Thoughts from the DG

My thanks go to Houston East End Lions and to the Boy Scouts, and parents of, Troop 1496 for hosting and providing great refreshments and food at our Second Cabinet Meeting. Our business session moved briskly with all attendant matters handled just in time for lunch to be served.

Considerable effort has been dedicated to our District Constitution and By-laws. There will be consider and vote on proposed revisions at our Convention May 15-16, 2009 at the Marriott Hobby Airport Hotel (more info will follow). Most matters to be considered are substantially housekeeping, i.e., updating the name of our Texas Lions Camp, making grammatical and spelling corrections, and clarify points with the use of "bullets". The major change will be inclusion of the office of Second Vice District Governor.

Yes, we do have a candidate for Second Vice District Governor. We also have announced candidates for First Vice District Governor, District Governor, and other Director/Trustee positions. We do have one contested race, that being Council Chair (elect – elect) for the year 2011-2012. Three candidates have announced as of this writing. It looks to be a spirited, fun and absolutely clean race for the position.

We're almost to the wire with efforts to provide relief to those in our community so impacted by Hurricane Ike. My thanks to all you Lions who helped to show our community that Lions do care and do provide service in time of need. If you've not yet provided report of your relief effort, please get those to me promptly so that I can provide that information to Lions Clubs International Foundation.

When you have opportunity, please thank the members of the District 2-S2 Extension Team. I've just returned from the second MD-2 Council of Governors' meeting in Del Rio. District 2-S2, as of October 31, leads the State in membership growth for this year.

Way to go team!

Let me not fail to note our District 2-S2 **Every Day Heroes** for the July-September quarter **Cut 'n Shoot Family Lions Club**. They worked together providing hands-on assistance an elderly gentleman whose property was damaged by a tornado on August 3. Those Lions really did provide **Miracles Through Service**.

ROAR!

Lion Barron Cagle District Governor

PawPrints of 2-S2

DECEMBER 2008 — page 1

Thoughts from the Vice District Governor:

During October, the Vice District Governors were invited to the Lions Leader Dog School in Rochester, Michigan. This was a wonderful experience. I was able to walk with a guide dog (yes, they actually found one tall enough for me). During this walk, I was able to experience the feeling of being blind. Although the dog led me in a "square route", I never felt the left turns he made.

In early November, I attended the Second Council of Governors meeting in Del Rio. It is interesting watching the current Council of Governors work to help our state to become the best in the US. I am also working closely with my fellow Vice District Governors to begin formulating our goals and objectives for the 2009 – 2010 Lions year. To make this happen, I will need to form a strong Cabinet. I am looking for my fellow Lions who would like to volunteer for my Cabinet to contact me and let me know your interest.

Hopefully by now, everyone has returned to normal after our visit from Hurricane Ike. Please remember to send me any pictures and/or articles that have been published so I can put them in our scrapbook. We want to make sure the public knows of "Our every day heroes".

Our MERL Team has been hard at work so far this year. We have been able to charter one new club, a second is "almost" there, and rumor has it that a Campus Club will be "born" in the near future. With these new additions, our District is on the plus side of membership this year. Please continue to recruit new members. But, **please** work very hard to retain the ones you already have.

Vice District Governor Charles "Chuck" Martin

Around The District

The Baytown Lions Club celebrated their 80th Anniversary on November 20th. It was a grand affair with lots of attendees and support from other Lions throughout the District.

Conroe Noon Lions held a Dinner/Dance and Auction on September 11th at the Lone Star Convention Center. Their Annual Blood Drive will be held on Wednesday, December 3rd at the Lone Star Convention Center and a Mobile Unit at Kroger Store, on Hwy 105 West. These Lions held a Drug Awareness Speech Contest and a Diabetic Essay Contest. Their Lucky Derby - Truck Raffle will be November 5th through December 10th with the Winners Finale on December 17th. Tickets are \$100. New Member Induction will take place at their Club Meeting on November 12th and they will hold a New Member Orientation on Thursday, November 20th at 6:30pm at the Lone Star Convention Center. The October Membership Drive brought in seven new members!

The Crosby Lions Club held the drawing for the raffle of a 6000-watt generator on November 18. These Lions participated in an Club Open House with the Chamber of Commerce. They hosted a Peace Poster Contest where 28 children from the Crosby area participated. This Club took six local families affected by Hurricane Ike shopping at Walmart for food and clothes.

