District Governor Fred Wuensche

Hello, Lion Family:

By the time this gets printed and mailed, our Lions Year will be one third over. You're achieving some remarkable things this year, both great and small. They all add up to very significant progress toward our common goal of leaving 2-S2 a better place because we all served this year.

- Tonight VDG Buzz, Lion Judy and I got to make the Governor's Visit to the Houston Beltway Lions. Beltway is a modest-sized club, some 19 members, but 18 of them turned out tonight for the induction of a new member, Ms Jewelry Richardson. That's about 95% turnout!
- We have a new Retention Program in place and functioning, thanks to Lion Judy Champion.
- The Three Membership Musketeers (Art Drouin, Ed Hohman, and Billy Chaisson) are fanning out throughout the District to promote the Membership Growth program. *Your* Club can win the Growth Contest, and even the Governor's Cup.
- We have a start on a new Club at Copperfield, and will begin another extension effort before November 1. The possibility of the District's first Spanish-speaking Club has been raised in Conroe.
- Lions Barron Cagle, Susan Escareño, VDG Buzz and the Convention Committee are putting the finishing touches on a high-value, fast-paced, enjoyable Midwinter Conference. January 22nd is the date, and the place is the Conroe Convention Center. Get signed up early!
- We have probably the greatest team of Region and Zone Chairs this year in all the time I've been a Lion. Their diligence and enthusiasm have spread around the District, and are setting examples for us all.
- We're enjoying the benefits of a new sound system for our meetings, a big help for us all, and a major plus for hearing challenged Lions. By the time you read this, we will probably have a Video Projector capable of serving up great graphics and videos to our largest audiences.
- Thanks to Leadership by our PDGs, we're well on our way to being 100% to the Texas Lions Camp by December 31st.

Fred Wuensche

THANKS, 2-S2! I'M PROUD OF YOU!

Vice District Governor C.W. “Buzz” Goins

A point to ponder.

*Why are we quick to judge our fellow man when the
God we serve does not judge us until after we are dead?*

**The Mid Winter Lions Leadership Conference (MWLLC) is set for Saturday, 22 January 2005
at the Conroe Lone Star Convention Center.**

The emphasis will be on training. A wide range of programs will be offered and will include Club Officers Training (all offices), Leadership Training for all Lions who are and who aspire to be successful club officers, Retention Training which answers the question, “Why does my club lose members?” Interestingly enough, at the USA/Canada Forum a factoid was given that caused quite a stir until it was dissected and analyzed. A wide ranging survey showed that 82% of the “lost membership” left because of “long and boring meetings”. I challenge all former and current club officers to consider this statement for a glint of relevance at your club. If you find the truth or a scintilla of doubt, run do not walk to the MWLLC to rectify the problem before the members come to the same conclusion you did. The simple truth is that you are not doing a credible job, and ignorance, contrary to common belief, is an excuse – until you have been told or offered the opportunity to be educated. It must be understood that ignorance (The lack of knowledge.) is a beginning point for all of us and a correctable condition and thankfully, most people they are willing to learn. A philosophy professor made this distinction; “Some people are observant enough to educate themselves while others realize their needs and seek education, and a not too small a minority will absolutely refuse to elevate themselves above the status of fool.” This of course is a rehash of the snapshot evaluation, “A genius is a person who knows more than you.” For most of us, it is a question of knowing enough to “do our job” and “make a difference” which, of course, secures our position in the company of our peers.

Will Durant once observed, “No one should ever ignore the opportunity to learn something new.” Enough said?

A list of courses and times will be made available very shortly. You will be able to sign up for various courses at different times throughout the day. Also, we are honored to have PDG Aubrey Cherry as our guest speaker for this event.

C. W. “ Buzz ” Goins

P&S Minutes for September 1, 2004

- I. Call to order 7:00pm
- II. Invocation - Wayne Mack
- III. Pledge - Tommy Capers
- IV. Song - LaDoris Cates

 - d. District Pins are in
 - e. Membership Growth - "Tell them what we do and ask them to join"
- XV. Adjournment.
- XVI. Lions Roar

James S. Bolt III "Jim", PSC Secretary

Precautions Increase After Kidnapping of Gavel

It was a dark and dreary night, the unsuspecting President of the P & S Council with many agenda items on his mind. Who could have seen it coming? Who could have anticipated the outcome? The room was full and the atmosphere electrifying, even bewitching. But still it happened, someone took the President's gavel and it has yet to be returned. How could this have happened? And now, a ransom note has surfaced. It cautions the President that if he ever wants to see his gavel again, he should send money to the charity indicated on the note. There are few clues to the kidnapping, but several fingerprints were left on the note. Was this an accident, or just dumb luck for the kidnapers? If anyone has any knowledge or whereabouts of the President's gavel, please forward the information to Lion Mary Krebs for further investigation. Here is a copy of the ransom notes.

