Fellow Lions: Another month has come and gone already. One quarter of our Lions year is now history. Just returned from the USA/Canada Forum in Grand Rapids, Michigan. Several Lions from our district were in attendance. The weather was great and of course so was the Forum. Mark your calendars for next year when it will be held in Saskatoon, Saskatchewan. Lion Rick Reynolds will be discussing this with you in the coming year.

Lions Quest held its annual USA/Canada pre-forum seminar with a focus on training District and Multiple District Lions Quest Chairpersons. Lion Tony Austin, our District Chairperson, and Vice District Governor Barren Cagle were among those in attendance. Run by Lions Clubs International in partnership with local Lions clubs, Lions Quest gives children from kindergarten to seniors in high school life skills needed to grow up with self-control and concern for others. Look for more information from Lion Tony and Vice District Governor Barren in the coming year.

Lions Clubs International is re-embracing the October Growth Award Program. You older Lions (in Lions service not age), probably remember the October Growth Award Program and its emphasis on membership recruiting in the month of October. Many clubs worldwide still recognize the program and continue to recruit a majority of their members during October.

How can your club obtain the October Growth Award? Banner patches will be awarded to the top three (3) clubs in each district with a **positive net growth in membership during the month of October**. A net membership growth of 3 is the minimal requirement to attain this award. These awards will be solely based on the WWMRs and MMRs received during the month of November. In addition, your club's name will appear on a page of the LCI Web site specifically designed to recognize achievement during the October Membership Growth Award Program.

So conduct a fun event, invite new faces to your club, consider our own "Lions Pride Night" and watch your membership grow!

Past District Governor Ed Stebbins from LCI Extension Workshop will be in our district October 1 through October 4 to help develop new clubs. Your M.E.R.L. Team, PDG's, Vice District Governor and yours truly are looking forward to PDG Ed's visit and training. Those that have been contacted and have agreed to help, please mark your calendars for those days. Training will begin the evening of October 1<sup>st</sup>, Monday. We are also in need of Guiding Lions to help in this endeavor, so anyone interested please let us know as soon as possible. Your help will be greatly appreciated.

Until next time.... Yours in Lionism

#### **A report from Sandy Griffin, Leader Dog Puppy Raiser**

2007 International Convention, Chicago, IL

What a wonderful trip, a Great Texan Lion International President and a beautiful city to spend my last days with Ivy Green #7. I had actually finished teaching her when she went to sleep in an auditorium of over 17,000 people. After the Convention it was time to return Ivy to her Leader Dog School.

When returning from the auditorium to our hotel, Ivy and I boarded a bus and the nice driver offered us the first seat (it was filled with packages he would have needed to move). I thanked him and proceeded to the next available seat, which was half way to the back.

Upon arriving at the hotel, most of the passengers stood to file off the bus. When over the announcement system came the bus driver; "Would the lady with the guide dog indicate if you need assistance?" I replied; "Thank you but I am fine!" When again "Would the lady with the guide dog come forward, I have two volunteers waiting to help you across the street!" A helpful fellow bus rider shouted to the front, "She is on her way!"

Finally I arrived at the driver's seat and quickly explained that I am the teacher of the dog, I am a sighted person and everything was fine.

I thanked him on behalf of Ivy's future partner. As Ivy and I proceeded off the bus, I was grabbed at each elbow by the two helpful volunteers wanting to help me across the street. They were both talking at the same time and I thought I was under arrest for impersonating a blind person!

When all was settled, I felt so good that so many people from all over the world wanted to assist, what they believed was a Puppy Raiser Texan who was Blind.

This is a true story.

## The Year of the Super-Bug

In this day and age of faster, powerful things, this also includes bacteria. I have seen first hand what flesh-eating bacteria can do. Both my daughter and granddaughter have been infected with a super bacteria that overnight can cause a lot of damage to your skin and internal damage. Luckily her doctor knew what he was looking at and got it under control without hospitalization.

A teenage football player wasn't so lucky. On Monday he felt like he was coming down with a cold or flu and by Wednesday he lay near death in a coma. After a 3-month hospital stay he was left very weak and it took him the rest of the year to recover.

This super-bug is called CA-MRSA. This is a very dangerous staph infection. Three or four years ago it would target the elderly, debilitated and chronically ill patients. Now it is infecting athletes and perfectly healthy people.