Cut and Shoot Family Lions held their Fall auction on October 26th. It is amazing how "junk" can be transformed into treasures when bidders are at an auction. They are happy to report the auction was successful and will help fund many Lions projects. A "great big Cut & Shoot thanks" is extended to everyone who donated items, helped work the auction and especially the ones who bought those "treasures". On October 30, these Lions hosted a Lions Pride Night, inviting those felt to be prospective Lions. As a result, they are now six members richer. We must add that four came from the auction. Yes, they were bidders at the Fall Auction and PDG Harry, being his "friendly, talkative" self, talked about Lionism and thankfully all four were excited about learning more, so they attended the Lions Pride Night. As the presentation was beginning to wind down, six were asking if we had membership applications. These six will attend meetings for a while and then will be inducted as the newest members of THE Cut & Shoot Family Lions Club.

The Hardin Lions Club is participating in a Veteran's Program @ Hardin High School. This Club put 400 flags out on Veterans Day. They also helped a family that lost their home to fire. The Lions float was in the Trinity Valley Parade decorated with all old things to help celebrate the 100 anniversary of the TVE. This club epitomizes making "Miracles through Service" happen.

The 69th Annual Tom Shaw Sportsmanship Awards will be presented by the Houston Downtown Lions Club on December 9th.

The Hempstead Lions held their annual Baked Potato (with all the trimmings) Fundraiser on November 15th. It was a huge success, with lots of Lion support.

The Houston East End Lions Club continues helping with Ike relief victims. Look for this Clubs' Annual Turkey, Ham and Fruit Basket sale. They will hold a joint Christmas Party with NASA Area Lions Club on December 14th. These Lions hosted the Second District Cabinet meeting. Their adopted Boy Scout Troop assisted them by supplying a delicious authentic Mexican lunch. This club, the home club of our District Governor, has paid their 100% charities.

Houston Memorial Lions continue to sponsor bingo and work on getting glasses to foreign countries. These Lions are getting ready for their annual service project, their Christmas Gift Wrap.

The Houston Northwest Lions Club will hold a Blood Drive in November or December. Stay tuned for further details. Their recent fundraisers....a Golf Tournament which was very successful as was their Yard Sale. On December 13th, these Lions will participate in a Christmas Party for the children at Mission of Yaweh in the Spring Branch area.

Recently, this Club participated in a Mission of Yaweh's fundraiser, the YMCA Fun Festival, and helping with Hurricane Ike relief victims. They will hold a Christmas Party on December 14th in conjunction with Houston East End Lions Club.

The Houston Spring Branch Lions will be preparing Christmas presents for the residents of the Turning Point, a homeless shelter in their area. It will also be the occasion of their Governor's visit. This Club has supported this homeless shelter since its inception many years ago.

WOW!! The Houston Westbury Lions Club inducted five new members during the month of October. They feel fortunate to have these new members who are all anxious to help with our Lions endeavors. On October 25th, they held a fundraiser and made over \$600. They sold small American flags, cookies and Entertainment Books. It was truly a club effort and nearly all members of the club participated.

The Chili Fest & Car Show sponsored by the Humble Noon Lions Club has been rescheduled for March 21 at the Humble Civic Center, more information to follow. The Lauren Daly Golf Tournament will be rescheduled as well. This Club will have a Film Festival at Deerbrook Mall AMC Theater, Saturday, December 13th at 9:00AM. These Lions had a Membership booth at the Car Show Town Center in Kingwood. The Car Wash Benefit for Lauren Daly has been very successful. To date, over \$10,500.00 has been given to the Daly family. Ike relief funds were utilized to help two Humble area families---5 members each. The Humble ISD matched these funds with an additional \$300. They plan to collect toys for these children for Christmas.

The Huntsville Lions were recently feted by the Huntsville High School Culinary Arts Department with a traditional Thanksgiving Dinner. Not only was the food delicious, but it gave the members an opportunity to interact with local students. These members are busy preparing for their 25th Annual Christmas Parade. This is a real extravaganza with many floats and Santa arriving in the City. It will be held at 6:00 a.m. on December 6th. If you are in the neighborhood, stop by to view the parade. It is guaranteed to put you in the Christmas Spirit.

