

LIONS CLUBS INTERNATIONAL

DISTRICT 2-S2 2011-2012 DIRECTORY

Richard "Rick" Reynolds
DISTRICT GOVERNOR

DEDICATION

I dedicate this year's directory and my service as
District Governor to FAMILY.

First to my first true love...my wife Marla.
She makes me a better person and a better Lion.
To my children who brought joy to my life.
To my brothers and sister who are close even though
we are miles and years apart.
To my parents who I know have been watching over me
from above for the last fifty years.

To my extended family members of the
Cut and Shoot Family Lions Club.
We truly are a Family.
They too make me a better person and a better Lion.
To all of the Lions of District 2-S2 who give
unselfishly to others in Lions service.
You are the embodiment of our motto... "We Serve".

"WE ARE FAMILY"

2011 – 2012 THEME

"KEEPING OUR FAMILY ON TRACK"

My goal as District Governor is to excite and
enthuse the Lions of District 2-S2 to grow our
clubs through Community Service and to
re-dedicate themselves to that service that is
in
the hearts of all Lions everywhere.
Let's have fun together and watch our
Family grow!

I BELIEVE

As I approached my year as your District Governor, I wondered many times, "Was I the right person for this job? Would I truly be able to bring our District together as a family, to grow our clubs, to bring more service to our areas and attract new Lions?" Well, it seems that I am in the right place at the right time!

Our International President, Wing-Kun Tam, from Hong Kong, seems to have the same philosophies as I have. His theme, "I BELIEVE", is one that we can grasp wholeheartedly. He believes, as do I, that clubs are a FAMILY and interact with each other as such. He says, and I agree, that our philosophy should be "my club, my family". He believes, as do I, that youth and LEOS are the future of our family. He believes, as do I, in giving back. He believes, as do I, in our motto, "WE SERVE". We both believe in our responsibility to Our Earth. The list goes on and on! The time is right and I now know that I am ready and able to serve you as your District Governor in the coming year. President Tam has goals that I am able to grasp as my own goals and that I can embrace with all my heart.

My goals are simple and they are do-able! President Tam wants to plant one million trees worldwide. I want to do our part by planting one tree per member in District 2-S2. I want clubs to BELIEVE that by planting trees, they will grow their club. "Plant a Tree...Get a Member"!

Any time we put ourselves out in front of the public through community service, we attract new members. I BELIEVE that we can grow our membership through COMMUNITY SERVICE. My goal is for clubs to implement MORE service projects, thereby attracting more members.

I BELIEVE that every Lion in our District can renew their own enthusiastic belief in Lionism and attract more members, thereby growing our FAMILY. I BELIEVE each member in each Lions Club can ask ten people per month to join our family and that they can each get one to join in the coming year! That would double our membership! BELIEVE!!! Is that a realistic goal? Probably not, but nonetheless, it IS my goal! You have to BELIEVE in the impossible. You have to dream the impossible dream. Then the impossible becomes reality!

I BELIEVE we can add at least four additional clubs to our district in the coming year. I will think outside of the box and start new clubs in new places and new areas. I foresee some corporate clubs, based in large corporate buildings, motorcycle clubs, even the possibility of following through with IPDG Glen's dream of a Special Olympics club.

I BELIEVE in our youth. LEO Clubs should be in every school in every school district in our area. My goal is to implement a district wide program for the growth of our Leo Clubs. Leos should and will work hand in hand with their Lions club sponsors.

These are my goals. I will do my best to bring them to reality for the benefit of our District.

MONTHLY MEMBERSHIP REPORT (MMR)

The Monthly Membership Report (MMR) is the report of Club Membership to Lions International and the District. It is IMPERATIVE that the MMR Report be sent each month, July through June.

International requires the MMR to be filed by the last day of the month the report is for, so that the information is included in their various reports for that month.

The report may be completed on-line or hard copy. If you file on-line then you are finished with the report for that month.

If you prepare the hard copy of the MMR, the report should be completed and mailed early enough to be received by International by the last day of the month and distributed as

Original to Lions International
Second page to Cabinet Secretary
Third page kept in Club Secretary's file

ACTIVITIES REPORTS

Two Reports to be completed. One on a Monthly basis and one Yearly basis.

REPORT OF INCOMING OFFICERS

After the election of the Officers for the next Lions Year, generally in late March or early April, the Secretary is to report the newly elected officers to Lions Clubs International.

This is done by going to the Club Officers tab on the WMMR and adding the information as instructed.

The Information needs to be entered on the International Website by May 15.

The report is to be filed, even if there is not a change in Officers.

IRS FORM 990

IRS Form 990 is the annual reporting form for Lions Clubs, when required, to report to the Internal Revenue Service. It reflects net receipts over disbursements for some non-profit organizations. The form must be filed with the IRS whether or not the limits are applicable to the Local Club.

A Club with less than \$50,000 in **GROSS** receipts may file electronically using ePostcard 990N.

Club on a Annual Tax year of July 1 through June 30 MUST file before NOVEMBER 15.

Club on a Annual Tax year of January 1 through December 31 MUST file before MAY 15.

Failure to file by the due date is subject to a penalty of \$10 per day late.

Each year the District Governor selects a number of different charities that each club is asked to voluntarily support with a minimum monetary donation – these contributions are in addition to the dues your club pays. Many clubs choose to contribute more than the above minimums.

District 2-S2 has the longest record of any district in the state for consecutive year 100% contributions by every club in the district to the Texas Lions Camp. I am asking that this contribution be made no later than December 31, 2011 as District 2-S2 continues this tradition and record.

District 2-S2 100% Charitable Contributions (2011-2012)

There never seems to be enough money to go around for all the worthy charities. Please try to make funds available to lend additional monetary support in the minimum amount of \$1/member or more as desired for the following charities, too.

- Taping for the Blind
- Lions Project for Canine Companions for Independence (LPCCI)
- Lions Quest International

The Directors and/or Trustees and Committee Chairs of each of the 100% charities and these additional charities will be pro-active in seeking to give informational programs to the Lions Clubs explaining the program activities of each charity, how they use the money donated, and the various gifting awards and avenues available for recognition within the charity.

RECOGNITIONS AND AWARDS

Lions Club members do not serve others in order to receive financial rewards. Their rewards lie in the satisfaction of helping people in need; improving numerous communities; acquiring leadership skills; associating with professional, business and government leaders; and in making loyal and lifelong friends.
