YOU HAVE THE HEART OF A LION

The Heart of the Lion

If someone does something nice to help you, (i.e., you are working on a committee together and someone goes an extra mile to make something happen and you didn't expect it) then you should send me an e-mail; tell me what was done; who did it; and what club they belong to. They do not have to belong to the your club.

They will be given a "Heart of the Lion Award" at the P & S or the Cabinet meeting. It must be something that stands out and is thought of as extra special not just picking up a hanky for someone or giving someone a ride.

Again, it is an unexpected act that goes above and beyond the necessary duties of a Lion. It can be a random act of kindness that shows concern and care for the Lion Family.

Let's show the true "Heart of the Lion" for one another throughout this year.

Lion Betty
2017-2018 District Governor

PROCEEDS BENEFIT THE LIONS EYE BANK OF TEXAS

Hello Lions Family,

I wish you all a Blessed Thanksgiving Day! We all have so much to be thankful for even though we lost so much this year we have made gains. We look around and see how people were “difference makers” in others’ lives. What a blessing they were. Our Lions are wonderful people and they are always willing to go the extra mile. We have a lot of miles to go yet on this journey and we will continue on this trip as long as it takes helping our fellow man. We the District of 2-S2 are so blessed to have such wonderful Lions who never give up. I want to thank each and every one of you for everything you do in our District. You are a real blessing to me. I could not do my job without a single one of you.

As we look forward to the Thanksgiving and Christmas Holidays let’s keep our families and Lions families close to our hearts. They are special to us and we want to hold them dear. Don’t forget to tell them how much you love and care for them!

I have loved every minute being your District Governor and I appreciate the opportunity you gave me to do the job. I look forward to the rest of my year and what it brings.

We have two (2) important dates to be put on your calendars. Don’t forget to sign up for Mid-Winter (2/17/18). 2nd Vice District Tony Austin has a great training session plan set for you. He also has a motivational speaker and my Council Chair, PDG Rick Talbert on the agenda. So, don’t forget to register. The District Convention will be May 4th and 5th, 2018.

Your Loving District Governor

Dear Lions,

Greetings from the Tasman Sea... for those who do not know.. that is the body of water between Australia and New Zealand.. Lion Jane and I are finishing up our previously planned trips, so we can spend as much time as possible with you next year. Currently we are on a cruise ship touring New Zealand and Australia ..

Last month Lion Jane and I had the pleasure of visiting several clubs with DG Betty, and I have had the privilege of working with the Hurricane Harvey task force. My heart swells with pride when I see the “works” that our Lions are doing. And I am grateful to be a part of this “Pride of Lions”.

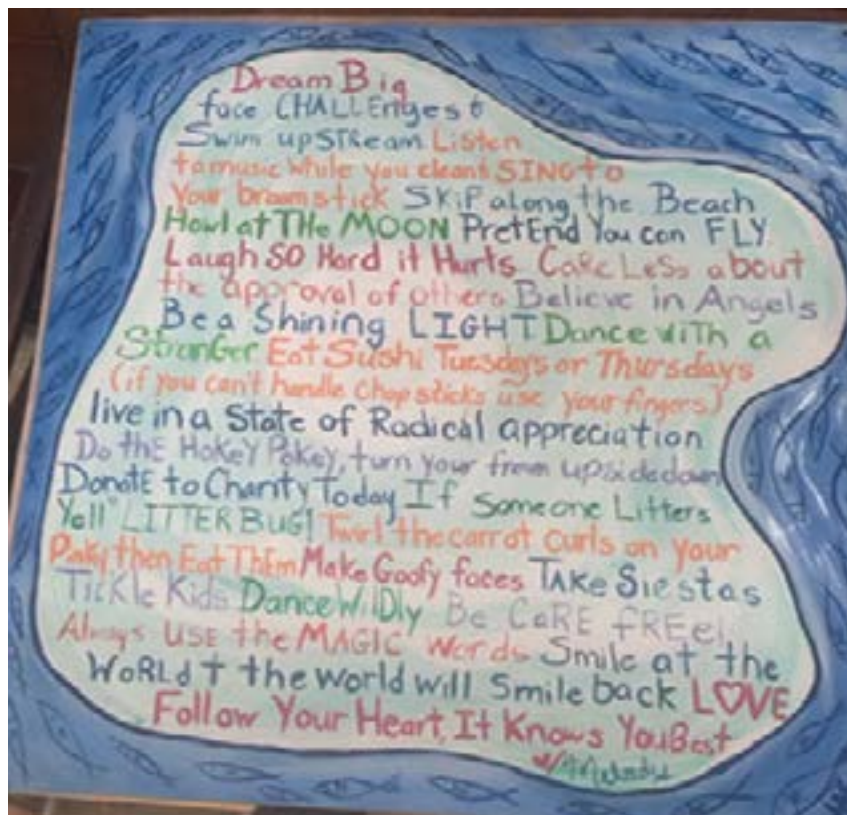

I am sure everyone has seen the relay races that are held at the Olympics every 4years... so much planning, preparation, and training that goes into passing a simple baton from one runner to the next. Lions (that would be all of us) need to do the same. ??? What you say? Huh? A lot of us have done the same job year in and year out.. a lot of us have allowed others to carry our load, “run our race”. All of us need to prepare to pass “our baton” on to the future leaders of Lions... who is that?.. look around, they must be in our clubs, or if they are not we need to recruit them, for without them Lions will cease to exist. I am asking each and everyone of you to “find your replacement “ to find that person to take your place, to lead all of us into the future. Encourage someone who is hesitant, help them make that choice. Maybe that person is your child, your next door neighbor’s child, a coworker, someone you know at church, someone you met because of “Harvey” the list is endless.