The Klein Lions Club spent November 8th picking up trash on their "adopted mile", Louetta Road from Stuebner Airline to Champions Forest. This club is considering a possible golf tournament and/or a raffle for fundraising. The members recently enjoyed some camaraderie with a Pot Luck Lunch on November 9th.

LEO NEWS

The State Leos have joined together to form the first Council of Texas Leos. www.texasleos.org

Every 3 weeks, Cut 'n Shoot Lions Eva and Pat Hymel attend the Caney Creek Leo Club meeting. This is a very impressive group of Leos. On October 18th, they helped box food at the Montgomery County Food Bank, Then on November 1st, they hosted a karaoke morning, and served cookies and punch at the Willis Nursing Home. The residents had a grand time, joining in with the Leos, who were having a blast, singing hits from the "oldies". Their allotted time for the activity ran out, but the residents kept wanting to go on, but surely the Leos will plan another visit.

IMPORTANT NEWS

There will be several Proposed Amendments to the District 2-S2 Constitution and By-Laws to be voted upon at the District Convention in May. You may view the Proposed Amendments on the District Website www.lins2s2.org look under the News.

DO YOU KNOW YOUR TEAM LEADER?

by Lion Rick Reynolds

When the “Team Leader Concept” was initiated two years ago by PDG Margaret and others the idea was to get more involvement and enthusiasm from the District Leaders down to the grass roots Lions. The whole idea is basically the same as the old Region Chair / Zone Chair setup with smaller zones. Team Leaders are in the same position as previously titled Zone Chairs and current Zone Chairs are the Region Chairs of past years. Wow!!! That’s kind of confusing!!! Not really. The new Team Leaders have only four or five clubs (including their own) to work with. The idea was that with fewer clubs the leaders could get more involved with their group, or team of clubs.

So.....Do you know your Team Leader? We certainly hope so! Your Team Leader should be extremely close to your club. Every Lion in this District who attends meetings should know who their Team Leader is because the Team Leaders should be regularly attending meetings and always be in close contact with the club leadership. It is the Team Leaders job to bring the clubs in his or her team together for fundraisers, community service or just for fellowship. Hopefully, the Team Leaders are a liaison between the Governor and the club leaders, keeping the club officers and membership up to date with not only the happenings in their team but with all that is going on in the district and even international.

The Team Leaders are also there to help the clubs if they are having problems of any kind by giving advice, direction or even moral support. A Team Leader is able to help with MMR’s if you need help, they can direct you to the right source for information, they can help direct you to support and ideas for your fundraisers, and much, much more. They are always ready to provide you with much needed ENTHUSIAM at any time! He or she is there for you and your club as a mentor, motivator, counselor and communicator.

So....now you’re asking “Where do the Zone Chairs (former Region Chairs) come in at”, right? Well, where do you think the Team Leaders get their information and enthusiasm from? The job of the New Zone Chair is to keep the Team Leaders informed of the goings on throughout the District so the Team Leaders can pass along the information to the clubs in their team.

When the system is working correctly the information and news and even enthusiasm passes from the top leadership to the grass roots Lions heroes and back the other way! But... for the system to work YOU have to help your Team Leader! Make sure they know how to contact your club leadership and when your meetings and other club functions are. Let them know when you need help or when you are available to help other clubs in your team. You have to help them help you!

So....Do you know your Team Leader? If not, give them a call and ask them to come to your meeting and to be a part of your family. You’ll be glad you did!

Lion Mark Roth's Ramblings

The Christmas Tree

The Christmas tree is a strong symbol of Christmas. It serves as the family's center of attention. In fact, it is the center of most Christmas ceremonies all over the world.

Christmas is about traditions and memories, and symmetric and beautifully decorated Christmas trees are something that the entire family will always value and remember. Every year, between 25 and 30 million Americans celebrate Christmas with Christmas trees, thus, the scent of a freshly cut Christmas tree enlivens the Christmas spirit among most Americans.

Christmas trees have a long and exciting history. During the pre-Christian era, people and tribes often had holy groves and trees where they sacrificed to the gods. The trees were most often oak or ash, and they symbolized a connection between heaven and earth. Similar ideas are found in the Old Testament – trees symbolized wisdom and life.

