Fellow Lions

It's not too early to be planning on attending the Mid Winter Conference. The date is definitely set, January 19, 2008. So mark your calendars in ink! It will be held at the Humble Civic Center. Registration application is elsewhere in this newsletter and will be available in future newsletters.

As you know, First Vice President Al Brandel is not able to make our Conference. President Jimmy Carter took preference over District 2-S2! We certainly are sorry that he could not make it – **BUT** – We are indeed fortunate to have International Director Leland R. Kolkmeier from Wellington, Missouri as our guest speaker. International Director Kolkmeier comes well endorsed by Past International Director Don Buckalew. Leland was elected to serve a two year term at the 89<sup>th</sup> International Convention in Boston, Massachusetts in 2006. He is a member of the Wellington Lions Club since 1993 and has held many offices within the association. He has received numerous awards including 100% Club President Award, four District Governor Appreciation Awards, an Extension Award, the Guiding Lion Award, two International President's Certificates and an International President's Award. He is also a Melvin Jones Fellow. We are very fortunate and privileged to have such a speaker and look forward to meeting him.

We want to thank everyone that have sent in their email information from the postcards. If you have not responded, please do so as soon as possible. Starting with this newsletter, everyone should be receiving the news of the district.

In order to stimulate more members in our district, we have initiated a new contest. Starting now and lasting through December 2007, a member who brings in the most members that are on the December Monthly Membership Report dated no later than January 15, 2008 will receive \$100.00, Second place - \$50.00. The winning member must bring their new members to the Mid Winter Conference in order to receive their prize. **YOU MUST BE PRESENT TO WIN!** The contest begins with the September 2007 MMR so that leaves the rest of October, November and December.

As most of you know, the district now has two new clubs. By the time this is published we very well may have three. The new clubs are NASA Area and Crosby. Both clubs will have at least 30 members each. So we have a good start in Distict 2-S2. A big thanks go to several Lions, VDG Barron Cagle and wife Lion Karen, PDG Bill Hughes, Lions Paul and Winnie Mae Eads, Lion Agnes Sullivan, Lion Rick Reynolds, PDG Buzz Goins, PCC Pat Brennan, PDG "Doc" Cates and of course Lion Terry Landers for supplying audio and visual equipment. (I hope I didn't miss someone). A special thanks to PDG Ed Stebbins and wife PDG Beverly Stebbins for their training and help in establishing these two clubs. That's it for this months edition. I'll be in Temple, TX for the Council of Governors meeting the first weekend in November. Keep up the good work. Stay tuned for more.

Yours in Lionism

*District Governor Art Drouin*

## Thoughts from the VDG ....

WOW! The first quarter of this Lions year has passed by quickly.

Lion Karen and I have been “on the go” for virtually the entire three month period. We’ve attended the Lions International Convention in Chicago, attended my first official Council of Governors and TLC Annual Board meeting, visited the Lions World Services for the Blind in Little Rock, and been taught and entertained at the USA/Canada Lions Leadership Forum. Every one of those experiences was tremendously positive.

**THANK YOU** for your allowing me to represent you as a member of the Executive Committee of the Texas Lions Camp. That experience has enriched my life well beyond my ability to convey with mere words.

**THANK YOU** for making the TLC President’s picnic on August 3 such a memorable event. PDG and Past TLC President Eddie Munger, the peaches you provided were really a special touch. **THANK YOU** for granting me the privilege to serve as your Vice District Governor.

District Governor Art has established goals for District 2-S2 that **can** be achieved. The basic process is quite simple. First, tell someone, everyone, why you’ve chosen to become a member of the world’s largest service organization. Then, ask them to share that experience with you. When did you last ask someone (friend, neighbor, business associate or family member) to become a Lion? You just may be surprised at the response you get.

## *Around The District*

The **Alief Noon Lions Club** mourns the loss of their long-time member, Lion Howard Hicks, fondly nicknamed “The Lion King”. Lion Howard had recently celebrated his 93rd birthday and his 50th year as a Lion.

