such participation, including by way of example, and not limited to the following: the danger of collision with pedestrians, vehicles, and other riders and fixed or moving objects; the danger arising from surface hazards, equipment failure, inadequate safety equipment, and weather conditions ;and the possibility of serious physical and/or mental trauma or injury associated with athletic participation. I hereby waive, release and discharge for myself, my heirs, executors, administrators, legal representatives, signers, successors in interest and all rights and claims which I have or which may hereafter accrue to me against the sponsors of this event, the organizers and any promoting organizations, property owners, law enforcement agencies, all public entities, and special districts, through or by which the event will be held for any and all damages which may be sustained by me directly or indirectly in conjunction with the event, or travel to or return from the event. I agree it is my sole responsibility to be familiar with the ride course and special regulations for the event. I understand and agree that situations may arise during the ride which may be beyond the immediate control of the ride officials or organizers, and I must continually ride so as to neither endanger others or myself. I accept responsibility for the condition and adequacy of my equipment. I will wear an ANSI approved helmet at all times while riding my bicycle. I have no physical or mental condition, which, to my knowledge, would endanger another or myself if I participate in this event, or would interfere with my ability to participate in this event.
