“Invest in Others”

Lions Code of Ethics

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or actions towards others, to resolve such doubt against myself.

To hold friendship as an end and not a means.
To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give to them my unswerving loyalty in word, act, and deed. To give freely of my time, labor and means.

To aid others by giving sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticisms and liberal with my praise; to build up and not destroy.

Dedication

I dedicate this year of service as District Governor to my loving wife, Lion Patti, for all the love, patience, and support she has given me and all that she will give this year as we serve. I sincerely appreciate the leadership training and investment the Conroe Noon Lions Club members, plus many other Lions, have made in me to become a better Lion.

MONTHLY MEMBERSHIP REPORT (MMR)

The Monthly Membership Report (MMR) is the report of Club Membership to Lions International and the District. It is IMPERATIVE that the MMR Report be sent each month, July through June.

International requires the MMR to be filed by the last day of the month the report is for, so that the information is included in their various reports for that month.

The report may be completed on-line or hard copy. If you file on-line then you are finished with the report for that month.

If you prepare the hard copy of the MMR, the report should be completed and mailed early enough to be received by International by the last day of the month and distributed as

Original to Lions International
Second page to Cabinet Secretary
Third page kept in Club Secretary's file

ACTIVITIES REPORTS

REPORT OF INCOMING OFFICERS

After the election of the Officers for the next Lions Year, generally in late March or early April, the Secretary is to report the newly elected officers to Lions Clubs International.

This is done by going to the Club Officers tab on the WMMR and adding the information as instructed.

The Information needs to be entered on the International Website by May 15.

This report is to be filed, even if there is no change in Officers.

IRS FORM 990-EZ

IRS Form 990 is the annual reporting form for Lions Clubs, when required, to report to the Internal Revenue Service. It reflects net receipts over disbursements for some non-profit organizations. The form must be filed with the IRS whether or not the limits are applicable to the Local Club. IRS Form 990 must be filed before NOVEMBER 15, with the Internal Revenue Service. Failure to file by the due date is subject to a penalty of \$10 per day late.

A Club with less than \$25,000 in GROSS receipts may file electronically using ePostcard Form.

LIONS CLUBS DUES

Membership dues support the Local Club, District, State, Texas Lions Camp and Lions International Administrative Operations.

Clubs are billed twice each year by both Lions International and the District. Dues statements are sent to the Club Treasurer.

International dues payments should be sent to Lions Clubs International in Oak Brook, Illinois. Payable upon receipt.

State, District and TLC dues should be sent to the Cabinet Treasurer before SEPTEMBER 10, and MARCH 10.

Each year the District Governor selects a number of different charities that each club is asked to voluntarily support with a minimum monetary donation – these contributions are in addition to the dues your club pays. Many clubs choose to contribute more than the above minimums.

There are a few changes in the 100% contributions this year. The District 2-S2 Humanitarian Relief Fund (HRF) and the Sight Conservation Fund are not included in the 100% contributions this year because each fund balance is more than sufficient for the level of utilization experienced the last five years. Accordingly, all clubs are eligible for a matching grant this year from HRF regardless of previous 100% contributions.

District 2-S2 100% Charitable Contributions (2010-2011)

District 2-S2 has the longest record of any district in the state for consecutive year 100% contributions by every club in the district to the Texas Lions Camp. It is requested this contribution be made no later than December 31, 2010 as District 2-S2 continues the tradition and record.

There never seems to be enough money to go around for all the worthy charities. If funds are available, please lend additional monetary support in the minimum amount of \$1/member or more as desired for the following charities, too.

- Taping for the Blind
- Lions Project for Canine Companions for Independence (LPCCI)
- Lions Quest International

The Directors and/or Trustees and Committee Chairs of each of the 100% charities and these additional charities are supposed to be pro-active in seeking to give informational programs to the Lions Clubs explaining the program activities of each charity, how they use the money donated, and the various gifting awards and avenues available for recognition within the charity.

RECOGNITIONS AND AWARDS

Lions Club members do not serve others in order to receive financial rewards. Their rewards lie in the satisfaction of helping people in need; improving numerous communities; acquiring leadership skills; associating with professional, business and government leaders; and in making loyal and lifelong friends.

There is perhaps no greater reward for a Lion's service than a simple "thank you," sincerely expressed. District 2-S2 will recognize those clubs and Lions who help make activities and projects a success.

Governor's Cup

One club from the District will be awarded the traveling Governors Cup for the year. The club with the highest percentage of membership growth from June 30, 2010 through March 31, 2011 will be awarded this Governors Cup.