The **Conroe Evening Lions Club** is celebrating its Club’s 50th Anniversary on Monday, November 5, 2007, at the Golden Corral in Conroe. The meal starts at 6:00 P.M. and the meeting at 6:30. All Lions are invited to join them at this celebration. The **Conroe Noon Lions Club** will hold a Family Picnic on Sunday, October 28th, at the Steens House beginning at 3:00 pm. There will be plenty of good food, fun and fireworks. This Club is sponsoring Peace Poster Contests at two local Junior High Schools and they are gearing up for Youth Contests and Scholarships. The “Legend of the Lion” Dinner/Dance and Auction on September 20th had over 500 in attendance. Work is continuing to set up and stock their new Eye Glass Recycle Lab. Their Community Partners’ program topped \$100,000. Their Membership Services Committee continues to work hard. They hosted a ‘Shake It Up’ meeting in September and they are also conducting an October Membership Drive, “Rookies vs the Veterans”. AND, they still make time to go visiting—Liberty Lions Club, South Montgomery County Lions Club, Houston Sports Lions Club and Panorama Lions Club were recipients of visits from this very active club.

**Deer Park Lions** are selling entertainment books and Casa Ole Coupons as fundraisers. They have collected glasses and provided several eye exams for area residents.

The **Hardin Lions Club** displayed American Flags on Labor Day and extended their display through Patriot Day. They also assisted a family who recently lost their home and home business to a fire. This Club bought glasses for a older gentleman in their community. AND, library books were purchased in memory

of a Hardin High school graduate who recently passed away and who attended our Texas Lions Camp a few years ago. Be sure to mark your calendars....this club will be hosting their Annual Pancake Supper at the Hardin High School Cafeteria on Saturday, October 27<sup>th</sup> from 5-8 pm.

**Houston Aldine Lions** continue to provide eye care for Aldine area students. They also collect used eye glasses and Campbell Soup labels. . Monthly birthdays are hosted by Lion President Gloria Stansky at this club’s sponsored cabin at Boys and Girls Country. Plans are being made for the annual Christmas Party for the youth at their cabin. Charity Bingo continues to be their ongoing fundraiser.

The **Houston Downtown Lions Club** continues to hold a Soft Sell Raffle at the club meeting on the third Tuesday of each month. They held their Kick-off luncheon for the 68<sup>th</sup> Annual Tom Shaw Sportsmanship Awards Program. This club presents a great mixture of Lions programs and community-based programs to its membership each week.

**Houston Greenspoint Lions** delivered another 1500 pairs of used eye glasses to the Telephone Pioneers last month.

The “world famous” **Houston Heights Lions Club** pancakes, with the secret “Eads” ingredients will be offered up on November 10<sup>th</sup>. Mark your calendars now and stay tuned for more details. This Club sets up a display representing their Club and Lionism at the Heights First Saturday events. It has become one of their new member recruiting efforts. They will be focusing on used eyeglass collections leading into “Trick or Treat for Sight” and they are selling those wonderful pecans for all your holiday needs and treats. These Lions, as well as District 2S-2 mourn the loss of the inspiring, long-time Lion Lamar Watts.

The **Houston Northwest Lions Club** continues to collect coupons for the Military Overseas Coupon Project. They have collected and sent over \$6,000 in coupons. This Club will host their Zone's next meeting. Their chicken barbecue fundraiser was held in September and they continue to collect used eye glasses.

**Houston Spring Branch Lions Club** conducts Bingo on Mondays and Tuesday at 12 Noon and 1:30 PM. at the VFW Bingo Hall, 9001 Long Point at Campbell. They are starting to plan a Brisket and Ham Sale for mid-December and they are selling Entertainment Books. These Lions sponsored a Blind Student in the Spring Branch FFA by buying her a goat and providing funds for feed. They are also putting together plans to help their local homeless shelter by providing Christmas presents to their 150 residents.

Don't forget the 6th Annual Chili Cook Off and Car Show, Saturday, October 20 at the Humble Civic Center, 11:00AM to 4:00 PM. sponsored by the **Humble Noon Lions Club**. This will be a CASI (Chili Appreciation Society International) sanctioned event. It will be a fun and competitive event. Visit their website, [www.humblenoonlc.com/chilifest](http://www.humblenoonlc.com/chilifest) to obtain cooker registration, sponsor and vendor forms and regulations. The public is invited for entertainment and chili tasting at a cost \$5.00 per ticket. These Lions will have a film festival in early December at the Deerbrook AMC Theater. They continue to provide eye exams and eye glasses for Humble area students, and have contributed to the cost of a hearing aid for a Kingwood student.