Hello Lions,

Another ROARING success of a meeting.

#1 raising over \$300.00 for the young Mr.. Tanner who gave a great presentation on Juvenile Diabetes.

#2 raising over \$1200.00 for the Dragon Boat Race

The Lions of 2-S2 as Governor Wuensche would say 2_S2 we are proud of you

Also, A friendly reminder of the Upcoming Bob Dowden Dinner. More specifics will be presented at the next meeting.

Speaker will present on The Houston Airport systems and how they effect there surrounding area.

Thanks'

Lion Larry T. Snider II

LIONS DISTRICT 2-S2 2004-2005

DIABETES AWARENESS ESSAY CONTEST

“PEOPLE WITH DIABETES TREATED WITH DIET ONLY ARE POORLY MONITORED”

The essay should analyze the problem and present a solution. Research for this topic can be conducted by interviewing school officials, teachers, doctors, nurses, paramedics/emt's, other medical professionals, diabetes research organizations, diabetes patients, and the inter-net and by using the library. The topic allows the contestant considerable lead way in proposing a plan. Sources of data and quotes should be identified by title and date published (year if known). Innovative, practical and reasonable ideas are welcomed. Each contestant must be a full time student at a public school or comparable educational program of learning at the junior or senior level, within the area designated as District 2-S2 in Texas Lions Clubs districts.

The Diabetic Essay shall be a written article to be read by the contestant/author at the District 2-S2 Contest on March 5, 2005. A written copy should be sent along with the Application.

The essay shall not exceed 1500 words. All words in the essay are counted including articles, conjunctives and pronouns, for example, i.e., “a,” “I,” “the,” “and,” and “an.”

In addition to the copies used by the contestant in the reading of the essay, each contestant submits *four (4)* double-spaced, typewritten copies of the contest essay at the time the article is read.

Each contestant must personally research, write and read the contest essay and present it before judges and spectators. The essay must include a bibliography of sources used in its composition.

Two or more of the judges should be knowledgeable about the medical aspects of diabetes; one or more should be an educator knowledgeable about English grammar, sentence structure, pronunciation and its correct usage.

The following are the criteria used for judging essays:

1. Sixty percent currentness, authenticity and application to the assigned Essay Topic.
2. Fifteen percent grammar, sentence structure, pronunciation, enunciation, correct word usage, and relationship to the assigned Essay.
3. Twenty-five percent understandability of the essay through personal presentation techniques in use of posture, eye contact and voice by its modulation, volume, speed, clarity, and enunciation.

No one will be allowed to enter during an essay reading nor leave until judges have finished scoring the contestant. All contestants may visit the stage area, be shown the area of mike pick-up, test voice on mike for sound level and be allowed to ask questions concerning the contest, the contestant's area, procedures, grading scorecards, etc.

Contestants will draw for positions and remain outside the contest area until invited to enter by the Contest Chairperson. Contestants will not give any self-introduction but give the title of their essay and then proceed with the reading. The audience should be informed before the first contestant to not applaud at the end of the essay. Contestants may remain to hear following essays.

When all essays have been presented, contestants assemble in the order of their presentations to state their names, hometowns, ages, schools, grade levels, and LIONS club sponsors. At the end of this process, the audience may collectively applaud all contestants.

Persons involved in the conduct of the contest, parents, chaperones, and guests of the contestants, may be introduced.

The winner will receive a Scholar/Grant of \$500.00 from the District. A receipt from a college, junior college or vocational school for registration or a request for payment from the registrar will qualify and the scholarship money will be sent to the school. Scholar/grant must be collected no later than two years following the recipient's date of graduation from high school or achievement of the equivalent.

Send Application, copy of Essay and check (payable to District 2-S2) to

PROPOSED AMENDMENT
LIONS DISTRICT 2-S2
CONSTITUTION AND BY-LAYS

Since the last dues increase for Lions District 2-S2 in 1997

- Costs for printing, postage and supplies continue to increase.
- The District has had to cut expenses for membership development and travel for the Vice District Governor.
- The membership in Lions District 2-S2 has dropped by more than 450 members.