Sometimes I feel that no one can do the job to the same exacting standards that I do.... so I continue to do the same job year in and year out. The problem is that as the years go on, I am the only one who knows how to do that job. If I train someone to take my place, then I can feel pride in watching someone else do a great job, and know that I have helped Lions grow into the future. So I challenge you. Start small, find someone to attend the next PSC meeting with you, find someone to take your place, do your job, so you can grow into your next role within Lions... Whatever that role may be.

Blessings to All for All you do

Karl Johnson

I continue to be inspired by the number and nature of projects our clubs take on in their local communities. From recent club visits it is clear that the work we do is of great value to the people who benefit from our fund-raising, community support and the focus we have on vision improvement.

However, when I take look at the reports held by LCI I find a very different story. For this fiscal year only 19 clubs have reported any service activities using the mylci.org website. So, 36 clubs have done nothing since July 1st? I know that is not true and it is simply that the club has not reported their activities. I do want to salute Montgomery Club who report their activities every month and have logged 48 activities for the year so far. Please make sure that someone in your club has the responsibility for updating the site every month – it only takes a few minutes.

If you have not used the mylci.org site take a look at this LCI youtube instruction to get set up <https://www.youtube.com/watch?v=nc6H7tbZ6Ao>. If you need help or don't know your membership number let me know (email tonyaust2000@yahoo.com) and I will gladly help you with that. Please let us have a 100% of clubs reporting service activities for November.

I hope that you will all enjoy a wonderful Thanksgiving celebration with your family and friends and know that many of you will be sacrificing that to help others in your community. Thank you!

Tony Austin

Imagine that! Lions making things more fun and lively!!! Serving is what we do best! I was so excited to receive this thank-you from The Lighthouse! A big thank-you goes to Lions Judy Ball, Karen Moore, Nancy Roades, and Noah Speer for accompanying me that day and joining in the fun.

The next exciting upcoming event with The Lighthouse will be their annual Holiday Craft Sale. All of the crafts are made by legally blind individuals who participate in their recreation programs. Proceeds from the sale of these crafts will be used to fund future art projects. The sale will be held at The Lighthouse of Houston in their Community Services Center on December 7th from 9:00am - 3:00pm. I have been given a "sneak peek" of many of the items that will be for sale! You will want to come take care of some of your Christmas shopping and gift giving needs. There is nothing more special than a beautiful handmade pottery/ceramic item to give someone - cups, mugs, bowls, plates, pitchers, figurines, Christmas ornaments, and much more. Please come out and support The Lighthouse and its multi-care residents! Those of you at the PSC meeting on Wednesday, December 6th, may get a little preview of some items!

The last item for this month is The Lighthouse Holiday Celebration for its multi-care clients. This will be held on December 14th. I do not have a start time on that yet. I will once again probably be looking for a few volunteers that day to help me spread some Christmas cheer! The rest of you can help also by doing something very simple. We will be packaging a little gift for the residents. It will consist of a set of travel size shampoo, conditioner, lotion, soap/body wash. If you save and bring home the unused hotel toiletries from your trips like I do, please bring your unused ones to the PSC meeting on Dec. 6th. I will have a box to collect them in. If you don't have any sitting around and would like to help, just pick up a few of the travel size items on your next grocery shopping trip. Thank you Lions in advance for your help with this project. We need to prepare for 60-65 residents.

Marla Reynolds
Director of The Lighthouse of Houston

Dear Marla,

I want to share with you my gratitude for the Lions Club Halloween volunteers. Our multi-care clients enjoyed your visit so much. Y'all really made the event more fun and lively! I hope that you had fun as well. The Lighthouse is very appreciative of our volunteers and their donated commitment. We look forward to working more closely with the Lions Club in future times.

Kind Regards

Sutherland Springs Update

From DG Don Kirchhoff

I have received inquiries from Lions about what we can do to help those affected by the mass shooting in Sutherland Springs. If you don't already know about Sutherland Springs, it is a small community of about 400 people in Wilson County that sits between LaVernia, Stockdale and Floresville. Some residents of Sutherland Spring are members of the Stockdale and LaVernia Clubs.

I have been in contact with 2nd VDG Lion Janie Garza who is a member of the Stockdale Lions and a resident of Sutherland Springs. She informed me that none of the victims were Lions. She has been in contact with the District Attorney and has offered the Lions to help in any manner. Lion Janie also reported that food, water, and other necessities are in ample supply and will continue to be provided until there is no longer a need.

Lion Janie has received requests for Lions to assist with funeral expenses. Some families have lost 4-6 family members, and there are also some young adults who have lost their parents. Some of the families will also be struggling with medical expenses for those who were injured.

We encourage Clubs or individuals to consider making a donation to help defray these expenses. Checks should be made payable to District 2-A2 and sent to:

District Treasurer Lion Steve Mays

212 CR 347

LaVernia, TX 78121

Make sure to note that the check is for **"Sutherland Springs"**.

100% of the donations will be applied to the funeral expenses and/or for medical expenses incurred by the families affected by this tragedy.

Please keep everyone affected by the event in your prayers.