**The Huffman Lions** had a busy October. Some of their activities included working the Pumpkin Patch at the IT May Center, a road block at the corner of FM 1960 and FM 2100, a fundraiser at Applebee's in Atascocita, the Huffman Festival, a spaghetti dinner and a visit to the Humble Lions Club. These Lions are, again this year, participating in the Humble Bike Ride. This Club has joined the Huffman-Crosby Chamber of Commerce and plan to participate in the Crosby-Huffman Chamber of Commerce Business Expo on October 20th with a goal of educating area businesses on Lion programs and the importance of area business support. They

continue to furnish eye care for area students and collect used eye glasses. This club mourns the loss of Lion Sofia Carden who passed away in September. Her family has asked that donations be made to the Texas Lions Camp in lieu of any other remembrance.

The **Huntsville Lions Club's** Secretary Lion Noah Speers proudly shares that their club met for four luncheon meetings, and no one got sick or died. Their service activities included the Labor Day Flag Project. This project was in honor of slain CO Susan Canfield.

The **Katy Lions** held a successful golf tournament on September 17<sup>th</sup>. Their October meeting will be devoted to recruiting new members. They will be participating in a health fair in conjunction with a local church on October 20th. This Club participated in the Great Katy Rice Harvest Festival on October 13-14<sup>th</sup>. They manned the basketball throw booth.

The **Lake Conroe Lions Club** is having a BBQ cook-off at Fire and Ice in Conroe on October 26-27<sup>th</sup>. There will be ice sculptures, a barn dance and tons of food. The cost is \$5.00 for parking and \$5.00 for a chopped beef sandwich, chips and tea or lemonade. Funds raised will help with their eyeglasses program.

**Spring Houston Lions** are participating in the Humble Bike Ride. They are busy collecting eye glasses and ensuring that local students have eye exams and are given eye glasses as needed.

We are sorry to report that the **Spring Old Town Lions Club** has cancelled their spaghetti dinner. They have adopted families for Thanksgiving and Christmas.

The **South Montgomery County Lions Club** is holding its 20th annual golf tournament on Friday, October 26th at the Village Golf Club ([www.thevillagegc.com](http://www.thevillagegc.com)) Panorama Villiage, Texas. The tournament will begin at 12:30 p.m. Costs are \$85 per golfer or \$340 for a team. They hope to see Lion Golfer friends there.

The **Houston Space City Lions** are selling Entertainment Books. Also, they continue to collect used eyeglasses for recycling and to provide eye care for students in their area. Lion George Malone pitched in and assisted the **Copperfield Lions Club** during their recent Health Fair.

The **Houston Cy-Fair Lions Club** recently held their Annual Bike Ride and had 300+ participants. They continue to man their Concession Stand at their Ball Park and they invite their sponsored boy scout troop and other Lions Clubs near them to participate in the funds raised.

**Was Your Club represented in this article? Send in your CAR report or email Lion Judy Champion @ [jwalley@flash.net](mailto:jwalley@flash.net) with your news.**

## Cold and Flu Season Is Upon Us

Fall just arrived and before you know it, winter will be here too. Winter in the Houston area isn't as severe as in the northern states, or as I like to refer to them as "Yankee-Land".

Having mild winters has its drawbacks. In the northern states where they get single digit temperatures it gets cold enough to kill bacteria. Here it gets cold enough just to aggravate them for a day or two then it gets warm again and then they are wreaking havoc.

Winter is especially hard on young children and the seniors. You can reduce the amount of colds, etc during the winter months by:

- Getting a Flu Shot
- Washing your hands frequently with anti-bacterial soap
- Wiping counter tops with disinfectant
- When you get the first signs of a cold stay away from others to reduce spreading germs

There are many ways to guard against the winter germs these are just a few of the most common ones.

## Environmental Photo Contest

I have only heard from 2 Lions that plan to enter the Environmental Photo Contest. It would be a shame to let these 2 Lions be the only ones who enter from 2S-2. Sixty-something clubs and only 2 entries?

There is no prize money in this contest. The winners get a certificate of participation. Then they advance to the next level. If your photo is the winner on the International Level, your photo will be on the International web site and in their calendar.

Come on! Let me hear from your, better yet, send me your photos. There are five categories to choose from.

- Animal Life
- Landscape (Urban or Natural)
- Plant Life
- Weather Phenomenon
- Our Changing Environment