How do you protect yourself and your family Here are a few doctor recommended tips:

- **KEEP YOUR HANDS CLEAN.** Washing your hands several times a day with soap and water is the single best way to combat staph. Teach children to rub their hands briskly for 15 seconds or as long as it takes to recite the alphabet.
- **COVER CUTS AND SCRAPES.** Any wound should be washed with soap and water and covered with a dry sterile bandage until it heals. Bandage should be changed daily. Pus from an infected sore can contain CA-MRSA. It is important to wash your hands after changing bandages.

- **DON'T SHARE PERSONAL ITEMS.** Tell your children not to use friends or teammates towels, washcloths, uniforms, clothing or razors. People who appear perfectly healthy can still carry the CA-MRSA germs. Shared sports equipment such as helmets, gym suits, gym mats should be treated with antibacterial solution after every use.
- **SANITIZE GYM CLOTHING AND LINENS.** If anyone in the family has a cut or sore wash linens and towels in hot water with added bleach. Wash all washable sports equipment with laundry soap after each use. Drying clothes in dryer instead of clothesline also kills bacteria.
- **REMEMBER FLU SHOTS.** Since the flu lowers your resistance to CA-MRSA getting vaccinated every year helps protect against both diseases.
- **GET TESTED.** If you have a skin infection that needs medical treatment, ask your health care provider to check for CA-MRSA. Many doctors prescribe the wrong drugs because they don't do a test.
- **BE SURE TO TAKE ALL YOUR PRESCRIPTION MEDICATION.** Even if your skin heals. Bacteria you leave alive today can morph into tomorrow's super-bugs.

**The flu season is coming up soon.  
The best time to get your flu shot is in  
October or November.  
Remember: WASH THOSE HANDS!**

Until next time.....

Message from the Legal Division: New Member Benefit Program

I would like to share with you some exciting news about a new member benefit program. Lions Club International (LCI) has developed a successful relationship with CT, the industry leader in legal services. CT currently provides Registered Agent and other services for LCI. Through this relationship we have created a member service that will assist your Lions Club, District or Foundation (“Lions Organization”) with incorporation filings, the formation of new Lions foundations and the completion of any other necessary filings at your Secretary of State office at substantial savings.

The services that CT provides are a cost-effective way to manage the business of maintaining your Lions Organization in good standing within the jurisdiction of your state or country. I encourage you to review the information below and to contact CT with any questions or requests. We are happy to bring this new member benefit program to you, and invite you to visit the CT booth at the upcoming USA/Canada Forum in Grand Rapids, Michigan [www.usacanadalionsforum.org](http://www.usacanadalionsforum.org).

Sincerely,

## 501(c)(3) tax-exempt status needs

### **Registered Agent Services**

As many of you are aware, a delay in delivery of critical legal and compliance documents can be costly. These documents are typically delivered to the Registered Agent of record. The Registered Agent of record in some instances has been a former officer or member who has moved or no longer has ties to the Lions club, district and/or foundation. This has resulted in missed responses to legal action or compliance matters. CT is able to provide delivery and tracking of these critical documents.

### **Naming CT as Registered Agent**

All you need to do is call CT at **1-866-331-2303**. Any required forms will be prepared and filed on your behalf to name CT as your Lions club, district and/or foundation Registered Agent. As an added incentive for Lions clubs, districts and foundations, CT will waive its filing service charge and absorb all state filing fees associated with the change of agent. Evidence of the filing will be returned to you directly - it is that easy!

### **Formation (Incorporation) Services**

CT will provide all the services to Incorporate your Non-Profit Lions club, district and/or foundation with the Secretary of State and put you in contact with The Foundation Group to assist your foundation with all its 501(c)(3) tax-exempt status needs.

### **Annual Report Services**

CT can assist in filing Annual Reports, which are required to maintain your Lions club, district and/or foundation in “good standing” with the Secretary of State. These filings are required in the jurisdictions in which the entity is registered. CT can handle the preparation and filing of these reports for Lions clubs, district and/or foundations.

### **Lions Clubs, Districts and Foundations Are Entitled to a Substantial Discount**

Each Lions club, district and/or foundation may take advantage of these benefits at a substantial discount off published CT rates! Please refer to the Lions Clubs International/CT Rate Sheet for more details.

### **All it takes is one phone call**

All you need to do is call CT at **1-866-331-2303** to change your Registered Agent to CT or to form a new Non-Profit, incorporated entity or foundation. If you prefer email, CT can be reached at [LionsClubs@wolterskluwer.com](mailto:LionsClubs@wolterskluwer.com).