In the 15th and 16th centuries, German tradesmen began to hold parties where a spruce was placed inside a home. Another story tells of how the German theologian and reformer, Martin Luther, put candles on the leaves as symbols of the stars twinkling among the forest's trees. In the 17th century, the tradition of decorated Christmas trees in connection with festivities spread out to the German towns, and from there, to other parts of Europe.

Even if the first Christmas tree in the USA, perhaps, can be traced all the way back to 1777, Christmas trees did not become popular in the USA until the middle of the 19th century. An image of the English royal family standing in front of a Christmas tree was copied and brought to the USA in 1850. This resulted in the American upper classes embracing the Christmas tree. In the following decades, the tradition of Christmas trees in living rooms became popular among the rest of the population.

Today, the lighting of the United States' National Christmas Tree has become a major event. The tree is located south of the White House in Washington D.C. In fact, it has already become an important symbol for the nation for many years now. In 1979, President Jimmy Carter only lit the top star on the tree in honor of the American hostages in Iran.

Chanukah in a Nutshell

Chanukah -- the eight-day festival of light that begins on the eve of Kislev 25 -- celebrates the triumph of light over darkness, of purity over adulteration, of spirituality over materiality.

More than twenty-one centuries ago, the Holy Land was ruled by the Seleucids (Syrian-Greeks), who sought to forcefully convert the people of Israel. Against all odds, a small band of faithful Jews defeated one of the mightiest armies on earth, drove the Greeks from the land, reclaimed the Holy Temple in Jerusalem and rededicated it to the service of God.

When they sought to light the Temple's menorah, they found only a single cruse of olive oil that had escaped contamination by the Greeks; miraculously, the one-day supply burned for eight days, until new oil could be prepared under conditions of ritual purity.

To commemorate and publicize these miracles, the sages instituted the festival of Chanukah. At the heart of the festival is the nightly menorah lighting: a single flame on the first night, two on the second evening, and so on till the eighth night of Chanukah, when all eight lights are kindled.

On Chanukah we also recite *Hallel* and the *Al HaNissim* prayer to offer praise and thanksgiving to God for "delivering the strong into the hands of the weak, the many into the hands of the few, and the wicked into the hands of the righteous."

Chanukah customs include eating foods fried in oil -- latkes (potato pancakes) and sufganiot (doughnuts); playing with the dreidel (a spinning top on which are inscribed the Hebrew letters *nun*, *gimmel*, *hei* and *shin*, an acronym for *Nes Gadol Hayah Sham*, "a great miracle happened there") and the giving of *Chanukah gelt*, gifts of money, to children.

Blind Client Shopping Trip
Monday – December 1, 2008
Deer Brook Mall, Humble, TX

For the last 20+ years we have provided a lunch and funds to approximately 50 Blind Clients from the Lighthouse of Houston to buy Christmas Gifts. We desperately need your help this year with funding. This project cost approximately \$3800 and we currently only have \$2300 in the fund.

We need YOUR CLUB to contribute to this project as soon as possible. Leos from several of the Leo Clubs will be escorting the Blind Clients.

As you can tell the funds are needed by the first of December, just a few short weeks away, so your prompt action will be greatly appreciated. We don not want to disappoint the Blind Clients from the Lighthouse.

Please send your donations to the District Treasurer to Lion Paul Eads, Cabinet Treasurer, 6210 Wynnwood Lane, Houston, TX 77008-3242.

Once again, it's time for Annual
"Christmas Toy Drive"
Sponsored by
District 2-S2 Lions and Constable Ron Hickman's Office

Please help by sponsoring a child this Christmas. Klein Lions Club, Lion Lynn Harrison will be at the November 5th, President & Secretary Council meeting with the cards.

Throughout the year, the Pct. 4 Victim Assistance/Domestic Violence Division works with families who need help to ensure their children receive a gift at Christmas. We also work with the Harris County Community Youth Specialists who are in the local schools. They provide us with the names of families who are also in need of a little help at Christmas.

This card needs to be taped to your returned gift.

Please do not wrap the gift.

Types of gifts and wishes from the kids include:

Gift Certificates from Bookstores, Theatres, Fast Food, Clothing, Music stores
CD Players/electronics
Watches, jewelry, bath and body items, makeup kits
Toys (age appropriate)