Currently, there is an extreme need for funds

- To cover the ongoing expenses of the District Administration, such as postage, printing and office supplies.
- To provide reasonable reimbursement of Vice District Governor Expenses
- To develop members recruiting materials and Club Extension expenses.
- To provide a fund for a Digital Projector and other equipment to benefit Leadership Development, Club Extension and Public Relations.

Article X, Section 2 – District Administration Fund, Subsection (a)

Currently reads:

“To provide a District Administrative Fund, a semi-annual per capita tax in the Amount of \$8.50 annually (\$4.25 semi-annually) shall be levied on each Member thereof. Said tax shall be remitted by each club in the District to the Cabinet Treasurer as hereinafter provided.

Proposed to read as follows:

“To provide a District Administrative Fund, a semi-annual per capita tax in the Amount of \$10.50 annually (\$5.25 semi-annually) shall be levied on each Member thereof. Said tax shall be remitted by each club in the District to the Cabinet Treasurer as hereinafter provided.”

Adoption of this proposed amendment will require a 2/3rd's approval of the Certified Delegates to the 2005 District Convention. If approved the change will be effective July 1, 2005.

Houston Spring Branch Lions Club With District Float, Notice Lion On Old Chevy

Remember the district a Float for use to any club that wants it. All that is asked, is that you take care of it and remove any staples that you might use on it. To book your use of the District Float Contact: Lion Bob Otto - H: 281-0363

Mrs. Hornsby, CIS Art Teacher, students, parents, Lions Club, and numerous staff members helped to create a fantastic float to represent CIS in the Falcon Homecoming Parade! Art students made tropical fish and other decorations to dress up the float that was titled "DIS - A SEA OF ADVENTURES!" The float was awarded FIRST PLACE OVERALL in the parade!
A BIG THANK YOU to Mrs. Hornsby & her helpers! Thank you Mr. McCune for the use of the Lion's Club trailer!

WOMEN'S SYMPOSIUM

"Caring in Action: Serving Children"

Date: Saturday, February 26, 2005: 8:30 A.M.-3:30P.M.

Location: Elmer L. Beckendorf Conference Center
North Harris County College, Tomball Campus, Tomball.

Symposium Events:

Women Lions met with representatives from four PTOs to plan the proposed Symposium. We invited their participation then met with them to identify the needs of children in their individual school districts. The ensuing discussions revealed that students' needs fell into two primary categories:

Needs relating to a select population, consisting of a school district's low-income or indigent children

Needs relating to a general population, consisting of all students in a school district

The planning committee has designed the Symposium to serve three parallel purposes:

Present the Lions organization as a valuable resource that supports communities, schools and students

Strengthen collaborative partnerships that ameliorate specific problems

Recruit new women lions and organize new Lions clubs in District 2-S2.

Membership Recruitment:

Recruitment and the founding of new clubs are the Symposium's primary goals. We have designed the event to focus on meeting significant needs through collaborative partnerships and specific actions, attendees, by drafting those actions steps in small groups, assume active roles that suggest follow-up in the forms of Lions membership. Throughout the day, guests will witness women Lions in action, hear about Lions projects from speakers, see evidence of effective partnerships with schools, PTOs and community organizations, and acquire packets of information and view Community Show Case booths. The Symposium as a whole will demonstrate the "We Serve" motto.

There will be speakers and group discussions on "Children's Health", "Safety in Classroom, Campus and Community", "Campus Resources", and "Access to Higher Education".

Since February 2003, Lions Clubs International a concerted effort has been made to promote the recruitment and leadership growth of women Lions. As a result, tens of thousands of women, worldwide, have become Lions club members. The initiative has provided fresh ideas, new opportunities and momentum for ensuring a healthy future for Lions clubs worldwide.

Lions Clubs International is offering a grant of \$2000.00 available for each symposium contingent upon approval from Lions Clubs International. There will be 14 grants offered worldwide, 2 grants to each constitutional district, which makes 2 grants available in the United States. Our grant application has been submitted to Lions International. This is a great opportunity for District 2S2.

Lion Kay Burke

Women's Membership and Participation Chairperson

In the July/August 2004 Lion Magazine, page 38, is an article titled "Opportunities for Women in Lions".

