Issue #

Top to bottom—that’s how servant leadership works.

It means I support my district governors. It means that district governors support their club presidents. It means that club presidents support their members. If we can do this at all level of Lions, I believe that we will see extraordinary results in our membership and leadership.

International President Dr Jungjul Choi

Reminder To Everyone for our November meeting

...We are wearing team shirts/jerseys and bringing can food donations for the food pantry.

Also, if you can kindly remind everyone that they can bring any **new members** to be inducted that evening.

Thank you.

Tony’s Tales

We are already a quarter way through the year and have made great progress. Our membership is just 1 down so we do need to focus on that. But we have completed so many service projects that have made a difference in our communities – I just wish we could chronicle all of them so that you could understand the true Power of Giving that we demonstrate every day.

Recently some of our clubs in the east were affected by TS Imelda and we have been providing immediate relief using an LCI Emergency Grant of \$10,000. Please remember to consider making a contribution to both LCIF and the Texas Lions Foundation as they both reacted immediately to our request for help.

Please try to reach out to members who don’t attend your meeting to thank them for continuing their membership and tell them about some of the things we do.

THANK YOU FOR YOUR SERVICE ... DG TONY

The Woodlands 32nd Annual Wildflower Festival

Saturday, November 9, 2019 Rob Fleming Park – Creekside, The Woodlands 10:00 AM - 2:00 PM

Dear Potential Seed Sponsor,

It is with great pleasure that we announce the launch of The Woodlands 32nd Annual Wildflower Festival. This event is one of the longest running in The Woodlands with a focus on the key aspects of our community – nature and family. We would be honored and grateful if you would consider becoming a sponsor in this year’s event.

This event is held in partnership with The Woodlands Township all proceeds benefit The Woodlands Lions Club Charities. The charities supported include the Gift of Sight program for local school children and elderly, the Texas Lions Camp for children with Special Medical Needs and Type 1 Diabetes, Lions Club International Foundation for Worldwide Humanitarian projects and many other worthwhile programs.

The highlight of this event is the thousands of wildflower seed packets that are distributed free to the community by our generous Seed Sponsors. The Seed Sponsors are our corporate partners that have helped us underwrite the cost of the seed packets. In addition to the seed packet distribution, the festival has other family friendly activities such as the Blue Bonnet planting ceremony, wildflower crafts, bounce houses, face painting, DJ, food trucks, and more!

Friends of the Wildflower Sponsorship Tiers