This is an explanation of the Symposium.

GOLF RULES

12th ANNUAL HARRY WICKERSHAM GOLF TOURNAMENT

1. Scramble Format.
2. A Scorecard Playoff will determine the winner for all ties.
3. Two Mulligans, front nine & Two Mulligans, back nine.
4. Hole in One sponsored by **Crenweige Chevrolet, Pontiac, Buick & Olds**. *(First Hole in One on #11 wins a new car.)*
5. All men must play from the blue tees on the Par 3's.
Men 65 & over may play from white tees on other holes.
Men 80 & over and ladies may play from the red tees.
6. Hole prizes are on #1, #4, #10, & #13
(These are in addition to the Hole in One Prizes.)

YOU MUST PLAY THE SHOT TO WIN THE PRIZE!!!

The longest drive must be in the fairway to win.

The straightest drive is the closest to the line, not the longest. If the distance from the line is the same for more than one drive, then the longest drive is the winner.

7. There is a "two putt maximum" per hole from anywhere on the green. ***Pick Up The Ball If You Do Not Make The First Putt.***
8. **ON THE GREEN:** For \$10, a team may purchase the right to place their tee shot at a designated place on the green on the Par 4 Seventh Hole. ***Do Not Hit Your Tee Shot, but Count a Stroke. Go Directly To The Green.*** This will speed up play. ***"Guaranteed Birdie"***
9. **MONSTER DRIVE:** For \$10, a team may purchase a **300 Yard Plus Drive**. Place your drive at the designated spot for a 200 yard approach shot to the Par 5 Fourteenth Green. ***Do Not Hit Your Tee Shot, but Count a Stroke. Go Directly To The Designated Spot.*** This will speed up play!
10. Entry Fees for cancellations after Friday, July 8, 2005 and "no shows" without a substitute will be donated to the Texas Lions Camp as a donation from the absent player.

*Do you have any suggestions to make the tournament more enjoyable?
To make the play faster? For Prizes?*

THANK YOU FOR COMING!!!!

*The Fredericksburg Lions Club

25 CHEAP WAYS TO KEEP YOUR HOUSE COOLER

Air Conditioning

- Open windows and use portable or ceiling fans instead of operating air conditioner. Even mild air movement of 1 mph can make it feel four degrees cooler.
- Use a fan with your window air conditioner to spread the cool air in your home.
- Use a programmable thermostat with your air conditioner to adjust setting at night or when no one is home.
- Don't place lamps or TVs near your air conditioner thermostat; heat from these appliances will cause the air conditioner to run longer.
- Consider installing a whole house fan or evaporative cooler (a "swamp cooler") if appropriate for your climate.
- Install white window shades, drapes or blinds to reflect heat. Install awnings on south-facing windows.
- Close curtains on south and west-facing windows during the day.
- Install sun-control or other reflective film to south facing windows.

Landscaping a cooler house

- Plant trees or shrubs to shade air conditioning units, but do not block the airflow.
- Grown on trellises, vines such as ivy or grapevines can shade the whole side of a house.
- Avoid landscaping with lots of unshaded rock, cement or asphalt on south or west sides.
- Deciduous trees planted on the south and west sides will keep walls cool in the summer. Just 3 trees, properly placed around the house can save between \$100 and \$250 annually in cooling cost.

Air temperatures can be 3 to 6 degrees cooler in tree-shaded neighborhoods.

Little things mean a lot

- Replace incandescent bulbs with compact fluorescents.
- Air dry dishes instead of using your dishwasher's drying cycle.
- Use a microwave oven instead of a conventional electric range.
- Turn off your computer and monitor when not in use.
- Unplug appliances when not in use to prevent them from using "standby" energy.
- Lower the thermostat on your hot water heater, 1150 in comfortable for most uses.
- Take showers instead of baths to reduce hot water use.
- Wash only full loads of dishes and clothes.
- Make it a habit to turn off the lights before you leave a room.
- Install motion sensors on your outdoor lights, rather than leaving them on all night.
- Caulking and weather-stripping will keep cool air in during the summer.
- If you see holes or separated joints in your ducts, hire a professional to repair them.
- Add insulation around air conditioning ducts when they are located in unconditioned spaces such as attics, crawl spaces and garages.
- Check to see that your fireplace damper is closed.

Clifton Heiman, Environmental Chairman
